The British Columbia Gazette.

PUBLISHED BY AUTHORITY.

VICTORIA, AUGUST 25TH, 1930.

CONSTITUTION OF REGISTRATION DISTRICTS UNDER THE "VITAL STATISTICS ACT."

NOTICE is hereby given that pursuant to section 5 of the "Vital Statistics Act," chapter 268 of the "Revised Statutes of British Columbia, 1924," His Honour the Lieutenant-Governor in Council has been pleased to rescind the constitution of all registration districts existing under that Act, and does hereby divide the Province into registration districts for the purposes of the said Act and define the boundaries of the same as follows:—

LIST OF DIVISIONS UNDER WHICH REGISTRATION DISTRICTS ARE GROUPED.

Division No. 1.—Alberni, Alert Bay, Campbell River, Chemainus, Clayoquot, Courtenay, Cumberland, Duncan, Ganges, Ladysmith, Nanaimo, Powell River, Quatsino, Sidney, and Victoria.

Division No. 2.—North Vancouver, Squamish, and Vancouver.

Division No. 3.—Abbotsford, Chilliwack, Hope, Ladner, Mission City, New Westminster, North Bend, and Port Haney.

Division No. 4.—Ashcroft, Blue River, Chase, Enderby, Grand Forks, Greenwood, Kamloops, Kelowna, Keremeos, Lillooet, Lytton, Merritt, Oliver, Penticton, Princeton, Salmon Arm, Summerland, and Vernon.

Division No. 5.—Beaton, Cranbrook, Creston, Fernie, Golden, Kaslo, Kimberley, Nakusp, Natal, Nelson, New Denver, Revelstoke, Rossland, Slokan City, Trail, Trout Lake, Wilmer, and Yahk.

Division No. 6.—Anyox, Atlin, Barkerville, Bella Coola, Burns Lake, Clinton, Fort Fraser, Fort Nelson, Fort St. John, Giscome, Hazelton, Hudson Hope, Masset, McBride, Ocean Falls, Porter Landing, Port Essington, Pouce Coupe, Prince George, Prince Rupert, Queen Charlotte, Quesnel, Smithers, Stewart, Telegraph Creek, Telkwa, Terrace, Vanderhoof, and Williams Lake.

DIVISION NO. 1.

Vital Statistics Registration District of Alberni.

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at that point on the height of land separating the waters flowing southerly into Drinkwater Creek and into Ash River from those flowing northerly into Buttle and Comox Lakes, where it is intersected by the divide separating the waters flowing easterly into said Buttle Lake, into Great Central and Sproat Lakes, and into the Alberni Canal from those flowing westerly into the Pa-

cific Ocean; thence in a general south-easterly direction along said divide to meet the height of land separating the waters flowing easterly into Effingham River and into Toquart and Maggie Lakes from those flowing westerly into the Kennedy River and into Kennedy Lake; thence in a south-westerly direction following said height of land to the north-east corner of Lot 462, Clayoquot Land District; thence southerly following the easterly boundaries of said Lot 462 and of Lots 463 and 468, all of said Clayoquot District, to the re-entrant angle of said Lot 468; thence easterly following the more southerly portion of the northerly boundaries of said Lot 468 to the more easterly north-east corner thereof, being a point on the westerly shore of Ucluelet Arm; thence in a general south-easterly direction following said westerly shore-line to Amphitrite Point and continuing south-easterly into and along the Pacific Ocean to meet the International Boundary-line between Canada and the United States of America, and continuing south-easterly along said International Boundary-line to the point on same which lies due south of the south-east corner of Lot 58, Barclay Land District; thence due north to said south-east corner; thence northerly following the easterly boundaries of said Lot 58 and of Lot 59 to the north-east corner of said Lot 59; thence westerly following the northerly boundary of said Lot 59 to the more northerly north-west corner thereof; thence northerly following the westerly boundary of Lot 522 to the north-west corner thereof; thence easterly following the northerly boundaries of said Lot 522 and of Lot 528 to the north-east corner of said Lot 528; thence northerly following the easterly boundary of Lot 547 to the north-east corner thereof; thence easterly following the southerly boundaries of Lots 548 and 549 to the south-east corner of said Lot 549—all the above-named lots lying in the Barclay Land District aforesaid; thence in a general north-easterly direction to and along the height of land separating the waters flowing easterly into Nitinat Lake and the Nitinat River from those flowing westerly into the Klana-awa, Sarita, and Harrison Rivers and into the Alberni Canal, to meet the divide separating the waters flowing easterly into Cameron River and into Cameron and Horne Lakes and into Georgia Strait from those flowing westerly into said Alberni Canal and into the aforesaid Sproat and Great Central Lakes and into Elsie Lake; thence in a north-westerly direction along said divide to intersect the height of land separating the waters flowing northerly into said Comox and Buttle Lakes from those flowing southerly into said Ash River and Drinkwater Creek; thence in a westerly direction along said height of land to the point of commencement.

*Vital Statistics Registration District of
Alert Bay.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at the point of intersection of the 50th parallel of north latitude with the 126th meridian of west longitude; thence in a general north-westerly direction to and along the height of land separating the waters flowing northerly into Johnstone Strait and Queen Charlotte Strait from those flowing southerly into the Pacific Ocean, to intersect the easterly boundary of Township 4, Rupert Land District; thence northerly along said easterly boundary of said Township 4 to the north-east corner thereof; thence westerly following the northerly boundaries of said Township 4 and of Township 10 to the north-west corner of said Township 10; thence northerly following the easterly boundary of Township 20 to the north-east corner of Section 13 of said Township 20; thence westerly following the northerly boundaries of said Section 13 and of Sections 14, 15, 16, 17, and 18 of said Township 20 to the north-west corner of said Section 18; thence northerly following the easterly boundary of Township 25 to the north-east corner thereof; thence westerly following the southerly boundaries of Townships 24, 33, 36, and 42 to the south-west corner of said Township 42; thence northerly following the easterly boundary of Township 43 to the north-east corner of Section 13 of said Township 43; thence westerly following the northerly boundaries of said Section 13 and of Sections 14, 15, 16, and 17 to the shore of Guise Bay; thence in a general north-easterly direction into and along the Pacific Ocean and Queen Charlotte Sound, passing to the north of Hope, Pine, and Storm Islands and to the south of Fox Island, to the centre line of Slingsby Channel; thence in an easterly direction along the centre lines of said Slingsby Channel and of Seymour Inlet to the mouth of the Seymour River; thence in a north-easterly direction to and along the divide between the waters flowing southerly into Wakeman and Kingcome Rivers and those flowing northerly into the Machmell River, and continuing north-easterly to and along the westerly boundary of the watershed of the Klinaklini River, to meet the height of land separating the waters flowing easterly into the Chilanko River and Tatla Lake from those flowing westerly into said Klinaklini River; thence in a south-westerly direction along said height of land to the point thereon which lies due north of the north-east corner of Lot 381, Range 2, Coast Land District; thence due south to said north-east corner; thence southerly following the easterly boundary of said Lot 381 to the south-east corner thereof; thence due south to the point due west of the south-west corner of Lot 1348 of said Range 2, Coast District; thence in a general southerly direction to and along the divide separating the waters flowing easterly into Sapeye and Middle Lakes, into Mosley Creek and the Homathko River, and into Loughborough Inlet and Heydon Bay from those flowing westerly into said Klinaklini River and into Knight Inlet, to the point on said divide which lies due north of the north-east corner of Lot 1840, Range 1, Coast Land District; thence due south to said north-east corner; thence southerly following the easterly boundary of said Lot 1840 to the south-east corner thereof; thence westerly following the southerly boundary of said Lot 1840 to the south-west corner thereof, being a point on the northerly shore of Topaze Harbour; thence due south to the centre line of said Topaze Harbour; thence in a south-westerly direction following said centre line of Topaze Harbour and that of Sunderland Channel to intersect the 126th meridian of west longitude aforesaid; thence south along said meridian to the point of commencement.

*Vital Statistics Registration District of
Campbell River.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at the point of intersection of the 50th parallel of north latitude with the 126th

meridian of west longitude; thence in a north-easterly direction to and around the headwaters of the Gold River to meet the divide between the waters flowing easterly into the Salmon and Campbell Rivers and into Buttle Lake from those flowing westerly into the Pacific Ocean; thence in a general south-easterly direction along said divide to intersect the height of land separating the waters flowing southerly into Drinkwater Creek and into Margaret and Deep Lakes from those flowing northerly into said Buttle Lake; thence in a general north-easterly direction along said height of land to meet the divide separating the waters flowing westerly into said Buttle Lake from those flowing easterly into Comox Lake and the Oyster River; thence in a general north-westerly direction along said divide, and continuing north-easterly along the westerly boundary of the watershed of said Oyster River to intersect the south boundary of Township 2, Sayward Land District; thence east along the south boundaries of said Township 2 and of Township 1 of said Sayward District to the south-east corner of said Township 1, being a point on the easterly coast of Vancouver Island; thence in a general north-easterly direction across Georgia Strait, and passing to the north of Sentry Shoal and midway between Savary and Hernando Islands to continue northerly along the centre of the fairway of Lewis Channel, and passing to the east of Powell Islets to the centre line of Deer Passage; thence in a north-easterly direction following said centre line of Deer Passage produced to intersect the centre line of Pryce Channel; thence in a north-westerly direction along said centre line of Pryce Channel to meet the centre line of Ramsay Arm; thence in a northerly direction along said centre line of Ramsay Arm to that point on the northerly shore of said arm which is met by the centre line of the more easterly of the two creeks flowing southerly into said Ramsay Arm; thence in a general north-easterly direction to and along the northerly boundary of the watershed of the Brem and Toba Rivers to intersect the divide separating the waters flowing easterly into the Lillooet River and into Chilko Lake from those flowing westerly into said Toba River and into the Southgate and Homathko Rivers; thence in a general north-westerly direction along said divide to the point thereon which lies due south of the south-west corner of Lot 332, Range 2, Coast Land District; thence due north to said south-west corner; thence westerly to and along the respective southerly boundaries of Lots 536 and 1357 to the more southerly south-west corner of said Lot 1357; thence due west to the point due south of the south-east corner of Lot 331; thence due north to said south-east corner; thence northerly following the easterly boundaries of said Lot 331 and of Lot 330 to the north-east corner of said Lot 330; thence due north to the point due east of the south-east corner of Lot 1348; thence due west to said south-east corner; thence westerly following the southerly boundary of said Lot 1348 to the south-west corner thereof; thence due west to the point due south of the south-east corner of Lot 381—all the lots herein above mentioned being in Range 2, Coast District aforesaid; thence in a general southerly direction to and along the divide separating the waters flowing easterly into Sapeye and Middle Lakes, into Mosley Creek and the Homathko River, and into Loughborough Inlet and Heydon Bay from those flowing westerly into the Klinaklini River and into Knight Inlet, to the point on said divide which lies due north of the north-east corner of Lot 1840, Range 1, Coast Land District; thence due south to said north-east corner; thence southerly following the easterly boundary of said Lot 1840 to the south-east corner thereof; thence westerly following the southerly boundary of said Lot 1840 to the south-west corner thereof, being a point on the northerly shore of Topaze Harbour; thence due south to the centre line of said Topaze Harbour; thence in a south-westerly direction following said centre line of Topaze Harbour and that of Sunderland Channel to intersect the 126th meridian of west longitude aforesaid; thence south along said meridian to the point of commencement.

*Vital Statistics Registration District of
Chemainus.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at that point on the northerly boundary of the watershed of Cowichan Lake where it is intersected by the divide separating the waters flowing southerly into the Chemainus River from those flowing northerly into Jump, Haslam, and Holland Creeks; thence in a general easterly direction following said divide to the point thereon which lies due west of the south-west corner of Lot 30, Oyster Land District; thence due east to said south-west corner; thence easterly following the southerly boundary of said Lot 30 to the south-east corner thereof; thence northerly following the easterly boundary of said Lot 30 to the north-east corner thereof; thence easterly following the southerly boundary of Section 3 of said Oyster District to the south-east corner thereof, being a point on the easterly shore of Vancouver Island; thence in a general south-easterly direction to and along the centre line of Stuart Channel to the point thereon which lies due east of the south-east corner of Section 1, Range XI., Chemainus Land District; thence westerly following the southerly boundaries of said Section 1, Range XI., and Section 1 in Ranges X. and IX. to the south-west corner of said Section 1, Range IX., Chemainus District; thence southerly following the easterly boundaries of Sections 20, 19, 18, 17, 16, 15, 14, 13, 12, and 11, all of Range VIII., Somenos Land District, to the south-east corner of said Section 11, Range VIII.; thence westerly following the southerly boundaries of Section 11 in Ranges VIII., VII., VI., V., IV., III., II., and I. of said Somenos District and in Ranges VIII., VII., and VI. of Seymour Land District to the south-west corner of said Section 11, Range VI., Seymour District; thence due west to the point due north of the north-west corner of Section 10, Range I., of Sahtlam Land District; thence due south to meet the divide separating the waters flowing southerly into the Cowichan River and into said Cowichan Lake from those flowing northerly into the Chemainus River aforesaid; thence in a north-westerly direction along said divide to the point of commencement.

*Vital Statistics Registration District of
Clayoquot.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at the point of intersection of the 50th parallel of north latitude with the 126th meridian of west longitude; thence in a north-easterly direction to and around the headwaters of the Gold River to meet the divide between the waters flowing easterly into the Salmon and Campbell Rivers, into Buttle, Great Central, and Sproat Lakes, and into the Alberni Canal from those flowing westerly into the Pacific Ocean; thence in a general south-easterly direction along said divide to meet the height of land separating the waters flowing easterly into Effingham River and into Toquart and Maggie Lakes from those flowing westerly into the Kennedy River and into Kennedy Lake; thence in a south-westerly direction along said height of land to the north-east corner of Lot 462, Clayoquot Land District; thence southerly following the easterly boundaries of said Lot 462 and of Lots 463 and 468, all of said Clayoquot District, to the re-entrant angle of said Lot 468; thence easterly following the more southerly portion of the northerly boundaries of said Lot 468 to the more easterly north-east corner thereof, being a point on the westerly shore of Ucluelet Arm; thence in a general south-easterly direction following said westerly shore-line to Amphitrite Point, and continuing south-easterly into and along the Pacific Ocean to meet the International Boundary-line between Canada and the United States of America; thence in a north-westerly direction along the Pacific Ocean to the north-west corner of Lot 223, Nootka Land District, being a point on the northerly shore of

Esperanza Inlet in the vicinity of Tatchu Point; thence easterly along the northerly boundary of said Lot 223 to the more northerly north-east corner thereof; thence in a north-easterly direction to and along the height of land separating the waters flowing westerly into the Pacific Ocean and into Kyuquot Sound from those flowing easterly into Port Eliza, Espinosa Arm, and the Zeballos River; thence in a north-easterly direction along said height of land to meet the divide separating the waters flowing northerly into the Nimpkish and White Rivers from those flowing southerly into the Pacific Ocean; thence in a general south-easterly direction along said divide to the point of commencement.

*Vital Statistics Registration District of
Courtenay.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at that point on the westerly boundary of the Esquimalt and Nanaimo Railway Company's Land Grant which lies due west of the theoretical south-west corner of Section 30, Township 10, Comox Land District—a point in Comox Lake, said point of commencement constituting the south-westerly corner of the Comox Land District aforesaid; thence due east to the south-westerly corner of Fractional Section 28 of said Township 10; thence easterly following the southerly boundaries of said Fractional Section 28 and of Sections 27, 26, and 25 of said Township 10 to the south-east corner of said Section 25; thence northerly following the westerly boundaries of Fractional Sections 30 and 31, Township 11, Nelson Land District, to the north-west corner of said Section 31; thence easterly following the northerly boundary of said Section 31 to the north-east corner thereof; thence southerly following the easterly boundary of said Section 31 to the south-west corner of Lot 152 of said Comox District; thence easterly following the southerly boundary of said Lot 152 and that of Lot 153 of said Comox District to the south-east corner of said Lot 153; thence northerly following the easterly boundary of said Lot 153 to the north-west corner of Fractional Section 32 of said Township 11, Nelson District; thence easterly following the northerly boundary of said Fractional Section 32 to the north-east corner thereof, being a point on the westerly boundary of Lot 86 of said Comox District; thence southerly, easterly, and northerly following the westerly, southerly, and easterly boundaries, respectively, of said Lot 86 to the north-east corner thereof, being a point on high-water-mark of Comox Harbour; thence in a general north-westerly direction to and along Georgia Strait and passing westerly to the north of Sentry Shoal to the south-east corner of Township 1, Sayward Land District; thence west along the south boundaries of said Township 1 and of Township 2 of said Sayward District to intersect the westerly boundary of the watershed of the Oyster River; thence in a south-westerly direction along said boundary of said watershed, and continuing in a general south-easterly direction to and along the divide separating the waters flowing westerly into Buttle Lake from those flowing easterly into said Oyster River and Comox Lake to the point of commencement.

*Vital Statistics Registration District of
Cumberland.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at that point on the westerly boundary of the Esquimalt and Nanaimo Railway Company's Land Grant which lies due west of the theoretical south-west corner of Section 30, Township 10, Comox Land District—a point in Comox Lake, said point of commencement constituting the south-westerly corner of the Comox Land District aforesaid; thence due east to the south-westerly corner of Fractional Section 28 of said Township 10; thence easterly following the southerly boundaries of said Fractional Section 28 and of Sections 27, 26, and 25 of said Township 10

to the south-east corner of said Section 25; thence northerly following the westerly boundaries of Fractional Sections 30 and 31, Township 11, Nelson Land District, to the north-west corner of said Section 31; thence easterly following the northerly boundary of said Section 31 to the north-east corner thereof; thence southerly following the easterly boundary of said Section 31 to the south-west corner of Lot 152 of said Comox District; thence easterly following the southerly boundary of said Lot 152 and that of Lot 153 of said Comox District to the south-east corner of said Lot 153; thence northerly following the easterly boundary of said Lot 153 to the north-west corner of Fractional Section 32 of said Township 11, Nelson District; thence easterly following the northerly boundary of said Fractional Section 32 to the north-east corner thereof, being a point on the westerly boundary of Lot 86 of said Comox District; thence southerly, easterly, and northerly following the westerly, southerly, and easterly boundaries, respectively, of said Lot 86 to the north-east corner thereof, being a point on high-water mark of Comox Harbour; thence in a general south-easterly direction to and along Georgia Strait, and passing to and along the centre line of Sabine Channel and continuing thence south-westerly, passing to the south of Sangster Island, to a point due east of the south-east corner of Qualicum Indian Reserve, situate in the Newcastle Land District; thence due west to said south-east corner; thence westerly following the southerly boundary of said Indian reserve to the south-west corner thereof; thence northerly following the westerly boundary of said Indian reserve to the south-east corner of Lot 20 of said Newcastle District; thence westerly following the southerly boundaries of said Lot 20 and of Lot 32 of said Newcastle District to the south-west corner of said Lot 32; thence southerly following the easterly boundary of Lot 84 of said Newcastle District to the more northerly south-east corner thereof; thence westerly, southerly, and westerly following the respective external boundaries of said Lot 84 to the more southerly south-west corner thereof; thence northerly following the westerly boundary of said Lot 84 to the point thereon which lies due east of the north-east corner of Lot 253, Alberni Land District; thence due west to intersect the height of land separating the waters flowing easterly into said Georgia Strait from those flowing westerly into the Alberni Canal; thence in a north-westerly direction along said height of land to intersect the divide separating the waters flowing northerly into Comox Lake from those flowing southerly into the Ash River; thence westerly along said divide to meet the height of land separating the waters flowing easterly into said Comox Lake and the Oyster River from those flowing westerly into Buttle Lake; thence in a general northerly direction following said height of land to the point of commencement.

*Vital Statistics Registration District of
Duncan.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at that point on the centre line of Stuart Channel which lies due east of the south-east corner of Section 1, Range XI., Chemainus Land District; thence west to said south-east corner; thence westerly following the southerly boundaries of said Section 1, Range XI., and Section 1 in Ranges X. and IX. to the south-west corner of said Section 1, Range IX., Chemainus District; thence southerly following the easterly boundaries of Sections 20, 19, 18, 17, 16, 15, 14, 13, 12, and 11, all of Range VIII., Somenos Land District, to the south-east corner of said Section 11, Range VIII.; thence westerly following the southerly boundaries of Section 11 in Ranges VIII., VII., VI., V., IV., III., II., and I. of said Somenos District, and in Ranges VIII., VII., and VI. of Seymour Land District, to the south-west corner of said Section 11, Range VI., Seymour District; thence due west to the point due north of the north-west corner of Section 10, Range I., of Sahtlam Land District; thence due south to meet the divide separating the waters flowing southerly into the

Cowichan River and into Cowichan Lake from those flowing northerly into the Chemainus River, Jump Creek, and the Nanaimo River; thence in a north-westerly direction along said divide to meet the height of land separating the waters flowing westerly into the Nitinat River and into Nitinat Lake from those flowing easterly into said Cowichan Lake; thence in a general southerly direction along said height of land to the point on same which lies due north of the north-east corner of Section 14, Township 2, of Cowichan Lake Land District; thence westerly following the northerly boundary of said Section 14 to the north-west corner thereof; thence southerly following the westerly boundaries of said Section 14 of said Township 2 and of Section 45 of said Cowichan Lake District to the south-west corner of said Section 45; thence easterly following the southerly boundary of said Section 45 to intersect again the height of land aforesaid; thence in a general southerly direction following said height of land to meet the southerly boundary of the watershed of said Cowichan Lake and Cowichan River and of the Koksilah River; thence in an easterly direction following said boundary of said watershed to the point on same which lies due west of the north-west corner of Lot 3, Malahat Land District; thence due east to said north-west corner; thence easterly following the northerly boundary of said Lot 3 to the north-east corner thereof; thence due east to the point due south of the south-east corner of Lot 104 of said Malahat District; thence due north to said south-east corner; thence northerly following the easterly boundary of said Lot 104 to the point thereon which lies due west of the south-east corner of Lot 102 of said Malahat District; thence east to said south-east corner; thence easterly following the southerly boundary of said Lot 102 to the south-east corner thereof, being a point on the westerly shore of Saanich Inlet; thence due east to the centre line of said Saanich Inlet; thence in a northerly direction following the centre lines of said Saanich Inlet, of the Sansum Narrows, and of Stuart Channel to the point of commencement.

*Vital Statistics Registration District of
Ganges.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at that point on the centre line of Stuart Channel which lies due east of the south-east corner of Section 1, Range XI., Chemainus Land District; thence in a general south-easterly direction along the centre lines of said Stuart Channel, of the Sansum Narrows, and of Satellite Channel and Shute Passage produced easterly to meet the International Boundary-line between Canada and the United States of America; thence north-easterly, north, and north-westerly following said International Boundary-line to the 49th parallel of north latitude; thence westerly to and along the centre line of Porlier Passage, to pass in a general south-westerly direction to and along the centre line of Houston Passage, passing to the east of Reid, Hall, and the Secretary Islands, to the north of Wallace Island, and to the south of Jackscrew and Tent Islands, to the centre line of Stuart Channel aforesaid; thence in a south-easterly direction following said centre line of Stuart Channel to the point of commencement.

*Vital Statistics Registration District of
Ladysmith.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at that point on the divide separating the waters flowing southerly into the Chemainus River from those flowing northerly into Jump, Haslam, and Holland Creeks which lies due south of the south-west corner of Section 1, Range I., Mountain Land District; thence due north to the point due west of the south-west corner of Section 1, Range I., Cranberry Land District; thence due east to said south-west corner; thence easterly following the southerly boundaries of said Section 1, Range I., and of Section 1 in Ranges II., III., IV., V., VI., VII., and VIII. of said Cranberry District,

and of Section 1 in Ranges I., II., III., IV., V., VI., and VII. of Cedar Land District, to the south-east corner of said Section 1, Range I., Cedar District, being a point on the easterly shore of Vancouver Island; thence in a south-easterly direction to and along the centre line of Stuart Channel, passing to the north of Miami Island and to the east of Reid and Hall Islands, and continuing thence south-westerly to and along Houston Passage, passing to the north of Wallace Island and to the south of the Secretary Islands, Jackscrew Island, and Tent Island, to the centre of the fairway of Stuart Channel aforesaid; thence in a north-westerly direction along the centre of said fairway to the point thereon which lies due east of the south-east corner of Section 3, Oyster Land District, being a point on the easterly shore of Vancouver Island aforesaid; thence due west to said south-east corner; thence westerly following the southerly boundary of said Section 3 to the north-east corner of Lot 30 of said Oyster District; thence southerly following the easterly boundary of said Lot 30 to the south-east corner thereof; thence westerly following the southerly boundary of said Lot 30 to the south-west corner thereof; thence due west to meet the divide separating the waters flowing southerly into said Chemainus River from those flowing northerly into Jump, Haslam, and Holland Creeks aforesaid; thence in a general north-westerly direction along said divide to the point of commencement.

*Vital Statistics Registration District of
Nanaimo.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at that point on the easterly boundary of the watershed of Cowichan Lake where it is intersected by the divide separating the waters flowing southerly into the Chemainus River from those flowing northerly into Jump, Haslam, and Holland Creeks; thence in a north-easterly direction along said divide to the point on same which lies due south of the south-west corner of Section 1, Range I., Mountain Land District; thence due north to the point due west of the south-west corner of Section 1, Range I., Cranberry Land District; thence due east to said south-west corner; thence easterly following the southerly boundaries of said Section 1, Range I., and of Section 1 in Ranges II., III., IV., V., VI., VII., and VIII. of said Cranberry District, and of Section 1 in Ranges I., II., III., IV., V., VI., and VII. of Cedar Land District, to the south-east corner of said Section 1, Range I., Cedar District, being a point on the easterly shore of Vancouver Island; thence in a south-easterly direction to and along the centre line of Stuart Channel, passing to the north of Miami Island and continuing easterly to and along the centre line of Porlier Pass to the centre of the fairway of Georgia Strait; thence in a north-westerly direction along said Georgia Strait to a point due east of the south-east corner of Qualicum Indian Reserve, situate in the Newcastle Land District; thence due west to said south-east corner; thence westerly following the southerly boundary of said Indian reserve to the south-west corner thereof; thence northerly following the westerly boundary of said Indian reserve to the south-east corner of Lot 20 of said Newcastle District; thence westerly following the southerly boundaries of said Lot 20 and of Lot 32 of said Newcastle District to the south-west corner of said Lot 32; thence southerly following the easterly boundary of Lot 84 of said Newcastle District to the more northerly south-east corner thereof; thence westerly, southerly, and westerly following the respective external boundaries of said Lot 84 to the more southerly south-west corner thereof; thence northerly following the westerly boundary of said Lot 84 to the point thereon which lies due east of the north-east corner of Lot 253, Alberni Land District; thence due west to intersect the height of land separating the waters flowing easterly into said Georgia Strait from those flowing westerly into the Alberni Canal and into Nitinat Lake; thence in a south-easterly direction along said divide to the point of commencement.

*Vital Statistics Registration District of
Powell River.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at that point in Georgia Strait which lies to the north of Sentry Shoal and is intersected by the centre line of the fairway between Hernando and Savary Islands produced south-westerly; thence in a north-easterly direction to and along said centre of the fairway between Hernando and Savary Islands, and continuing northerly along the centre of the fairway of Lewis Channel, and passing to the east of Powell Islets, to the centre line of Deer Passage; thence in a north-easterly direction following said centre line of Deer Passage produced to intersect the centre line of Pryce Channel; thence in a north-westerly direction along said centre line of Pryce Channel to meet the centre line of Ramsay Arm; thence in a northerly direction along said centre line of Ramsay Arm to that point on the northerly shore of said arm which is met by the centre line of the more easterly of the two creeks flowing southerly into said Ramsay Arm; thence in a general north-easterly direction to and along the northerly boundary of the watershed of the Brem and Toba Rivers to intersect the divide separating the waters flowing easterly into the Lillooet River and into Chilko Lake from those flowing westerly into said Toba River and into the Southgate and Homathko Rivers; thence in a south-easterly direction following said divide and that separating the Elaho River from Loquilt Creek to the parallel of north latitude of fifty degrees and fourteen minutes (50° 14'); thence west along said parallel of latitude to meet the height of land separating the waters flowing easterly into the Skwawka and Britannia Rivers from those flowing westerly into the Eldred (Upper Goat) River; thence in a southerly direction along said height of land to the point thereon which lies due north of the north-west corner of Lot 3557, Group 1, New Westminster District; thence south to said north-west corner; thence southerly along the westerly boundary of said Lot 3557 to the shore-line of Hotham Sound; thence in a general south-westerly direction to and along the centre lines of said Hotham Sound and of Jervis Inlet, and passing to the north of Hardy Island, to the centre of Malaspina Strait; thence south-easterly along said centre line of Malaspina Strait to meet the centre line of Georgia Strait; thence in a north-westerly direction to and along the centre of the fairway separating Texada Island from Jedidiah and Jervis Islands, and continuing north-westerly to and along said Georgia Strait to the point of commencement.

*Vital Statistics Registration District of
Quatsino.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at the north-west corner of Lot 223, Nootka Land District, being a point on the northerly shore of Esperanza Inlet in the vicinity of Tatchu Point; thence easterly along the northerly boundary of said Lot 223 to the more northerly north-east corner thereof; thence in a north-easterly direction to and along the height of land separating the waters flowing westerly into the Pacific Ocean and into Kyuquot Sound from those flowing easterly into Port Eliza, Espinosa Arm, and the Zeballos River, to meet the divide separating the waters flowing northerly into Johnstone Strait and Queen Charlotte Strait from those flowing southerly into said Kyuquot Sound and into Quatsino Sound, San Josef Bay, and the Pacific Ocean; thence in a north-westerly direction along said divide to intersect the easterly boundary of Township 4, Rupert Land District; thence northerly along said easterly boundary of said Township 4 to the north-east corner thereof; thence westerly following the northerly boundaries of said Township 4 and of Township 10 to the north-west corner of said Township 10; thence northerly following the easterly boundary of Township 20 to the north-east corner of Section 13 of said Township 20; thence westerly following the northerly

boundaries of said Section 13 and of Sections 14, 15, 16, 17, and 18 of said Township 20 to the north-west corner of said Section 18; thence northerly following the easterly boundary of Township 25 to the north-east corner thereof; thence westerly following the southerly boundaries of Townships 24, 33, 36, and 42 to the south-west corner of said Township 42; thence northerly following the easterly boundary of Township 43 to the north-east corner of Section 13 of said Township 43; thence westerly following the northerly boundaries of said Section 13 and of Sections 14, 15, 16, and 17 to the shore of Guise Bay; thence in a north-westerly direction into and along the Pacific Ocean, and passing to the north of Cox, Lanz, and Triangle Islands, to continue south-easterly, around said Triangle Island, along the Pacific Ocean to the point of commencement.

*Vital Statistics Registration District of
Sidney.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at that point on the centre line of Saanich Inlet which lies due west of the north-west corner of Section 1, Range III. west, Victoria Land District, said corner being a point on the easterly shore of the Saanich Peninsula; thence due east to said north-west corner; thence easterly following the northerly boundaries of said Section 1 of Range III. west, and of Section 1 of Ranges II. and I. west, and of Ranges I., II., III., and IV. east, to the north-east corner of said Section 1, Range IV. east, being a point on the westerly shore of Cordova Channel; thence due east to the centre line of said Cordova Channel; thence in a south-easterly direction following said centre line of Cordova Channel, and passing easterly to and along the centre of the fairway between D'Arcy and Sidney Islands, to intersect the International Boundary-line between Canada and the United States of America; thence northerly along said International Boundary-line to meet the centre line of Prevost Passage produced easterly; thence in a westerly direction to and along the centre lines of said Prevost Passage, of Shute Passage, and of Satellite Channel produced to the centre line of Saanich Inlet aforesaid; thence southerly along said centre line of Saanich Inlet to the point of commencement.

*Vital Statistics Registration District of
Victoria.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at the point of intersection of the centre line of Haro Strait with the centre line of the fairway between Sidney and D'Arcy Islands produced easterly, being a point on the International Boundary-line between Canada and the United States of America; thence in a southerly direction following said International Boundary-line and continuing in a westerly direction along said boundary-line in Juan de Fuca Strait to the point due south of the south-east corner of Lot 58, Barclay Land District; thence due north to said south-east corner; thence northerly following the easterly boundaries of said Lot 58 and of Lot 59 to the north-east corner of said Lot 59; thence westerly following the northerly boundary of said Lot 59 to the more northerly north-west corner thereof; thence northerly following the westerly boundary of Lot 522 to the north-west corner thereof; thence easterly following the northerly boundaries of said Lot 522 and of Lot 528 to the north-east corner of said Lot 528; thence northerly following the easterly boundary of Lot 547 to the north-east corner thereof; thence easterly following the southerly boundaries of Lots 548 and 549 to the south-east corner of said Lot 549—all the above-named lots lying in the Barclay Land District aforesaid; thence in a general north-easterly direction to and along the height of land separating the waters flowing easterly into Nitinat Lake and the Nitinat River from those flowing westerly into the Klanawa, Sarita, and Harrison

Rivers and into the Alberni Canal, to meet the divide separating the waters flowing easterly into the Nanaimo River and into Cowichan Lake from those flowing westerly into the Nitinat River aforesaid; thence in a general southerly direction along said height of land to the point on same which lies due north of the north-east corner of Section 14, Township 2, of Cowichan Lake Land District; thence westerly following the northerly boundary of said Section 14 to the north-west corner thereof; thence southerly following the westerly boundaries of said Section 14 of said Township 2 and of Section 45 of said Cowichan Lake Land District to the south-west corner of said Section 45; thence easterly following the southerly boundary of said Section 45 to intersect again the height of land aforesaid; thence in a general southerly direction following said height of land to meet the southerly boundary of the watershed of said Cowichan Lake and Cowichan River and of the Koksilah River; thence in an easterly direction following said boundary of said watershed to the point on same which lies due west of the north-west corner of Lot 3, Malahat Land District; thence due east to said north-west corner; thence easterly following the northerly boundary of said Lot 3 to the north-east corner thereof; thence due east to the point due south of the south-east corner of Lot 104 of said Malahat District; thence due north to said south-east corner; thence northerly following the easterly boundary of said Lot 104 to the point thereon which lies due west of the south-east corner of Lot 102 of said Malahat District; thence east to said south-east corner; thence easterly following the southerly boundary of said Lot 102 to the south-east corner thereof, being a point on the westerly shore of Saanich Inlet; thence due east to the centre line of said Saanich Inlet; thence in a southerly direction following said centre line of Saanich Inlet to the point on same which lies due west of the north-west corner of Section 1, Range III. west, Victoria Land District, said corner being a point on the easterly shore of the Saanich Peninsula; thence due east to said north-west corner; thence easterly following the northerly boundaries of said Section 1 of Range III. west, and of Section 1 of Ranges II. and I. west, and of Ranges I., II., III., and IV. east, to the north-east corner of said Section 1, Range IV. east, being a point on the westerly shore of Cordova Channel; thence due east to the centre line of said Cordova Channel; thence in a south-easterly direction following said centre line of Cordova Channel and passing easterly to and along the centre of the fairway between D'Arcy and Sidney Islands to the point of commencement.

DIVISION No. 2.

*Vital Statistics Registration District of
North Vancouver.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Consisting of all that area comprised within the boundaries of the City of North Vancouver and the Municipalities of North Vancouver and West Vancouver.

*Vital Statistics Registration District of
Squamish.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at the point of intersection of the centre line of the Indian River with the northerly boundary of the Railway Belt; thence east along said northerly boundary of the Railway Belt to meet the westerly boundary of the watershed of the Pitt River; thence in a northerly direction following said boundary of said watershed to meet the divide separating the waters flowing northerly into the Cheakamus River from those flowing south into said Pitt River; thence in an easterly direction along said divide to the easterly boundary of the watershed of said Cheakamus River; thence in a northerly direction following said boundary of said watershed to meet the northerly boundary of the watershed of the Cheakamus River aforesaid;

thence in a north-westerly direction along said northerly boundary of said watershed to meet the westerly boundary of the watershed of Fitzsimmons Creek; thence in a northerly direction following said boundary of said watershed to the point thereon which lies due south of the south-east corner of Lot 4753, New Westminster Land District; thence due north to said south-east corner; thence northerly following the easterly boundaries of said Lot 4753 and of Lot 3860 to the north-east corner of said Lot 3860; thence westerly following the southerly boundaries of Lots 1757, 2105, and 2106 to the south-west corner of said Lot 2106; thence in a north-westerly direction to and along the southerly boundary of the watershed of the Soo River to the parallel of north latitude of fifty degrees and fourteen minutes ($50^{\circ} 14'$); thence west along said parallel of latitude to intersect the westerly boundary of the watershed of the Elaho River; thence in a south-easterly direction following said boundary of said watershed and that of the Squamish River to the point thereon which lies due north of the north-east corner of Lot 2351; thence due south to said north-east corner; thence westerly, southerly, and easterly following the northerly, westerly, and southerly boundaries, respectively, of said Lot 2351 to the south-east corner thereof, being a point of the westerly shore of Howe Sound; thence due east to the centre line of said Howe Sound; thence in a southerly direction along said centre line to the point thereon which lies due west of the south-west corner of Lot 1583; thence due east to said south-west corner; thence easterly following the southerly boundaries of said Lot 1583 and of Lot 2617 to the south-east corner of said Lot 2617; thence due east to intersect the divide separating the waters flowing southerly into Seymour and Furry Creeks from those flowing northerly into Britannia Creek; thence in an easterly direction along said divide to meet the easterly boundary of the watershed of the Stawamus River; thence northerly following said boundary of said watershed to the point thereon which lies due east of the extreme headwaters of the Indian River; thence due east to said headwaters of the Indian River; thence in a southerly direction along the centre line of said Indian River to the point of commencement. All the lots herein above mentioned lie in the New Westminster Land District aforesaid.

*Vital Statistics Registration District of
Vancouver.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at the south-westerly corner of New Westminster City, being a point on the southerly shore of Lulu Island; thence northerly following the westerly boundary of said city produced to the centre line of the North Arm of the Fraser River; thence in a westerly direction following said centre line of said North Arm and passing to the north of Tree Island to the point on said centre line which lies due south of the south-east corner of the City of Vancouver; thence due north to said south-east corner; thence northerly following the easterly boundary of said city produced to the centre line of Burrard Inlet; thence easterly and northerly along the centre line of said Burrard Inlet and of Indian Arm, and passing to the east of Lot 177, New Westminster Land District, and of Croker Island, and to the west of Boulder, Jug, Racoon, and Twin Islands, to the head of said Indian Arm, and continuing northerly to and along the centre line of the Indian River to the headwaters thereof; thence due west to meet the easterly boundary of the watershed of the Stawamus River; thence southerly following said boundary of said watershed to intersect the divide separating the waters flowing southerly into Seymour and Furry Creeks from those flowing northerly into Britannia Creek; thence in a westerly direction following said divide to the point thereon which lies due east of the south-east corner of Lot 2617; thence due west to said south-east corner; thence westerly following the southerly boundaries of said Lot 2617 and of Lot 1583 to the

south-west corner of said Lot 1583, being a point on the easterly shore of Howe Sound; thence due west to the centre line of said Howe Sound; thence in a northerly direction along said centre line to the point thereon which lies due east of the south-east corner of Lot 2351; thence due west to said south-east corner; thence westerly, northerly, and easterly following the southerly, westerly, and northerly boundaries respectively of said Lot 2351 to the north-east corner of said Lot 2351; thence due north to meet the westerly boundary of the watershed of the Squamish River; thence in a general north-westerly direction following said boundary of said watershed and that of the Elaho River to the parallel of north latitude of fifty degrees and fourteen minutes ($50^{\circ} 14'$); thence west along said parallel to meet the height of land separating the waters flowing easterly into the Skwawka and Britannia Rivers from those flowing westerly into the Eldred (Upper Goat) River; thence in a southerly direction along said height of land to the point thereon which lies due north of the north-west corner of Lot 3557; thence due south to said north-west corner; thence southerly along the westerly boundary of said Lot 3557 to the shore-line of Hotham Sound; thence in a general south-westerly direction to and along the centre lines of said Hotham Sound and of Jarvis Inlet and passing to the north of Hardy Island to the centre of Malaspina Strait; thence in a general south-easterly direction along said centre line of Malaspina Strait and that of Georgia Strait produced to the mouth of the Fraser River; thence in an easterly direction to and along the boundary-line between the Municipalities of Richmond and Delta to the point of commencement; excepting thereout and therefrom of the above-described area the City of North Vancouver and the Municipalities of North Vancouver and West Vancouver. All the lots herein above mentioned lie in the New Westminster Land District aforesaid.

DIVISION No. 3.

*Vital Statistics Registration District of
Abbotsford.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at the south-east corner of Township 19, east of the Coast meridian of the Dominion system of townships, being a point on the International Boundary-line between Canada and the United States of America; thence north along the east boundary of said Township 19 to the north-east corner of the South-east Quarter of Section 13 of said Township 19; thence east and north along the south and east boundaries, respectively, of the North-west Quarter of Section 18 of Township 22, east of said Coast meridian; thence along the north boundary of said Section 18 to the north-east corner thereof; thence north along the east boundary of Section 19 of said Township 22 to the north-east corner thereof; thence west along the north boundary of said Section 19 for a distance of one thousand seven hundred and forty-one and four-tenths (1,741.4) feet; thence on a bearing of $N. 0^{\circ} 07' W.$, referred to the central meridian of said Township 19, for a distance of ten thousand four hundred and ninety-four and two-tenths (10,494.2) feet; thence on a bearing $N. 0^{\circ} 02' E.$, referred to the aforesaid meridian, for a distance of six thousand two hundred (6,200) feet, more or less, to the centre of the Vedder Canal as now constructed; thence in a north-westerly direction along said centre line of the Vedder Canal produced to intersect the centre line of the Sumas River; thence in a northerly direction along said centre line of the Sumas River produced to meet the centre line of the Fraser River; thence in a westerly direction following said centre line of the Fraser River, and passing to the south of the islands forming part of the Matsqui Indian Reserve and to the north of Crescent Island, to pass in a southerly direction (to the west of said Crescent Island) to the point of juncture of the centre line of Section 32, Township 14, east of said Coast meridian, with the southerly shore of said Fraser River; thence southerly following the centre lines of said Section 32 and of Sections 29, 20, 17,

8, and 5 of said Township 14 and those of Sections 32, 29, 20, 17, 8, and 5 of Township 13, east of said Coast meridian, to intersect the International Boundary aforesaid; thence east along said International Boundary to the point of commencement.

*Vital Statistics Registration District of
Chilliwack.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at the south-east corner of Township 19, east of the Coast meridian of the Dominion system of townships, being a point on the International Boundary-line between Canada and the United States of America; thence north along the east boundary of said Township 19 to the north-east corner of the South-east Quarter of Section 13 of said Township 19; thence east and north along the south and east boundaries, respectively, of the North-west Quarter of Section 18 of Township 22, east of the Coast meridian; thence east along the north boundary of said Section 18 to the north-east corner thereof; thence north along the east boundary of Section 19 of said Township 22 to the north-east corner thereof; thence west along the north boundary of said Section 19 for a distance of one thousand seven hundred and forty-one and four-tenths (1,741.4) feet; thence on a bearing of N. 0° 07' W., referred to the central meridian of said Township 19, for a distance of ten thousand four hundred and ninety-four and two-tenths (10,494.2) feet; thence on a bearing of N. 0° 02' E., referred to the aforesaid meridian, for a distance of six thousand two hundred (6,200) feet, more or less, to the centre of Vedder Canal as now constructed; thence in a north-westerly direction along said centre line of the Vedder Canal produced to intersect the centre line of the Sumas River; thence in a northerly direction along said centre line of the Sumas River produced to meet the centre line of the Fraser River; thence in an easterly direction following said centre line of the Fraser River (passing to the south of all the islands which lie in said river) to meet the southerly production of the centre line of Harrison River; thence in a general north-westerly direction to and along the centre lines of said Harrison River and those of Harrison Lake, Lillooet River, and Lillooet Lake (passing to the west of the group of islands situate in Section 1, Township 4, Range 30, to the west of Echo Island, and to the east of Long Island) to the point on the centre line of said Lillooet Lake which lies due east of the north-east corner of Lot 5536, New Westminster Land District; thence in an easterly direction to and along the northerly boundary of the watershed of Rogers Creek to intersect the divide between said Rogers Creek and Lizzie Creek; thence in a northerly direction along said divide to the northerly boundary of the watershed of said Rogers Creek; thence in an easterly direction following said northerly boundary of the watershed of Rogers Creek to intersect the easterly boundary of the watershed of the Lillooet River aforesaid; thence in a southerly direction following said boundary of the watershed of the Lillooet River to the southerly boundary of the watershed of Nahatlatch River; thence in an easterly direction following said boundary of said watershed produced to the south-west corner of Section 5, Township 11, Range 29, west of the 6th meridian, being a point on the westerly limit of the Railway Belt; thence east along the south boundary of said Township 11, Range 29, and the north boundaries of Township 10 in Ranges 29 and 28 to the north-west corner of Township 10, Range 27; thence south along the west boundaries of said Township 10, Range 27, and of Townships 9, 8, and 7 in Range 27 to the south-west corner of said Township 7, Range 27; thence east along the south boundary of said Township 7, Range 27, and the north boundary of Township 6, Range 27, to the north-west corner of Township 6, Range 26; thence south along the west boundaries of said Township 6, Range 26, and of Townships 5, 4, and 3 in said Range 26 to the south-west corner of said Township 3, Range 26; thence east along the south boundary of said Township 3 to the north-west corner of Section 35 of Township 2, Range 26; thence south along the west boundaries of said Section 35 and Sections 26,

23, 14, 11, and 2 of said Township 2 to the south-west corner of Section 2; thence east along the south boundary of said Township 2, Range 26, to the south-east corner thereof, being a point on the easterly limit of the Railway Belt aforesaid; thence following said limit of the Railway Belt to the point of intersection therewith of the divide separating the waters flowing westerly into Chilliwack Lake from those flowing easterly into Maselpalik Creek; thence in a south-easterly direction along said divide to the International Boundary aforesaid; thence west along said boundary-line to the point of commencement.

*Vital Statistics Registration District of
Hope.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at the south-west corner of Township 8, Range 27, west of the 6th meridian, being a point within the confines of the Dominion Railway Belt; thence east along the south boundaries of Township 8 in Range 27 and in Ranges 26, 25, and 24 to the south-east corner of said Township 8, Range 24; thence north along the east boundary of said Township 8, Range 24, to the north-east corner thereof; thence east along the north boundaries of Township 8 in Ranges 23 and 22 to the north-east corner of Section 31 of said Township 8, Range 22, being a point on the easterly limit of said Railway Belt; thence southerly following said easterly limit of the Railway Belt to the south-east corner of Section 6, Township 7, Range 22; thence west along the north boundaries of Township 6 in Ranges 22 and 23 to the north-west corner of said Township 6, Range 23; thence south along the east boundaries of Townships 6 and 5 in Range 24 to the south-east corner of Section 24 of said Township 5, Range 24; thence west along the north boundaries of Sections 13, 14, and 15 of said township to the north-west corner of said Section 15; thence south along the west boundaries of said Section 15 and of Sections 10 and 3 of said Township 5 and of Sections 34, 27, 22, 15, 10, and 3 of Township 4, Range 24, to the south-west corner of said Section 3; thence east along the south boundaries of said Township 24, Range 24, and of Township 4 in Range 23 to the south-east corner of Section 4 of said Township 4, Range 23, being a point on the easterly limit of the Railway Belt aforesaid; thence northerly following said easterly limit of the Railway Belt to the north-east corner of Section 15 of said Township 4, Range 23; thence due east to meet the divide separating the waters flowing northerly into the Tulameen River from those flowing southerly into the Skagit River; thence in a general easterly direction along said divide and passing to and around the headwaters of Skaist Creek to meet the height of land separating the waters flowing easterly into the Similkameen River from those flowing westerly into said Skagit River; thence in a general south-westerly direction along said height of land to the International Boundary-line between Canada and the United States of America; thence west along said International Boundary to the point thereon which is intersected by the divide separating the waters flowing easterly into Maselpalik Creek from those flowing westerly into Chilliwack Lake; thence in a north-westerly direction along said divide to the point of intersection thereof with the easterly limit of the Railway Belt aforesaid; thence following said limit of the Railway Belt to the south-east corner of Township 2, Range 26, west of the 6th meridian; thence west along said boundary of said township to the south-west corner of Section 2 of said Township 2, Range 26; thence north along the west boundaries of said Section 2 and of Sections 11, 14, 23, 26, and 35 of said township to the south boundary of Township 3, Range 26; thence west along said south boundary to the south-west corner of said Township 3, Range 26; thence north along the west boundaries of said Township 3 and of Townships 4, 5, and 6 of said Range 26 to the north-west corner of said Township 6, Range 26; thence west along the south boundaries of Township 7, Range 26, and of Township 7, Range 27, to the south-west corner of said Township 7, Range 27; thence north along the west boundary of said Township 7, Range 27, to the point of commencement.

*Vital Statistics Registration District of
Ladner.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Consisting of the whole of the area comprised within the Municipality of Delta.

*Vital Statistics Registration District of
Mission City.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at the point of intersection of the centre line of the Fraser River with that of the Stave River produced southerly; thence in a northerly direction to and along said centre line of Stave River to the point thereon which lies due east of the north-east corner of Lot 440, New Westminster District; thence due west to said north-east corner; thence westerly following the northerly boundary of said Lot 440 to the point of intersection therewith of the westerly boundary of Section 3 of Township 15, New Westminster District; thence northerly along the westerly boundaries of said Section 3 and of Sections 10, 15, 22, 27, and 34 of said Township 15 to the north-west corner of said Section 34; thence due north to meet the south boundary of Section 1, Township 4, Range 4, west of the 7th meridian of the Dominion system of townships; thence east along the south boundary of said Section 1 to the south-east corner thereof; thence north along the east boundaries of said Township 4, Range 4, and of Townships 5 and 6 in said Range 4 to the north-east corner of Section 12 of said Township 6, Range 4, being a point on the northerly boundary of the Railway Belt; thence west along the north boundary of said Section 12 to meet the westerly boundary of the watershed of the Stave River aforesaid; thence in a northerly direction following said boundary of said watershed and that of the Lillooet River to meet the divide between Billy Goat Creek and Cheakamus River; thence in a north-westerly direction along said divide and continuing north-westerly to and along the height of land separating said Billy Goat Creek from Fitzsimmons Creek to meet the northerly boundary of the watershed of said Billy Goat Creek; thence in a general easterly direction following said boundary of said watershed to the point thereon which lies due west of the north-west corner of Lot 5536, New Westminster District; thence due east to said north-west corner; thence easterly following the northerly boundary of said Lot 5536 to the north-east corner thereof; thence due east to the centre line of the Lillooet Lake; thence in a general south-easterly direction along the centre lines of said Lillooet Lake, of Lillooet River, Harrison Lake, and Harrison River (passing to the east of Long Island and to the west of Echo Island and the group of islands situate in Section 1, Township 4, Range 30, west of the 6th meridian) produced to the centre line of the Fraser River aforesaid; thence in a westerly direction following said centre line of the Fraser River (passing to the south of all islands which lie in said river, except Crescent Island) to the point of commencement.

*Vital Statistics Registration District of
New Westminster.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at the point of intersection of the northerly shore of Mud Bay with the easterly boundary of Township 4, New Westminster District; thence northerly following said easterly boundary of said Township 4 to the north-east corner thereof; thence westerly following the northerly boundary of said Township 4 to intersect the southerly shore of the Fraser River; thence due west to the centre line of said Fraser River; thence in a northerly direction following said centre line of said river to meet the easterly production of the centre line of Annacis Channel; thence in a south-westerly direction to and along said centre line of Annacis Channel (and passing to the north of Patrick Island) to the point thereon which lies due

south of the south-westerly corner of the City of New Westminster; thence due north to said south-westerly corner, being a point on the southerly shore of Lulu Island; thence northerly following the westerly boundary of said city produced to the centre line of the North Arm of the Fraser River; thence in a westerly direction following said centre line of said North Arm and passing to the north of Tree Island to the point on said centre line which lies due south of the south-east corner of the City of Vancouver; thence due north to said south-east corner; thence northerly following the easterly boundary of said city produced to the centre line of Burrard Inlet; thence easterly and northerly along the centre lines of said Burrard Inlet and of Indian Arm, and passing to the east of Lot 177, New Westminster Land District, and of Croker Island, and to the west of Boulder, Jug, Racoon, and Twin Islands, to the head of said Indian Arm, and continuing northerly to and along the centre line of the Indian River to the northerly boundary of the Railway Belt; thence east along said northerly boundary of the Railway Belt to meet the westerly boundary of the watershed of the Pitt River; thence in a northerly direction following said boundary of said watershed to meet the divide separating the waters flowing northerly into the Cheakamus River from those flowing southerly into said Pitt River; thence easterly along said divide to meet the easterly boundary of the watershed of said Pitt River; thence in a southerly direction following said boundary of said watershed to the point thereon which lies due east of the south-east corner of Lot 4117, New Westminster Land District; thence due west to said south-east corner; thence westerly along the southerly boundary of said Lot 4117 to the south-west corner thereof; thence due west to the centre line of Pitt Lake; thence in a south-westerly direction along the centre lines of said Pitt Lake and of Pitt River (passing to the west of Goose Island and to the east of the island situate in Section 9, Township 40, east of the Coast meridian) produced to intersect the centre line of said Fraser River; thence in an easterly direction following said centre line of the Fraser River (passing to the south of Douglas Island, to the north of Barnston and McMillan Islands, and to the west of Crescent Island) to the point of juncture of the southerly shore of said Fraser River with the centre line of Section 32, Township 14, east of the Coast meridian; thence southerly following the centre lines of said Section 32 and of Sections 29, 20, 17, 8, and 5 of Township 14 and those of Sections 32, 29, 20, 17, 8, and 5 of Township 13, east of said Coast meridian, to intersect the International Boundary between Canada and the United States of America; thence west along said boundary-line to the point thereon which lies due south of the point of commencement; thence due north to the point of commencement.

*Vital Statistics Registration District of
North Bend.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at that point on the easterly boundary of the watershed of Rogers Creek which lies due west of the south-west corner of Section 1, Township 14, Range 1, west of the 7th meridian, being a point on the westerly limit of the Dominion Railway Belt; thence east to said south-west corner and continuing east along the south boundary of said Section 1 and the north boundaries of Township 13 in Ranges 30 and 29, west of the 6th meridian, to the north-east corner of said Township 13, Range 29; thence south along the east boundary of said Township 13 to the south-east corner thereof; thence east along the south boundaries of Township 13 in Ranges 28, 27, and 26 to the south-east corner of said Township 13, Range 26; thence south along the east boundary of Township 12 in said Range 26 to the south-east corner of said Township 12; thence east along the south boundaries of Township 12 in Ranges 25 and 24 to the south-east corner of said Township 12, Range 24; thence south along the east boundaries of Township 11 in said Range 24 to the south-east corner thereof; thence east along the north boundary of

Township 10 in said Range 24 to the north-east corner of said Township 10, Range 24; thence south along the east boundary of said township to the south-east corner thereof; thence west along the north boundary of Township 9 in said Range 24 to the north-west corner thereof; thence south along the west boundaries of said Township 9 and of Township 8 in said Range 24 to the south-west corner of said Township 8, Range 24; thence west along the south boundaries of Township 8 in Ranges 25, 26, and 27 to the south-west corner of said Township 8, Range 27; thence north along the west boundaries of Townships 8, 9, and 10 in said Range 27 to the north-west corner of said Township 10, Range 27; thence west along the north boundaries of Township 10 in Ranges 28 and 29 to the north-west corner of said Township 10, Range 29, and continuing west along the south boundary of Township 11 in said Range 29 to the south-west corner of Section 5 of said Township 11, Range 29, being a point of the westerly limit of the Railway Belt aforesaid; thence in a south-westerly direction to and around the headwaters of Nahatlatch River and continuing northerly to and along the easterly boundary of the watershed of Rogers Creek to the point of commencement.

*Vital Statistics Registration District of
Port Haney.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at the point of intersection of the westerly boundary of the watershed of the Stave River with the easterly boundary of the watershed of Pitt River; thence in a southerly direction following said boundary of the watershed of Pitt River to the point thereon which lies due east of the south-east corner of Lot 4117, New Westminster Land District; thence due west to said south-east corner; thence westerly along the southerly boundary of said Lot 4117 to the south-west corner thereof; thence due west to the centre line of Pitt Lake; thence in a south-westerly direction along the centre lines of said Pitt Lake and of Pitt River (passing to the west of Goose Island and to the east of the island situate in Section 9, Township 40, east of the Coast meridian) produced to intersect the centre line of said Fraser River; thence in an easterly direction following said centre line of the Fraser River (passing to the south of Douglas Island, to the north of Barnston and McMillan Islands, and to the north of Crescent Island) to meet the production southerly of the centre line of the Stave River; thence in a northerly direction to and along said centre line of the Stave River to the point thereon which lies due east of the north-east corner of Lot 440, New Westminster District; thence due west to said north-east corner; thence westerly following the northerly boundary of said Lot 440 to the point of intersection therewith of the westerly boundary of Section 3 of Township 15, New Westminster District; thence northerly along the westerly boundaries of said Section 3 and of Sections 10, 15, 22, 27, and 34 of said Township 15 to the north-west corner of said Section 34; thence due north to meet the south boundary of Section 1, Township 4, Range 4, west of the 7th meridian of the Dominion system of townships; thence east along the south boundary of said Section 1 to the south-east corner thereof; thence north along the east boundaries of said Township 4, Range 4, and of Townships 5 and 6 in said Range 4 to the north-east corner of Section 12 of said Township 6, Range 4, being a point on the northerly boundary of the Railway Belt; thence west along the north boundary of said Section 12 to meet the westerly boundary of the watershed of the Stave River aforesaid; thence in a north-westerly direction following the said boundary of said watershed to the point of commencement.

DIVISION No. 4.

*Vital Statistics Registration District of
Ashcroft.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at the north-west corner of Section 18, Township 18, Range 25, west of the 6th meridian, being a point within the confines of the Railway Belt; thence north along the west boundary of said Township 18 to the north-west corner thereof; thence west along the north boundary of Township 18, Range 26, to the south-east corner of Township 19, Range 26; thence north along the east boundaries of said Township 19 and of Townships 20, Range 26, and the west boundaries of Townships 21 and 22, Range 25, to the north-west corner of Section 7 of said Township 22, Range 25; thence east along the north boundary of said Section 7 to the north-east corner thereof; thence north along the west boundaries of Sections 17, 20, and 29 of said Township 22, Range 25, to the north-west corner of the South-west Quarter of said Section 29; thence east along the north boundaries of the South Half of said Section 29 and of that of Section 28 to the north-east corner of the South-east Quarter of said Section 28; thence north along the east boundaries of said Section 28 and of Section 33 to the north-east corner of said Section 33; thence east along the north boundaries of Sections 34, 35, and 36 to the north-east corner of said Section 36, Township 22, Range 25, aforesaid; thence east along the south boundaries of Township 23, Ranges 24 and 23, to the south-east corner of Section 4 of said Township 23, Range 23; thence north along the east boundaries of said Section 4 and of Sections 9, 16, 21, 28, and 33 to the north-east corner of said Section 33; thence east along the north boundaries of Sections 34, 35, and 36 to the north-east corner of said Section 36, Township 23, Range 23; thence northerly following the easterly boundary of Township 24, Range 23, to the north-east corner thereof, being a point on the northerly boundary of said Railway Belt—all the ranges herein above mentioned lie west of the 6th meridian aforesaid; thence easterly following said northerly boundary of the Railway Belt to the point thereon which lies due south of the south-east corner of Lot 3838, Lillooet Land District; thence due north to said south-east corner; thence northerly following the easterly boundary of said Lot 3838 to the north-east corner thereof; thence due north to meet the northerly boundary of the watershed of Deadman River; thence easterly following said boundary of said watershed to intersect the easterly boundary of the watershed of said Deadman River and that of Criss Creek; thence southerly along said boundary of said watershed to the north-east corner of Section 28, Township 23, Range 18, west of the 6th meridian, being a point on the northerly boundary of the Railway Belt; thence in a westerly direction following said boundary of the Railway Belt to the south-east corner of Section 1, Township 24, Range 19; thence west along the north boundaries of Township 23 in Ranges 19 and 20 to the north-west corner of said Township 23, Range 20; thence south along the west boundary of said Township 23, Range 20, to the south-west corner thereof; thence westerly following the northerly boundary of Township 22, Range 21, to the north-west corner of Section 34 thereof; thence along the west boundaries of said Section 34 and of Sections 27, 22, 15, 10, and 3 to the south-west corner of said Section 3; thence easterly following the northerly boundary of Township 21, Range 21, to the north-east corner of Section 35 thereof; thence south along the east boundaries of said Section 35 and of Sections 26 and 23 to the south-east corner of said Section 23; thence west along the north boundaries of Sections 14, 15, 16, and 17 to the north-west corner of said Section 17; thence southerly following the westerly boundaries of said Section 17 and of Section 8 to the south-west corner of said Section 8, being a point on the north-easterly boundary of the Deadman Indian Reserve; thence south-easterly following said boundary of said reserve to the southerly boundary of Section 5 of said Township 21, Range 21; thence easterly following said southerly boundary of Section 5 to the south-east corner thereof; thence south along the east boundary of Section 32 of Township 20, Range 21, to the south-east corner thereof; thence west along the south boundaries of said Section 32 and of Section 31 to the south-west corner of said

Section 31; thence south along the west boundaries of said Township 20 and of Township 19 of said Range 21 to the south-west corner of said Township 19, Range 21; thence west along the north boundary of Township 18, Range 22, to the north-west corner of Section 34 thereof; thence south along the west boundaries of said Section 34 and of Sections 27, 22, 15, 10, and 3 to the south-west corner of said Section 3; thence east along the south boundary of said Township 18, Range 22, to the south-east corner thereof; thence south along the west boundary of Township 17, Range 21, to the south-west corner of Section 30 of said Township 17, Range 21; thence east along the south boundaries of said Section 30 and of Section 29 to the north-east corner of Section 20 of said township, being a point on the easterly limit of the Railway Belt aforesaid; thence southerly following said easterly limit of the Railway Belt to the south-east corner of Section 5 of said Township 17, Range 21; thence west along the south boundaries of said Township 17, Range 21, and of Township 17 in Ranges 22, 23, and 24 to the south-west corner of said Township 17, Range 24; thence north along the east boundary of Township 17, Range 25, to the north-east corner thereof; thence west along the north boundary of said Township 17, Range 25, to the north-west corner thereof; thence north along the west boundary of Township 18, Range 25, to the point of commencement.

*Vital Statistics Registration District of
Blue River.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at the north-east corner of Lot 2588, Kamloops Land District, said lot being situate on Regchristie (Lost) Creek, a tributary of the North Thompson River; thence due north to meet the southerly boundary of the watershed of said North Thompson River; thence in an easterly direction following said boundary of said watershed to the height of land separating the waters flowing westerly into said North Thompson River from those flowing easterly into the Adams River; thence in a northerly direction along said height of land and continuing north-easterly to the point of intersection of the westerly boundary of the watershed of the Columbia River with the production westerly of the southerly boundary of the watershed of Foster Creek, a tributary of the Canoe River; thence in an easterly direction to and along said boundary of said watershed produced to the centre line of said Canoe River and continuing easterly to and along the southerly boundary of the watershed of Baker Creek to intersect the easterly boundary of the Province; thence in a northerly direction along said Provincial boundary to the point of intersection therewith of the divide between Hughallan and Baker Creeks, tributaries of the Canoe River aforesaid; thence in a general north-westerly direction to and along the westerly boundary of the watershed of the Fraser River to the point thereon which lies due east of the north-east corner of Lot 7357, Cariboo Land District; thence due west to said north-east corner; thence westerly following the northerly boundaries of said Lot 7357 and of Lots 7355, 7354, 7353, and 7131 and the southerly boundary of Lot 5710 to the south-west corner of said Lot 5710—all the above-named lots lying in the Cariboo Land District aforesaid; thence due south to meet the northerly boundary of the watershed of the Canoe River aforesaid; thence in a south-westerly direction following said boundary of said watershed and passing thence in a westerly direction to meet the divide between the headwaters of the Azure River and the aforesaid North Thompson River; thence in a southerly direction along said divide and continuing southerly to and along the height of land separating the waters flowing westerly into Azure, Angushorne, Clearwater, and Murtle Lakes and into the Clearwater River from those flowing easterly into the aforesaid North Thompson River to meet the easterly boundary of the watershed of the Raft River; thence in a south-westerly direction following said boundary of said watershed to

the point thereon which lies due north of the north-west corner of Lot 2598, Kamloops District; thence due south to said north-west corner; thence southerly along the westerly boundaries of said Lot 2598 and of Lot 2597 to the south-west corner of said Lot 2597; thence easterly following the southerly boundaries of said Lot 2597 and of Lots 1707 and 2595 to the south-east corner of said Lot 2595, being a point on the westerly shore of the North Thompson River aforesaid; thence north-easterly in a right line to the north-west corner of Lot 2584; thence easterly following the northerly boundaries of said Lot 2584 and of Lots 2585 and 2588 to the point of commencement. All the above-named lots lie in the Kamloops Land District aforesaid.

*Vital Statistics Registration District of
Chase.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at the point of intersection of the southerly boundary of the watershed of the North Thompson River with the westerly boundary of the watershed of the Adams River; thence in an easterly direction following said southerly boundary of the watershed of the North Thompson River to the height of land separating the waters flowing westerly into said North Thompson River from those flowing easterly into said Adams River; thence in a northerly direction along said height of land and continuing north-easterly to the point of intersection of the westerly boundary of the watershed of the Columbia River with the production westerly of the southerly boundary of the watershed of Foster Creek, a tributary of the Canoe River; thence in a southerly direction following said westerly boundary of the watershed of the Columbia River to meet the divide separating the waters flowing easterly into the Seymour River, Humamilt Lake, and into Shuswap Lake from those flowing westerly into said Adams River and into Adams Lake and Scotch Creek; thence in a southerly direction along said divide produced to the north-west corner of Section 20, Township 25, Range 8, west of the 6th meridian of the Dominion system of townships, being a point on the northerly boundary of the Railway Belt; thence westerly following said northerly boundary of the Railway Belt to the north-west corner of Section 19, Township 25, Range 10, west of the 6th meridian aforesaid; thence south along the west boundaries of said Township 25 and of Townships 24 and 23, Range 10, to the theoretical south-west corner of said Township 23, Range 10, being a point in Shuswap Lake; thence east along the theoretical north boundary of Township 22, Range 11, to the theoretical north-west corner of Township 22, Range 10; thence south along the west boundaries of said Township 22 and of Townships 21 and 20 and continuing southerly along the westerly boundary of Township 19 of said Range 10 to the south-west corner of said Township 19, Range 10; thence easterly following the northerly boundary of Township 18, Range 11, to the north-west corner of Township 18, Range 10; thence southerly along the westerly boundaries of said Township 18, Range 10, and of Township 17, Range 10, to the north-west corner of Section 18 of said Township 17, Range 10; thence westerly following the northerly boundaries of Sections 13, 14, and 15 of Township 17, Range 11, to the north-east corner of Section 16 thereof; thence southerly following the easterly boundary of said Section 16 of said Township 17, Range 11, to the south-east corner thereof, being a point on the southerly limit of the Railway Belt aforesaid; thence in a westerly direction following said southerly limit of the Railway Belt to the south-east corner of Section 6, Township 17, Range 12; thence due south to meet the divide separating the waters flowing westerly into the Salmon River from those flowing easterly into Okanagan Lake; thence in a south-westerly direction along said divide to meet the height of land between Chapperon (Sucker) Creek and the Salmon River aforesaid; thence in a westerly direction along said height of land to the point thereon which lies due north of the north-east cor-

ner of Lot 531, Kamloops Land District; thence south to said north-east corner; thence westerly following the northerly boundaries of said Lot 531 and of Lot 483 to the re-entrant angle of said Lot 483 and continuing westerly in a right line to the more northerly south-east corner of Lot 605; thence northerly following the easterly boundary of said Lot 605 to the north-east corner thereof; thence westerly following the northerly boundary of said Lot 605 to the north-west corner thereof; thence southerly following the easterly boundary of Lot 4554 to the south-east corner thereof; thence westerly following the northerly boundary of Lot 1437 to the north-west corner thereof; thence northerly following the easterly boundary of Lot 4555 to the north-east corner thereof; thence westerly following the northerly boundary of said Lot 4555 to the north-west corner thereof; thence northerly following the easterly boundaries of Lots 1057 and 1058 to the north-east corner of said Lot 1058; thence due north to the point due east of the north-east corner of Lot 1798; thence due west to said north-east corner; thence westerly following the northerly boundary of said Lot 1798 to the north-west corner thereof; thence due west to the point due south of the south-west corner of Lot 4264; thence due north to said south-west corner; thence northerly following the westerly boundary of said Lot 4264 to the north-west corner thereof, being a point on the southerly limit of the Railway Belt aforesaid; thence in an easterly direction following said limit of the Railway Belt to the south-west corner of Section 19, Township 16, Range 14, west of the 6th meridian; thence north along the west boundaries of said Township 16 and of Townships 17 and 18 of said Range 14 to the north-west corner of said Township 18; thence westerly following the southerly boundary of Township 19, Range 14, to the south-west corner thereof; thence northerly following the westerly boundaries of said Township 19 and of Township 20 and continuing north along the west boundaries of Townships 21 and 22 of said Range 14 to the north-west corner of said Township 22, Range 14; thence west along the south boundary of Township 23, Range 14, to the south-west corner thereof; thence north along the west boundaries of said Township 23 and of Township 24, Range 14, to the north-west corner of Section 18 of said Township 24, Range 14, being a point on the northerly limit of the Railway Belt aforesaid; thence in a north-easterly direction following said limit of the Railway Belt to the north-west corner of Section 29, Township 25, Range 12, west of the 6th meridian; thence in a general north-easterly direction to and along the westerly boundary of the watershed of Adams Lake and Adams River aforesaid to the point of commencement. All the lots herein above mentioned lie in the Kamloops Land District aforesaid.

*Vital Statistics Registration District of
Enderby.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at the south-east corner of Section 16, Township 17, Range 11, west of the 6th meridian, being a point on the southerly boundary of the Railway Belt; thence northerly following the easterly boundary of said Section 16 to the north-east corner thereof; thence easterly following the northerly boundaries of Sections 15, 14, and 13 of said township to the north-east corner of said Section 13; thence northerly following the easterly boundaries of said Township 17, Range 11, and of Township 18, Range 11, to the north-west corner of Township 18, Range 10; thence easterly following the northerly boundaries of Sections 31, 32, and 33 of said Township 18, Range 10, to the north-east corner of said Section 33; thence north along the east boundaries of Sections 4, 9, and 16 of Township 19, Range 10, to the north-east corner of said Section 16; thence east along the north boundaries of Sections 15, 14, and 13 of said Township 19, Range 10, to the north-east corner of said Section 13; thence easterly following the northerly boundaries of Sections 18,

17, 16, and 15 of Township 19, Range 9, to the north-east corner of said Section 15; thence southerly following the westerly boundary of Section 14 of said township to the south-west corner thereof; thence easterly following the southerly boundary of said Section 14 to the south-east corner thereof; thence northerly following the easterly boundary of said Section 14 to the southerly boundary of Lot 526, Kamloops Land District; thence easterly following said southerly boundary of Lot 526 to the south-east corner thereof, being a point on the westerly shore of the Shuswap River; thence in a north-easterly direction following said shore-line to the northerly boundary of Section 13 of said township; thence easterly following the northerly boundaries of said Section 13 of said Township 19, Range 9, and of Section 18 of Township 19, Range 8, to the north-east corner of said Section 18; thence east along the north boundaries of Sections 17, 16, 15, 14, and 13 of said Township 19, Range 8, to the north-east corner of said Section 13; thence north along the east boundary of said Township 19, Range 8, to the north-east corner thereof; thence east along the north boundary of Township 19, Range 7, to the south-east corner of Section 4 of Township 20, Range 7; thence north along the east boundaries of said Section 4 and of Sections 9, 16, 21, 28, and 33 to the north-east corner of said Section 33; thence east along the north boundary of said Township 20, Range 7, to the north-east corner thereof; thence north along the west boundary of Township 21, Range 6, to the north-west corner thereof; thence east along the north boundary of said Township 21 to the north-east corner thereof; thence north along the west boundary of Township 22, Range 5, to the north-west corner thereof; thence east along the north boundary of said Township 22, Range 5, to the north-east corner thereof; thence south along the west boundary of Township 22, Range 4, to the north-west corner of Section 18 of said township; thence east along the north boundaries of said Section 18 and of Sections 17, 16, 15, 14, and 13 of said Township 22, Range 4, and those of Sections 18, 17, 16, 15, 14, and 13 of Township 22, Range 3, to the north-east corner of said Section 13, Township 22, Range 3; thence south along the east boundaries of said Township 22, Range 3, and of Townships 21 and 20 in Range 3 to the south-east corner of said Township 20, Range 3, west of the 6th meridian aforesaid, being a point on the southerly limit of the Railway Belt aforesaid; thence in a south-westerly direction following said southerly limit of the Railway Belt to the point of commencement.

*Vital Statistics Registration District of
Grand Forks.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at that point on the southerly boundary of the watershed of Inonoaklin Creek which lies due south of the south-east corner of Lot 4332, Osoyoos Land District; thence in a general south-westerly direction to and along the divide separating the waters flowing easterly into the Granby River from those flowing westerly into Rendell Creek (East Fork of the Kettle River) to meet the northerly boundary of Lot 3635; thence westerly following said northerly boundary of Lot 3635 to the north-west corner thereof; thence southerly following the westerly boundary of said Lot 3635 to the south-west corner thereof; thence due west to intersect the westerly boundary of the watershed of said Granby River; thence in a general southerly direction following said boundary of said watershed to the point thereon which lies due north of the north-west corner of Lot 1875 (S.), Similkameen Land District; thence due south to said north-west corner; thence southerly following the westerly boundary of said Lot 1875 (S.) and the easterly boundary of Lot 2839 (S.) to the south-east corner of said Lot 2839 (S.), being a point on the westerly boundary of Lot 2701; thence southerly following said westerly boundary of Lot 2701 to the northerly boundary of Lot 746 (S.); thence easterly following said northerly boundary of Lot 746 (S.) to the north-east corner thereof;

thence southerly following the easterly boundaries of said Lot 746 (S.) and of Lots 745 (S.) and 252 to the south-east corner of said Lot 252; thence westerly following the southerly boundary of said Lot 252 to intersect again the westerly boundary of Lot 2701 aforesaid; thence southerly following said westerly boundary of Lot 2701 to the northerly boundary of Lot 1695; thence easterly and southerly following the respective external boundaries of said Lot 1695 to the south-east corner thereof; thence westerly following the southerly boundary of said Lot 1695 to intersect again the westerly boundary of Lot 2701 aforesaid; thence southerly following said westerly boundary of Lot 2701 to the northerly boundary of Lot 1579 (S.); thence easterly and southerly following the respective external boundaries of said Lot 1579 (S.) to the south-east corner thereof; thence westerly following the southerly boundary of said Lot 1579 (S.) to intersect again the westerly boundary of Lot 2701 aforesaid; thence south along the west boundary of said Lot 2701 to the south-west corner thereof, being a point on the International Boundary between Canada and the United States of America; thence east along said International Boundary to the point thereon which lies due south of the south-east corner of Lot 180 (S.); thence due north to said south-east corner; thence northerly following the easterly boundary of said Lot 180 (S.) to the north-east corner thereof; thence due east to meet the divide separating the waters flowing westerly into Butter Creek and Christina Lake from those flowing easterly into Big Sheep Creek and Lower Arrow Lake; thence in a northerly direction along said divide to the point thereon which lies due east of the south-east corner of Lot 12805, Kootenay Land District; thence due west to said south-east corner; thence westerly following the southerly boundary of said Lot 12805 to the south-west corner thereof; thence due west to intersect the divide separating the waters flowing westerly into Sander Creek, Granby River, and Burrell Creek from those flowing easterly into said Lower Arrow Lake and Inonoaklin Creek; thence in a general northerly direction along said divide to the point of commencement. All the lots herein above mentioned, unless specified to the contrary, lie in the Osoyoos Land District aforesaid, save those lots distinguished by the suffix "S.," which said lots lie in the Similkameen Land District aforesaid.

Vital Statistics Registration District of Greenwood.

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at the south-east corner of the South-west Quarter of Section 2, Township 65, Osoyoos District, being a point on the International Boundary between Canada and the United States of America; thence northerly following the easterly boundary of said South-west Quarter of Section 2 to the south-east corner of Lot 487 (S.), Similkameen Land District; thence westerly following the southerly boundary of said Lot 487 (S.) to the south-west corner thereof; thence northerly following the westerly boundaries of said Lot 487 (S.) and of Lots 486 (S.), 488 (S.), 1037 (S.), and the easterly boundaries of Lots 101 (S.) and 1823 (S.) to the north-east corner of said Lot 1823 (S.); thence due north to the point due west of the north-west corner of Lot 2776 (S.); thence due east to said north-west corner; thence easterly following the northerly boundary of said Lot 2776 (S.) to the north-east corner thereof; thence due east to meet the westerly boundary of Lot 1812 (S.); thence northerly following said westerly boundary of Lot 1812 (S.) to the north-west corner thereof; thence easterly following the northerly boundary of said Lot 1812 (S.) to the east boundary of Lot 2708; thence north along said east boundary of Lot 2708 to the north-east corner thereof; thence westerly and northerly following the southerly and westerly boundaries, respectively, of Lot 3638 to the north boundary of said Lot 2708; thence west along said north boundary of Lot 2708 to the south-east corner of Lot 3639; thence northerly following the easterly boundary of

said Lot 3639 to the north-east corner thereof; thence due north to the south boundary of Lot 2712; thence west along said south boundary of Lot 2712 to the south-west corner thereof; thence north along the west boundary of said Lot 2712 to the north-west corner thereof; thence east along the north boundary of said Lot 2712 to the north-east corner thereof; thence easterly in a right line to the north-west corner of Lot 2713; thence east along the north boundary of said Lot 2713 to the north-east corner thereof; thence due north to the southerly boundary of the watershed of Mission Creek; thence in a north-easterly direction to and along the height of land separating the waters flowing northerly into the Shuswap River from those flowing southerly into the Kettle River to the point thereon which lies due west to the north-west corner of Lot 307; thence due east to said north-west corner; thence easterly following the northerly boundary of said Lot 307 to the north-east corner thereof; thence due north to intersect the northerly boundary of the watershed of said Kettle River; thence in a north-easterly direction along said boundary of said watershed to meet the divide separating the waters flowing easterly into Barnes and Eureka Creeks from those flowing westerly into said Kettle River; thence in a south-westerly direction along said divide to the point thereon which lies due north of the north-east corner of Lot 2151; thence due south to said north-east corner; thence southerly following the easterly boundary of said Lot 2151 to the south-east corner thereof; thence westerly following the southerly boundary of said Lot 2151 to the south-west corner thereof; thence due west to the point due south of the south-east corner of Lot 4332; thence due south to the southerly boundary of the watershed of Inonoaklin Creek; thence in a general south-westerly direction to and along the divide separating the waters flowing easterly into the Granby River from those flowing westerly into Rendell Creek (East Fork of the Kettle River) to meet the northerly boundary of Lot 3635; thence westerly following said northerly boundary of Lot 3635 to the north-west corner thereof; thence southerly following the westerly boundary of said Lot 3635 to the south-west corner thereof; thence due west to intersect the westerly boundary of the watershed of said Granby River; thence in a general southerly direction following said boundary of said watershed to the point thereon which lies due north of the north-west corner of Lot 1875 (S.); thence due south to said north-west corner; thence southerly following the westerly boundary of said Lot 1875 (S.) and the easterly boundary of Lot 2839 (S.) to the south-east corner of said Lot 2839 (S.), being a point on the westerly boundary of Lot 2701; thence southerly following said westerly boundary of Lot 2701 to the northerly boundary of Lot 746 (S.); thence easterly following said northerly boundary of Lot 746 (S.) to the north-east corner thereof; thence southerly following the easterly boundaries of said Lot 746 (S.) and of Lots 745 (S.) and 252 to the south-east corner of said Lot 252; thence westerly following the southerly boundary of said Lot 252 to intersect again the westerly boundary of Lot 2701 aforesaid; thence southerly following said westerly boundary of Lot 2701 to the northerly boundary of Lot 1695; thence easterly and southerly following the respective external boundaries of said Lot 1695 to the south-east corner thereof; thence westerly following the southerly boundary of said Lot 1695 to intersect again the westerly boundary of Lot 2701 aforesaid; thence southerly following said westerly boundary of Lot 2701 to the northerly boundary of Lot 1579 (S.); thence easterly and southerly following the respective external boundaries of said Lot 1579 (S.) to the south-east corner thereof; thence westerly following the southerly boundary of said Lot 1579 (S.) to intersect again the westerly boundary of Lot 2701 aforesaid; thence south along the west boundary of said Lot 2701 to the south-west corner thereof, being a point on the International Boundary aforesaid; thence west along said International Boundary to the point of commencement. The lots herein above mentioned lie in the Osoyoos Land District aforesaid, save those distinguished by the suffix "S.," which said lots lie in the Similkameen Land District aforesaid.

Vital Statistics Registration District of Kamloops.

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at the point of intersection of the height of land separating the headwaters of the North Thompson and Azure Rivers with that separating the headwaters of Raush River from Hobson Creek; thence in a westerly direction along said height of land between Raush River and Hobson Creek to the easterly boundary of the watershed of the Clearwater River; thence in a north-westerly direction along the easterly and northerly boundaries of the watershed of said Clearwater River to meet the divide separating the waters flowing easterly into said Clearwater River and into Hobson and Clearwater Lakes from those flowing westerly into Quesnel and Horsefly Lakes and into the Horsefly River; thence in a general southerly direction along said divide and continuing south-westerly to and along the height of land separating the waters flowing northerly into said Horsefly River from those flowing southerly into the Deception, Martin, and Boss Creeks to meet the easterly boundary of the watershed of said Martin Creek; thence in a southerly direction following said boundary of said watershed to intersect the 52nd parallel of north latitude as surveyed on the ground; thence westerly following said surveyed parallel to the point thereon which lies due north of the north-west corner of Lot 6311, Lillooet Land District; thence due south to said north-west corner; thence southerly following the westerly boundaries of said Lot 6311 and of Lot 6312 to the south-west corner of said Lot 6312; thence easterly following the southerly boundaries of said Lot 6312 and of Lots 6314 and 6315 to the south-east corner of said Lot 6315; thence due east to intersect the easterly boundary of the Lillooet Land District as surveyed on the ground; thence southerly following said surveyed boundary to the south-east corner of Lot 3384—all the lots herein above mentioned lying in the Lillooet Land District aforesaid; thence due east to intersect the easterly boundary of the watershed of Canimred Creek; thence in a south-easterly direction following said boundary of said watershed to the point thereon which lies due east of the north-east corner of Lot 3458, Kamloops Land District; thence due west to said north-east corner; thence westerly following the northerly boundaries of said Lot 3458 and of Lots 3459 and 3460 to the north-west corner of said Lot 3460; thence southerly following the westerly boundary of said Lot 3460 to the south-west corner thereof; thence due south to the point due west of the south-west corner of Lot 3455; thence due east to said south-west corner; thence due south to the point due west of the north-west corner of Lot 3452; thence due east to said north-west corner; thence southerly following the westerly boundaries of said Lot 3452 and of Lots 3451, 3444, and 3446 to the south-west corner of said Lot 3446—all the lots herein above mentioned lying in the Kamloops Land District aforesaid; thence due south to the point due east of the north-east corner of Lot 1866, Lillooet District; thence due west to said north-east corner; thence southerly following the easterly boundary of said lot to the south-east corner thereof; thence westerly following the southerly boundary of said Lot 1866 to the aforesaid easterly boundary of the Lillooet Land District as surveyed on the ground; thence southerly following said surveyed boundary-line to the point thereon which lies due east of the south-east corner of Lot 1861; thence due west to said south-east corner; thence westerly following the southerly boundary of said Lot 1861 to the south-west corner thereof, being a point on the northerly shore of Lac des Roches; thence north-westerly and southerly following the shore of said lake to the more easterly north-east corner of Lot 4918; thence southerly following the easterly boundaries of said Lot 4918 and of Lot 1849 to the south-east corner of said Lot 1849; thence due south to meet the northerly boundary of Lot 1846; thence easterly following the northerly boundaries of said Lot 1846 and of Lots 1850 and 1851 to the north-east corner of said Lot 1851; thence southerly

following the easterly boundaries of said Lot 1851 and of Lot 4916 to the south-east corner of said Lot 4916; thence due south to the point due west of the north-west corner of Lot 5201; thence due east to said north-west corner; thence easterly following the northerly boundary of Lot 5201 to the north-east corner thereof—all the lots herein above mentioned lying in the Lillooet Land District aforesaid; thence due east to intersect the height of land separating the waters flowing easterly into the North Thompson River from those flowing westerly into the Bonaparte and Deadman Rivers and into Criss Creek; thence in a south-westerly direction along said height of land to the point thereon which lies due north of the north-east corner of Section 28, Township 23, Range 18, west of the 6th meridian, being a point on the northerly limit of the Railway Belt; thence in a westerly direction following said boundary of the Railway Belt to the south-east corner of Section 1, Township 24, Range 19; thence west along the north boundaries of Township 23 in Ranges 19 and 20 to the north-west corner of said Township 23, Range 20; thence south along the west boundary of said Township 23, Range 20, to the south-west corner thereof; thence westerly following the northerly boundary of Township 22, Range 21, to the north-west corner of Section 34 thereof; thence south along the west boundaries of said Section 34 and of Sections 27, 22, 15, 10, and 3 to the south-west corner of said Section 3; thence easterly following the northerly boundary of Township 21, Range 21, to the north-east corner of Section 35 thereof; thence south along the east boundaries of said Section 35 and of Sections 26 and 23 to the south-east corner of said Section 23; thence west along the north boundaries of Sections 14, 15, 16, and 17 to the north-west corner of said Section 17; thence southerly following the westerly boundaries of said Section 17 and of Section 8 to the south-west corner of said Section 8, being a point on the north-easterly boundary of the Deadman Indian Reserve; thence south-easterly following said boundary of said reserve to the southerly boundary of Section 5 of said Township 21, Range 21; thence easterly following said southerly boundary of Section 5 to the south-east corner thereof; thence south along the east boundary of Section 32, Township 20, Range 21, to the south-east corner thereof; thence west along the south boundaries of said Section 32 and of Section 31 to the south-west corner of said Section 31; thence south along the west boundaries of said Township 20 and of Township 19 of said Range 21 to the south-west corner of said Township 19, Range 21; thence west along the north boundary of Township 18, Range 22, to the north-west corner of Section 34 thereof; thence south along the west boundaries of said Section 34 and of Sections 27, 22, 15, 10, and 3 to the south-west corner of said Section 3; thence east along the south boundary of said Township 18, Range 22, to the south-east corner thereof; thence south along the west boundary of Township 17, Range 21, to the north-west corner of Section 19 of said Township 17, Range 21; thence east along the north boundaries of said Section 19 and of Section 20 to the north-east corner of said Section 20 of said township, being a point on the southerly limit of the Railway Belt aforesaid; thence in an easterly direction following said limit of the Railway Belt to the south-east corner of Section 5, Township 17, Range 18; thence easterly following the southerly boundary of Section 4 of said township to the south-east corner of said Section 4; thence northerly following the westerly boundaries of Sections 3, 10, 15, 22, 27, and 34 of said Township 17, Range 18, and of Section 3 of Township 18, Range 18, to the north-west corner of said Section 3; thence easterly following the northerly boundaries of said Section 3 and of Sections 2 and 1 of said township to the north-east corner of said Section 1; thence southerly following the westerly boundaries of Townships 18 and 17 in Range 17 to the south-west corner of said Township 17, Range 17; thence easterly following the southerly boundary of said township to the south-east corner thereof; thence southerly following the westerly boundary of Township 16, Range 16, to the south-west corner thereof, being a point on the southerly boundary

of the Railway Belt aforesaid; thence easterly following said boundary of the Railway Belt to the south-west corner of Section 19 of Township 16, Range 14, west of the 6th meridian of the Dominion system of townships; thence north along the west boundaries of said Township 16 and of Townships 17 and 18 of said Range 14 to the north-west corner of said Township 18; thence westerly following the southerly boundary of Township 19, Range 14, to the south-west corner thereof; thence northerly following the westerly boundaries of said Township 19 and of Township 20 and continuing north along the west boundaries of Townships 21 and 22 of said Range 14 to the north-west corner of said Township 22, Range 14; thence west along the south boundary of Township 23, Range 14, to the south-west corner thereof; thence north along the west boundaries of said Township 23 and of Township 24, Range 14, to the north-west corner of Section 18 of said Township 24, Range 14, being a point on the northerly limit of the Railway Belt aforesaid; thence in a north-easterly direction following said limit of the Railway Belt to the north-west corner of Section 29, Township 25, Range 12, west of the 6th meridian; thence in a general north-easterly direction to and along the westerly boundary of the watershed of Adams Lake and Adams River to intersect the southerly boundary of the watershed of the North Thompson River; thence in a westerly direction following said boundary of said watershed to the point thereon which lies due north of the north-east corner of Lot 2588, Kamloops Land District; thence due south to said north-east corner; thence westerly following the northerly boundaries of said Lot 2588 and of Lots 2585 and 2584 to the north-west corner of said Lot 2584, being a point on the easterly shore of the North Thompson River; thence south-westerly in a right line to the south-east corner of Lot 2595; thence westerly following the southerly boundaries of said Lot 2595 and of Lots 1707 and 2597 to the south-west corner of said Lot 2597; thence northerly following the westerly boundaries of said Lot 2597 and of Lot 2598 to the north-west corner of said Lot 2598; thence due north to the easterly boundary of the watershed of the Raft River; thence in a north-easterly direction following said boundary of said watershed to intersect the divide separating the waters flowing westerly into Azure, Angushorne, Clearwater, and Murtle Lakes and into the Clearwater River from those flowing easterly into the aforesaid North Thompson River; thence in a northerly direction along said divide to the point of commencement. All the lots herein above named lie in the Kamloops Land District aforesaid.

Vital Statistics Registration District of Kelowna.

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at that point on the west boundary of Lot 2712, Osoyoos Land District, which lies due east of the north-east corner of Lot 205 (S.), Similkameen Land District; thence north along said west boundary of Lot 2712 to the north-west corner thereof; thence east along the north boundary of said Lot 2712 to the north-east corner thereof; thence easterly in a right line to the north-west corner of Lot 2713; thence east along the north boundary of said Lot 2713 to the north-east corner thereof; thence due north to the southerly boundary of the watershed of Mission Creek; thence in a north-easterly direction following said boundary of said watershed and continuing northerly to meet the divide between the waters flowing northerly into Harris, Nicklen, Duteau, and Coldstream Creeks from those flowing southerly into said Mission Creek and into Kelowna and Vernon Creeks; thence in a westerly direction following said divide to the point thereon which lies due north of the north-east corner of Section 8, Township 21, Osoyoos District; thence due south to said north-east corner; thence westerly following the northerly boundary of said Section 8 to the north-west corner thereof; thence northerly following the easterly boundary of Section 18 of said Township 21 to the north-east corner of the South Half of said Section 18; thence west-

erly following the northerly boundary of said South Half of said section to the north-west corner thereof; thence southerly following the westerly boundaries of said Section 18 and of Section 7 of said Township 21 to the south-west corner of said Section 7; thence westerly following the northerly boundaries of Sections 1 and 2, Township 20, of Indian Reserve No. 7, "Duck Lake," and of Sections 3 and 4 in said Township 20 to the north-west corner of said Section 4, being a point on the easterly shore of Okanagan Lake; thence westerly in a right line to the south-east corner of Lot 2549 and continuing westerly along the southerly boundary of said Lot 2549 to the south-west corner thereof; thence northerly following the westerly boundaries of said Lot 2549 and of Lot 4499 to the north-west corner of said Lot 4499; thence easterly following the northerly boundary of said Lot 4499 to the south-west corner of Lot 3546; thence northerly following the westerly boundary of said Lot 3546 to the south-east corner of Lot 3829; thence westerly following the southerly boundary of said Lot 3829 to the south-west corner thereof; thence northerly following the westerly boundary of said Lot 3829 to the north-west corner thereof; thence westerly to and along the northerly boundary of Lot 4235 to the north-west corner thereof; thence due west to meet the height of land separating the waters flowing southerly into Terrace (Big Horn) Creek from those flowing northerly into Shorts Creek; thence in a north-westerly direction along said height of land to meet the divide between the waters flowing westerly into the Nicola River and into Quilchena Creek from those flowing easterly into Okanagan Lake; thence in a general south-westerly direction along said divide to the north-easterly boundary of the watershed of Trout Creek; thence in a south-easterly direction along said boundary of said watershed to the point on same which lies due north of the more southerly north-west corner of Lot 4485; thence due south to said north-west corner; thence southerly following the westerly boundary of said Lot 4485 to the south-west corner thereof; thence easterly following the southerly boundary of said Lot 4485 to the south-east corner thereof; thence due south to the point due west of the north-west corner of Lot 3918; thence due east to said north-west corner; thence easterly following the northerly boundaries of said Lot 3918 and of Lots 3921 and 3924 to the north-east corner of said Lot 3924; thence southerly following the easterly boundary of said Lot 3924 to the point thereon which lies due west of the south-west corner of Lot 4482; thence due east to said south-west corner; thence easterly following the southerly boundaries of said Lot 4482 and of Lot 4481 to the south-east corner of said Lot 4481 and continuing easterly to and along the southerly boundary of Lot 2533 to the south-east corner thereof, being a point on the westerly shore of Okanagan Lake aforesaid; thence due east across said lake to the easterly shore thereof; thence in a north-westerly direction along said shore-line to the point thereon which lies due west of the north-west corner of Lot 2727 (S.); thence due east to said north-west corner; thence easterly following the northerly boundary of said Lot 2727 (S.) to the north-east corner thereof; thence southerly following the easterly boundary of said Lot 2727 (S.) to the point thereon which lies due west of the north-west corner of Lot 2734 (S.); thence due east to said north-west corner; thence easterly following the northerly boundaries of said Lot 2734 (S.) and of Lot 2733 (S.) to the north-east corner of said Lot 2733 (S.); thence due east to meet the easterly boundary of Lot 2711; thence southerly following said easterly boundary of Lot 2711 to the point thereon which lies due west of the north-west corner of Lot 205 (S.) aforesaid; thence due east to said north-west corner; thence easterly following the northerly boundary of said Lot 205 (S.) to the north-east corner thereof; thence due east to intersect the west boundary of Lot 2712 aforesaid at the point of commencement. All the lots herein above mentioned lie in the Osoyoos Land District aforesaid, save those lots distinguished with the suffix "S.," which lies in the Similkameen Land District aforesaid.

*Vital Statistics Registration District of
Keremeos.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at that point on the divide separating the waters flowing westerly into Hayes and Hedley Creeks from those flowing easterly into Trout and Shingle Creeks which lie due west of the north-west corner of Lot 3083, Osoyoos Land District; thence in a general southerly direction following the easterly boundary of the watershed of said Hedley Creek to the point on same which lies due north of the north-east corner of Lot 267 (S.), Similkameen Land District; thence due south to said north-east corner; thence southerly following the easterly boundaries of said Lot 267 (S.) and of Lot 367 (S.) to the south-east corner of said Lot 367 (S.); thence due south to the point due east of Lot 231 (S.); thence due west to said south-east corner; thence westerly following the southerly boundaries of said Lot 231 (S.) and of Lot 1970 produced to the centre line of the Similkameen River; thence in a southerly direction along said centre line to the point on same which lies due east of the north-easterly corner of Indian Reserve No. 10A, "Ashnola"; thence due west to said north-easterly corner; thence westerly following the northerly boundary of said Indian reserve to the north-west corner thereof; thence due west to meet the divide between the waters flowing southerly into the Ashnola River from those flowing northerly into said Similkameen River; thence in a general south-westerly direction along said divide to intersect the International Boundary between Canada and the United States of America; thence east along said International Boundary to the south-west corner of Lot 23 (S.); thence northerly following the westerly boundary of said Lot 23 (S.) to the north-west corner thereof; thence easterly following the northerly boundary of said Lot 23 (S.) to the westerly boundary of Lot 3462; thence northerly following said westerly boundary of Lot 3462 to the north-west corner thereof; thence easterly following the northerly boundaries of said Lot 3462 and of Lots 2093 (S.) and 1982 (S.) to the south-east corner of Lot 1994 (S.); thence northerly following the easterly boundaries of said Lot 1994 (S.) and of Lot 3094 to the north-east corner of said Lot 3094; thence easterly, northerly, westerly, and northerly following the respective external boundaries of Lot 1974 (S.) to the south-east corner of Lot 449 (S.); thence westerly following the southerly boundary of said Lot 449 (S.) to the south-west corner thereof; thence northerly following the westerly boundary of said Lot 449 (S.) and the easterly boundaries of Lots 253, 259, and 302 to the north-east corner of said Lot 302; thence westerly following the northerly boundary of said Lot 302 to the north-west corner thereof; thence due west to the point due south of the south-east corner of Lot 2894 (S.); thence due north to said south-east corner; thence northerly following the easterly boundaries of said Lot 2894 (S.) and of Lots 2895 (S.), 2896 (S.), and 2897 (S.) to the north-east corner of said Lot 2897 (S.); thence westerly following the northerly boundary of said Lot 2897 (S.) to the point due south of the south-east corner of Lot 287; thence due north to said south-east corner; thence northerly following the easterly boundary of said Lot 287 to the north-east corner thereof and continuing northerly to and along the easterly boundaries of Lots 671 (S.), 2241 (S.), and 2242 (S.) to the north-east corner of said Lot 2242 (S.); thence westerly following the northerly boundaries of said Lot 2242 (S.) and of Lot 2240 (S.) to the north-west corner of said Lot 2240 (S.); thence due west to the point due south of the south-west corner of Lot 2403 (S.); thence due north to said south-west corner; thence easterly following the southerly boundaries of said Lot 2403 (S.) and of Lots 908 (S.) and 2834 to the south-east corner of said Lot 2834; thence northerly, westerly, and northerly following the respective external boundaries of said Lot 2834 and the easterly boundary of Lot 280 to the north-east corner of said Lot

280; thence westerly following the northerly boundary of said Lot 280 to the south-east corner of Lot 2169; thence northerly, easterly, and northerly following the respective external boundaries of said Lot 2169 to the north-east corner thereof; thence easterly following the southerly boundary of Block A of Lot 228 (S.) to the south-east corner thereof; thence northerly, easterly, and northerly following the respective external boundaries of said Block A and of Lot 411 to the north-east corner of said Lot 411; thence westerly, southerly, and westerly following the respective external boundaries of said Lot 411 of Block B of said Lot 228 (S.) and of Lots 229 (S.) and 264 (S.) to the south-west corner of said Lot 264 (S.); thence northerly and westerly following the respective external boundaries of said Lot 264 (S.) and of Lots 2411 (S.) and 1712 (S.) to the north-west corner of said Lot 1712 (S.); thence due north to the point due east of the most northerly north-east corner of Lot 909; thence due west to said north-east corner; thence westerly following the northerly boundary of said Lot 909 to the north-west corner thereof; thence due west to the easterly boundary of the watershed of Tenas Creek; thence in a general north-westerly direction to and along the divide separating the waters flowing easterly into the Okanagan River from those flowing westerly into the Similkameen River to the point of commencement. All the above-named lots which are distinguished by the suffix "S." are in the aforesaid Similkameen Land District; those with no suffix appended lie in the Osoyoos Land District aforesaid.

*Vital Statistics Registration District of
Lillooet.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at that point on the easterly boundary of the watershed of Big Creek which is intersected by the northerly boundary of the watershed of Relay Creek, a tributary of Tyaughton Creek; thence in a general easterly direction along the divide separating the waters flowing southerly into said Tyaughton Creek and into the Yalakom and Bridge Rivers from those flowing northerly into the Fraser River to meet the easterly boundary of the watershed of said Yalakom River; thence in a general south-easterly direction following said boundary of said watershed to the point thereon which lies due west of the south-west corner of Lot 2989, Lillooet Land District; thence due east to said south-west corner; thence easterly following the southerly boundaries of said Lot 2989 and of Lot 2990 to the south-east corner of said Lot 2990; thence northerly following the easterly boundary of said Lot 2990 to the point thereon which lies due west of the north-west corner of Lot 2977; thence due east to said north-west corner; thence easterly following the northerly boundaries of said Lot 2977 and of Lot 2978 to the north-east corner of said Lot 2978; thence southerly following the easterly boundary of said Lot 2978 to the point thereon which lies due west of the south-west corner of Lot 2980; thence due east to said south-west corner; thence easterly following the southerly boundary of said Lot 2980 to the south-east corner thereof; thence due east across the Fraser River aforesaid to intersect the westerly boundary of Lot 4679; thence northerly and easterly following the westerly and northerly boundaries, respectively, of said Lot 4679 and Lots 4680 and 4681 to the north-east corner of said Lot 4681; thence due east to the point due north of the north-west corner of Section 4, Township 22, Range 27, west of the 6th meridian, being a point on the westerly boundary of the Railway Belt; thence due south to said north-west corner; thence westerly and southerly following the several external boundary-lines of said Railway Belt to the south-west corner of Township 19, Range 28, west of the 6th meridian; thence easterly following the northerly boundaries of Township 18 in Ranges 28, 27, and 26 to the north-east corner of Township 28, Range 26; thence south along the east boundary of said Township 18, Range 26, to the north-east corner of Section 13 thereof; thence west

along the north boundaries of said Section 13 and of Sections 14, 15, 16, 17, and 18 of said Township 18, Range 26, and of Sections 13, 14, and 15 of Township 18, Range 27, to the north-west corner of said Section 15; thence south along the west boundaries of said Section 15 and of Sections 10 and 3 to the south-west corner of said Section 3; thence west along the south boundaries of Sections 4, 5, and 6 of said Township 18, Range 27, to the easterly boundary of Lot 83, Group 1, New Westminster Land District; thence southerly following the easterly boundary of said Lot 83 to the south-east corner thereof; thence westerly following the southerly boundary of said Lot 83 to the south-west corner thereof; thence northerly following the westerly boundary of said Lot 83 to the north boundary of Township 17, Range 28; thence west along said north boundary of Township 17, Range 28, to the north-west corner of Section 32 of said township, being a point on the westerly limit of the Railway Belt aforesaid; thence south and west following the respective boundaries of said westerly limit of the Railway Belt to the south-west corner of Section 15, Township 17, Range 29, west of the 6th meridian aforesaid; thence due west to intersect the easterly boundary of the watershed of Cayoosh Creek; thence in a southerly direction following said easterly boundary of said watershed and that of Rogers Creek to the point on same which lies due west of the south-west corner of Section 1, Township 14, Range 1, west of the 7th meridian of the Dominion system of townships; thence in a north-westerly direction to and along the northerly boundary of the watershed of said Rogers Creek to meet the divide between said Rogers Creek and Lizzie Creek; thence in a southerly direction along said divide to the northerly boundary of the watershed of said Rogers Creek; thence in a westerly direction following said divide produced to intersect that point on the centre line of Lillooet Lake which lies due east of the north-east corner of Lot 5536, New Westminster Land District; thence due west to said north-east corner; thence westerly following the northerly boundary of said Lot 5536 to the north-west corner thereof; thence due west to intersect the northerly boundary of the watershed of Billy Goat Creek; thence in a westerly direction following said boundary of said watershed to meet the height of land between said Billy Goat Creek and Fitzsimmons Creek; thence in a south-easterly direction along said height of land to intersect the divide separating the waters flowing northerly into said Billy Goat and Fitzsimmons Creeks from those flowing southerly into the Cheakamus River; thence in a westerly direction along said divide to the westerly boundary of the watershed of said Fitzsimmons Creek; thence in a northerly direction following said boundary of said watershed to the point thereon which lies due south of the south-east corner of Lot 4753; thence due north to said south-east corner; thence northerly following the easterly boundaries of said Lot 4753 and of Lot 3860 to the north-east corner of said Lot 3860; thence westerly following the southerly boundaries of Lots 1757, 2105, and 2106 to the south-west corner of said Lot 2106—all the lots herein above mentioned lying in the New Westminster Land District aforesaid; thence in a north-westerly direction to and along the southerly boundary of the watershed of the Soo River to the parallel of north latitude of fifty degrees and fourteen minutes ($50^{\circ} 14'$); thence west along said parallel of latitude to intersect the divide between Loquilt Creek and the Elaho River; thence in a northerly direction along said divide and that separating the waters flowing easterly into the Lillooet River and into Chilko Lake from those flowing westerly into the Toba, Southgate, and Homathko Rivers to meet the height of land separating the waters flowing northerly into the Taseko and Lord Rivers and into Chilko Lake and the Southgate River from those flowing southerly into said Lillooet and Toba Rivers; thence in an easterly direction along said height of land to meet the divide separating the waters flowing westerly into said Taseko and Lord Rivers and into Big Creek from those flowing easterly into the

Fraser River; thence in a northerly direction along said divide to the point of commencement.

*Vital Statistics Registration District of
Lytton.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at that point on the easterly boundary of the watershed of Rogers Creek which lies due west of the south-west corner of Section 1, Township 14, Range 1, west of the 7th meridian, being a point on the westerly limit of the Railway Belt; thence east of said south-west corner and continuing east along the south boundary of said Section 1 and the north boundaries of Township 13 in Ranges 30 and 29, west of the 6th meridian, to the north-east corner of said Township 13, Range 29; thence south along the east boundary of said Township 13 to the south-east corner thereof; thence east along the south boundaries of Township 13 in Ranges 28, 27, and 26 to the south-east corner of said Township 13, Range 26; thence north along the east boundary of said Township 13, Range 26, to the north-east corner thereof; thence east along the south boundary of Township 14, Range 25, to the south-east corner thereof; thence north along the east boundary of said Township 14 to the north-east corner thereof; thence east along the south boundary of Township 15, Range 24, to the south-west corner of Township 15, Range 23; thence north along the west boundary of Township 15, Range 23, to the southerly boundary of Nicola Indian Reserve No. 11, "Shackan"; thence easterly following said southerly boundary of said Indian reserve to the south-east corner thereof; thence northerly following the easterly boundary of said reserve to the south-west corner of Lot 1024, Kamloops Land District; thence easterly following the southerly boundary of said Lot 1024 to the south-east corner thereof; thence northerly following the easterly boundary of said Lot 1024 to the northerly boundary of Section 16, Township 15, Range 23; thence easterly following said northerly boundary of said Section 16 and continuing east along the north boundaries of Sections 15, 14, and 13 of said township to the north-east corner of said Section 13; thence north along the east boundary of said Township 15, Range 23, to the north-east corner thereof; thence east along the south boundary of Township 16, Range 22, to the south-east corner thereof, being a point on the easterly limit of the Railway Belt aforesaid; thence north and east following the respective exterior boundaries of said easterly limit of the Railway Belt to the south boundary of Township 17, Range 21; thence west along the south boundaries of Township 17 in said Range 21 and in Ranges 22, 23, and 24 to the south-west corner of said Township 17, Range 24; thence north along the east boundary of Township 17, Range 25, to the north-east corner thereof; thence west along the north boundary of said township to the north-west corner thereof; thence north along the east boundary of Township 18, Range 26, to the north-east corner of Section 13 of said Township 18; thence west along the north boundaries of said Section 13 and of Sections 14, 15, 16, 17, and 18 of said Township 18, Range 26, and of Sections 13, 14, and 15 of Township 18, Range 27, to the north-west corner of said Section 15; thence south along the west boundaries of said Section 15 and of Sections 10 and 3 to the south-west corner of said Section 3; thence west along the south boundaries of Sections 4, 5, and 6 of said Township 18, Range 27, to the easterly boundary of Lot 83, Group 1, New Westminster Land District; thence southerly following the easterly boundary of said Lot 83 to the south-east corner thereof; thence westerly following the southerly boundary of said Lot 83 to the south-west corner thereof; thence northerly following the westerly boundary of said Lot 83 to the north boundary of Township 17, Range 28; thence west along said north boundary of Township 17, Range 28, to the north-west corner of Section 32 of said township, being a point on the westerly limit of the Railway Belt aforesaid; thence south and

west following the respective boundaries of said westerly limit of the Railway Belt to the south-west corner of Section 15, Township 17, Range 29, west of the 6th meridian aforesaid; thence due west to intersect the easterly boundary of the watershed of Cayoosh Creek; thence in a southerly direction following said easterly boundary of said watershed and that of Rogers Creek aforesaid to the point of commencement.

*Vital Statistics Registration District of
Merritt.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at the north-east corner of Section 19, Township 9, Range 22, west of the 6th meridian, being a point on the easterly limit of the Dominion Railway Belt; thence due east to meet the divide between the waters flowing easterly into Brook Creek from those flowing westerly into the Coldwater River; thence in a northerly direction along said divide to the point thereon which lies due south of the south-east corner of Lot 598, Yale Land District; thence north to said south-east corner; thence northerly following the easterly boundary of said Lot 598 to the north-east corner thereof; thence due east to intersect the westerly boundary of Lot 586 of said Yale District; thence northerly following the westerly boundary of said Lot 586 to the north-west corner thereof; thence easterly following the northerly boundaries of said Lot 586 and of Lot 582 of said Yale District to the north-east corner of said Lot 582; thence due north to the point due west of the north-west corner of Lot 792 of said Yale District; thence due east to said north-west corner; thence easterly following the northerly boundaries of said Lot 792, Yale District, and of Lot 2987, Kamloops Land District, to the north-east corner of said Lot 2987; thence southerly following the easterly boundary of said Lot 2987 to the south-east corner thereof; thence easterly following the southerly boundary of Lot 2994 to the more southerly south-east corner thereof; thence southerly following the westerly boundary of Lot 2221 to the south-west corner thereof; thence easterly following the southerly boundaries of said Lot 2221 and of Lot 2230 to the north-west corner of Lot 2222; thence southerly following the westerly boundary of said Lot 2222 to the south-west corner thereof; thence easterly following the southerly boundary of said Lot 2222 and the northerly boundaries of Lots 2223, 902, 2220, and 2238 to the north-east corner of said Lot 2238; thence due east to intersect the westerly boundary of Lot 1899; thence northerly following said westerly boundary of Lot 1899 to the north-west corner thereof; thence easterly following the southerly boundaries of Lots 1762 and 1763 to the south-east corner of said Lot 1763; thence northerly following the easterly boundary of said Lot 1763 to the more northerly north-west corner of Lot 2364; thence easterly following the northerly boundary of said lot to the north-east corner thereof; thence southerly following the easterly boundary of said Lot 2364 to the south-west corner of Lot 842; thence easterly following the southerly boundaries of said Lot 842 and of Lot 2367 to the south-east corner of said Lot 2367; thence due east to the point due north of the north-west corner of Lot 4417; thence due south to said north-west corner; thence southerly and easterly following the westerly and southerly boundaries, respectively, of said Lot 4417 to the south-east corner thereof; thence northerly following the easterly boundary of said Lot 4417 to the north-east corner thereof; thence easterly in a right line to and along the southerly boundary of Lot 2806 to the south-east corner of said Lot 2806; thence due east to meet the westerly boundary of the watershed of Siwash Creek; thence in a south-easterly direction following said boundary of said watershed to the point thereon which lies due west of the south-west corner of Lot 4526; thence due east to said south-west corner; thence easterly following the southerly boundary of said Lot 4526 to the south-east corner thereof; thence due east to intersect the divide between the waters flowing easterly into the tribu-

taries of Trout Creek and into Okanagan Lake from those flowing westerly into said Siwash Creek into Quilchena and Penask Creeks and into the Nicola River; thence in a north-easterly direction along said divide to meet the height of land between Chapperon (Sucker) Creek and the Salmon River; thence in a westerly direction along said height of land to the point thereon which lies due north of the north-east corner of Lot 531; thence south to said north-east corner; thence westerly following the northerly boundaries of said Lot 531 and of Lot 483 to the re-entrant angle of said Lot 483 and continuing westerly in a right line to the more northerly south-east corner of Lot 605; thence northerly following the easterly boundary of said Lot 605 to the north-east corner thereof; thence westerly following the northerly boundary of said Lot 605 to the north-west corner thereof; thence southerly following the easterly boundary of Lot 4554 to the south-east corner thereof; thence westerly following the northerly boundary of Lot 1437 to the north-west corner thereof; thence northerly following the easterly boundary of Lot 4555 to the north-east corner thereof; thence westerly following the northerly boundary of said Lot 4555 to the north-west corner thereof; thence northerly following the easterly boundaries of Lots 1057 and 1058 to the north-east corner of said Lot 1058; thence due north to the point due east of the north-east corner of Lot 1798; thence due west to said north-east corner; thence westerly following the northerly boundary of said Lot 1798 to the north-west corner thereof; thence due west to the point due south of the south-west corner of Lot 4264; thence due north to said south-west corner; thence northerly following the westerly boundary of said Lot 4264 and that of Township 16, Range 16, west of the 6th meridian, to the north-west corner of said township; thence westerly following the southerly boundary of Township 17, Range 17, to the south-west corner thereof; thence northerly following the westerly boundaries of said Township 17 and of Township 18, Range 17, to the north-east corner of Section 1, Township 18, Range 18; thence westerly following the northerly boundaries of said Section 1 and of Sections 2 and 3 of said township to the north-west corner of said Section 3; thence southerly following the westerly boundaries of said Section 3 and of Sections 34, 27, 22, 15, 10, and 3 of Township 17, Range 18, to the south-west corner of said Section 3; thence westerly following the southerly boundary of said township to the south-west corner thereof, being a point on the southerly boundary of the Dominion Railway Belt; thence north-westerly following said southerly boundary of the Railway Belt to the north-east corner of Section 20, Township 17, Range 21; thence southerly following the easterly boundary of said Railway Belt to the south-east corner of Township 16, Range 22; thence south along the east boundary of Township 15, Range 23, to the north-east corner of Section 13 of said township; thence west along the north boundaries of said Section 13 and of Sections 14 and 15 and continuing westerly along the northerly boundary of Section 16 to meet the easterly boundary of Lot 1024; thence southerly following said easterly boundary of Lot 1024 to the south-east corner thereof; thence westerly following the southerly boundary of said Lot 1024 to the south-west corner thereof; thence southerly following the easterly boundary of Nicola Indian Reserve No. 11, "Shackan," to the south-east corner thereof; thence westerly following the southerly boundary of said Indian reserve to meet the west boundary of Township 15, Range 23; thence south along said boundary of said township to the south-west corner thereof; thence south along the east boundary of Township 14, Range 25, to the south-east corner thereof; thence west along the south boundary of said township to the south-west corner thereof; thence south along the west boundaries of Townships 13 and 12 of said Range 25 to the south-west corner of said Township 12, Range 25; thence east along the south boundaries of Township 12 in Ranges 25 and 24 to the south-east corner of said Township 12, Range 24; thence south along the east boundary of Township 11, Range 24, to the south-east corner thereof; thence east along the north boundary of Township 10, Range 24, to

the north-east corner thereof; thence south along the east boundary of said Township 10, Range 24, to the south-east corner thereof; thence west along the north boundary of Township 9, Range 24, to the north-west corner thereof; thence south along the east boundaries of Townships 9 and 8 in Range 25 to the south-east corner of said Township 8, Range 25; thence east along the south boundary of Township 8, Range 24, to the south-east corner thereof; thence north along the east boundary of said Township 8, Range 24, to the north-east corner thereof; thence east along the north boundaries of Township 8 in Ranges 23 and 22 to the north-east corner of Section 31 of said Township 8, Range 22, being a point on the easterly limit of the Railway Belt aforesaid; thence northerly following said easterly limit of the Railway Belt to the point of commencement. All the lots herein above mentioned, unless specified to the contrary, lie in the Kamloops Land District aforesaid.

Vital Statistics Registration District of Oliver.

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at the south-west corner of Lot 23 (S.), Similkameen Land District, being a point on the International Boundary-line between Canada and the United States of America; thence northerly following the westerly boundary of said Lot 23 (S.) to the north-west corner thereof; thence easterly following the northerly boundary of said Lot 23 (S.) to the westerly boundary of Lot 3462, Osoyoos Land District; thence northerly following said westerly boundary of Lot 3462 to the north-west corner thereof; thence easterly following the northerly boundaries of said Lot 3462 and of Lots 2093 (S.) and 1982 (S.) to the south-east corner of Lot 1994 (S.); thence northerly following the easterly boundaries of said Lot 1994 (S.) and of Lot 3094 to the north-east corner of said Lot 3094; thence easterly, northerly, westerly, and northerly following the respective external boundaries of Lot 1974 (S.) to the south-east corner of Lot 449 (S.); thence westerly following the southerly boundary of said Lot 449 (S.) to the south-west corner thereof; thence northerly following the westerly boundary of said Lot 449 (S.) and the easterly boundaries of Lots 253, 259, and 302 to the north-east corner of said Lot 302; thence westerly following the northerly boundaries of said Lot 302 to the north-west corner thereof; thence due west to the point due south of the south-east corner of Lot 2894 (S.); thence due north to said south-east corner; thence northerly following the easterly boundaries of said Lot 2894 (S.) and of Lots 2895 (S.), 2896 (S.), and 2897 (S.) to the north-east corner of said Lot 2897 (S.); thence westerly following the northerly boundary of said Lot 2897 (S.) to the point due south of the south-east corner of Lot 287; thence due north to said south-east corner; thence northerly following the easterly boundary of said Lot 287 to the north-east corner thereof and continuing northerly to and along the easterly boundaries of Lots 671 (S.), 2241 (S.), and 2242 (S.) to the north-east corner of said Lot 2242 (S.); thence westerly following the northerly boundaries of said Lot 2242 (S.) and of Lot 2240 (S.) to the north-west corner of said Lot 2240 (S.); thence due west to the point due south of the south-west corner of Lot 2403 (S.); thence due north to said south-west corner; thence easterly following the southerly boundaries of said Lot 2403 (S.) and of Lots 908 (S.) and 2834 to the south-east corner of said Lot 2834; thence northerly, westerly, and northerly following the respective external boundaries of said Lot 2834, the easterly boundary of Lot 280, and the westerly boundary of Lot 906 (S.) to the north-west corner of said Lot 906 (S.); thence easterly following the northerly boundary of said Lot 906 (S.) to intersect the westerly boundary of Lot 2824; thence northerly, easterly, and southerly following the respective external boundaries of said Lot 2824 to the south-west corner of Lot 2620 (S.); thence easterly following the southerly boundaries of said Lot 2620 (S.) and of Lots 2466 (S.) and 2462 (S.), the northerly boundaries of Sections 34, 35, and 36

of Township 53, Osoyoos District, and the southerly boundary of Lot 30 (S.) produced to the centre line of the Okanagan River; thence in a north-westerly direction following said centre line to intersect the southerly boundary of Indian Reserve No. 2, "Dog Lake"; thence easterly following the southerly boundaries of said Indian Reserve and of Lot 374 and the northerly boundary of Lot 551 to the westerly boundary of Lot 3090; thence northerly, easterly, and southerly following the respective external boundaries of said Lot 3090 to the south-west corner of Lot 464; thence easterly following the southerly boundaries of said Lot 464, of Lot 465, and of Sub-lot 21 of Lot 2710 to the south-east corner of said Sub-lot 21; thence due east to intersect the easterly boundary of said Lot 2710; thence northerly following said easterly boundary to the point thereon which lies due west of the north-west corner of Sub-lot 6 of Lot 3639; thence due east to said north-west corner; thence easterly following the northerly boundary of said Sub-lot 6 to the north-east corner thereof; thence due east to intersect the easterly boundary of said Lot 3639; thence southerly following said easterly boundary of Lot 3639 to the south-east corner thereof; thence east along the north boundary of Lot 2708 to the westerly boundary of Lot 3638; thence southerly and easterly following the respective external boundaries of said Lot 3638 to the north-east corner of Lot 2708 aforesaid; thence south along the east boundary of said Lot 2708 to meet the northerly boundary of Lot 1812 (S.); thence westerly following said northerly boundary of Lot 1812 (S.) to the north-west corner thereof; thence southerly following the westerly boundary of said Lot 1812 (S.) to the point thereon which lies due east of the north-east corner of Lot 2775 (S.); thence due west to said north-east corner; thence westerly following the northerly boundary of said Lot 2775 (S.) to the north-west corner thereof; thence northerly following the easterly boundary of Lot 2776 (S.) to the north-east corner thereof; thence westerly following the northerly boundary of said Lot 2776 (S.) to the north-west corner thereof; thence due west to the point due north of the north-east corner of Lot 1823 (S.); thence due south to said north-east corner; thence southerly following the easterly boundaries of said Lot 1823 (S.) and of Lot 101 (S.) and the westerly boundaries of Lots 777 (S.), 1037 (S.), 488 (S.), 486 (S.), and 487 (S.) to the south-west corner of said Lot 487 (S.); thence easterly following the southerly boundary of said Lot 487 (S.) to the south-east corner thereof; thence southerly following the easterly boundary of the South-west Quarter of Section 2, Township 65, Osoyoos District, to the south-east corner thereof, being a point on the International Boundary aforesaid; thence west along said International Boundary to the point of commencement. All the lots herein above named lie in the Osoyoos Land District aforesaid, save those distinguished by the suffix "S.," which lie in the Similkameen Land District aforesaid.

Vital Statistics Registration District of Penticton.

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at the north-east corner of Lot 280, Osoyoos Land District; thence westerly following the northerly boundary of said Lot 280 to the south-east corner of Lot 2169; thence northerly, easterly, and northerly following the respective external boundaries of said Lot 2169 to the north-east corner thereof; thence easterly following the southerly boundary of Block A of Lot 228 (S.) to the south-east corner thereof; thence northerly, easterly, and northerly following the respective external boundaries of said Block A of Lot 411 to the north-east corner of said Lot 411; thence westerly, southerly, and westerly following the respective external boundaries of said Lot 411 of Block B of said Lot 228 (S.) and of Lots 229 (S.) and 264 (S.) to the south-west corner of said Lot 264 (S.); thence northerly and westerly following the respective external boundaries of said Lot 264 (S.) and of Lots 2411 (S.) and 1712 (S.) to the north-west corner of said Lot 1712 (S.); thence

due north to the point due east of the most northerly north-east corner of Lot 909; thence due west to said north-east corner; thence westerly following the northerly boundary of said Lot 909 to the north-west corner thereof; thence due west to the easterly boundary of the watershed of Tenas Creek; thence in a general north-westerly direction to and along the divide separating the waters flowing easterly into the Okanagan River from those flowing westerly into the Similkameen River to the point thereon which lies due west of the north-west corner of Lot 3083; thence east to said north-west corner; thence easterly following the northerly boundaries of said Lot 3083 and of Lots 3081 and 3082 to the north-east corner of said Lot 3082; thence easterly following the northerly boundary of Lot 3086 to the north-east corner thereof; thence northerly in a right line to the south-east corner of Lot 3713 and continuing northerly along the easterly boundaries of said Lot 3713 and of Lot 3712 to the south-west corner of Lot 3317; thence easterly following the southerly boundary of said Lot 3317 to the south-east corner thereof; thence northerly following the easterly boundaries of said Lot 3317 and of Lots 3755 and 2887 to the re-entrant angle of said Lot 2887; thence easterly following the southerly boundaries of said Lot 2887 and of Lot 2886 to the re-entrant angle of said Lot 2886; thence southerly and easterly following the respective external boundaries of said Lot 2886 to the point of intersection of the more southerly boundary of said Lot 2886 with the centre line of Trout Creek; thence in a general easterly direction following said centre line of Trout Creek to the westerly shore of Okanagan Lake; thence southerly, easterly, and northerly following the shoreline of said Okanagan Lake to the north-west corner of Lot 211; thence easterly following the northerly boundaries of said Lot 211 and of Lots 3314 and 198 (S.) to the north-east corner of said Lot 198 (S.); thence due east to meet the easterly boundary of Lot 2711; thence northerly following said easterly boundary of Lot 2711 to the point thereon which lies due west of the north-west corner of Lot 205 (S.); thence due east to said north-west corner; thence easterly following the northerly boundary of said Lot 205 (S.) to the north-east corner thereof; thence due east to intersect the west boundary of Lot 2712; thence south along the west boundary of said Lot 2712 to the south-west corner thereof; thence east along the south boundary of Lot 2712 to the point thereon which lies due north of the north-east corner of Lot 3639; thence south to said north-east corner; thence southerly following the easterly boundary of said Lot 3639 to the point thereon which lies due east of the north-east corner of Sub-lot 6 of said Lot 3639; thence due west to said north-east corner; thence westerly following the northerly boundary of said Sub-lot 6 to the north-west corner thereof; thence due west to intersect the easterly boundary of Lot 2710; thence southerly following said easterly boundary of Lot 2710 to the point thereon which lies due east of the south-east corner of Sub-lot 21 of said Lot 2710; thence due west to said south-east corner; thence westerly following the southerly boundaries of said Sub-lot 21 and of Lots 465 and 464 to the south-west corner of said Lot 464; thence northerly, westerly, and southerly following the respective external boundaries of Lot 3090 to the northerly boundary of Lot 551; thence westerly following said northerly boundary of Lot 551 and the southerly boundaries of Lot 374 and of Indian Reserve No. 2, "Dog Lake," to the centre line of the Okanagan River; thence in a south-easterly direction along said centre line of Okanagan River to meet the easterly production of the southerly boundary of Lot 30 (S.); thence westerly to and along said southerly boundary of Lot 30 (S.), the northerly boundaries of Sections 36, 35, and 34 of Township 53, Osoyoos District, and the southerly boundaries of Lots 2462 (S.), 2466 (S.), and 2620 (S.) to the south-west corner of said Lot 2620 (S.); thence northerly following the westerly boundary of said Lot 2620 (S.) to the northerly boundary of Lot 2824; thence westerly following said northerly boundary of Lot 2824 to the north-west corner thereof; thence southerly following the westerly boundary of said Lot 2824 to the north-

erly boundary of Lot 906 (S.); thence westerly following said northerly boundary of Lot 906 (S.) to the north-west corner thereof; thence southerly following the westerly boundary of said Lot 906 (S.) to the point of commencement. All the above-named lots are in the Osoyoos Land District, save those distinguished by the suffix "S.," which are in the Similkameen Land District aforesaid.

Princeton.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at that point on the International Boundary between Canada and the United States of America which is intersected by the height of land separating the waters flowing easterly into the Similkameen River from those flowing westerly into the Skagit River; thence in a general north-easterly direction along said height of land and passing around the headwaters of Skaist Creek to meet the divide between the waters flowing northerly into the Tulameen River and those flowing southerly into the Skagit River aforesaid; thence in a westerly direction along said divide to the point on same which lies due east of the north-east corner of Section 15, Township 4, Range 23, west of the 6th meridian; thence due west to said north-east corner, being a point on the easterly boundary of the Dominion Railway Belt; thence southerly following said easterly boundary of the Railway Belt to the south-east corner of Section 4, Township 4, Range 23; thence west along the south boundaries of said Township 4, Range 23, and of Township 4, Range 24, to the south-west corner of Section 3 of said Township 4, Range 24; thence north along the west boundaries of said Section 3 and of Sections 10, 15, 22, 27, and 34 of said Township 4, Range 24, and of Sections 3, 10, and 15 of Township 5 of said Range 24 to the north-west corner of said Section 15; thence east along the south boundaries of Sections 22, 23, and 24 of said Township 5, Range 24, to the south-east corner of said Section 24; thence north along the east boundaries of said Township 5 and of Township 6, Range 24, to the north-west corner of Township 6, Range 23; thence east along the north boundaries of said Township 6, Range 23, and of Township 6, Range 22, to the south-east corner of Section 6, Township 7, Range 22, being a point on the easterly limit of the Railway Belt aforesaid; thence northerly following said easterly limit of the Railway Belt to the north-east corner of Section 19, Township 9, Range 22; thence due east to meet the divide between the waters flowing easterly into Brook Creek from those flowing westerly into the Coldwater River; thence in a northerly direction along said divide to the point thereon which lies due south of the south-east corner of Lot 598, Yale Land District; thence north to said south-east corner; thence northerly following the easterly boundary of said Lot 598 to the north-east corner thereof; thence due east to intersect the westerly boundary of Lot 586 of said Yale District; thence northerly following the westerly boundary of said Lot 586 to the north-west corner thereof; thence easterly following the northerly boundaries of said Lot 586 and of Lot 582 of said Yale District to the north-east corner of said Lot 582; thence due north to the point due west of the north-west corner of Lot 792 of said Yale District; thence due east to said north-west corner; thence easterly following the northerly boundaries of said Lot 792, Yale District, and of Lot 2987, Kamloops Land District, to the north-east corner of said Lot 2987; thence southerly following the easterly boundary of said Lot 2987 to the south-east corner thereof; thence easterly following the southerly boundary of Lot 2994 to the more southerly south-east corner thereof; thence southerly following the westerly boundary of Lot 2221 to the south-west corner thereof; thence easterly following the southerly boundaries of said Lot 2221 and of Lot 2230 to the north-west corner of Lot 2222; thence southerly following the westerly boundary of said Lot 2222 to the south-west corner

thereof; thence easterly following the southerly boundary of said Lot 2222 and the northerly boundaries of Lots 2223, 902, 2220, and 2238 to the north-east corner of said Lot 2238; thence due east to intersect the westerly boundary of Lot 1899; thence northerly following said westerly boundary of Lot 1899 to the north-west corner thereof; thence easterly following the southerly boundaries of Lots 1762 and 1763 to the south-east corner of said Lot 1763; thence northerly following the easterly boundary of said Lot 1763 to the more northerly north-west corner of Lot 2364; thence easterly following the northerly boundary of said lot to the north-east corner thereof; thence southerly following the easterly boundary of said Lot 2364 to the south-west corner of Lot 842; thence easterly following the southerly boundaries of said Lot 842 and of Lot 2367 to the south-east corner of said Lot 2367; thence due east to the point due north of the north-west corner of Lot 4417; thence due south to said north-west corner; thence southerly and easterly following the westerly and southerly boundaries, respectively, of said Lot 4417 to the south-east corner thereof; thence northerly following the easterly boundary of said Lot 4417 to the north-east corner thereof; thence easterly in a right line to and along the southerly boundary of Lot 2806; thence due east to meet the westerly boundary of the watershed of Siwash Creek; thence in a south-easterly direction following said boundary of said watershed to the point thereon which lies due west of the south-west corner of Lot 4526; thence due east to said south-west corner; thence easterly following the southerly boundary of said Lot 4526 to the south-east corner thereof; thence due east to intersect the divide separating the waters flowing easterly into the tributaries of Trout Creek from those flowing westerly into said Siwash Creek; thence in a general southerly direction following said divide to the point thereon which lies due north of the north-east corner of Lot 4744; thence southerly following the easterly boundary of said Lot 4744 to the south-east corner thereof; thence due east to the point due north of the north-west corner of Lot 4171; thence due south to said north-west corner; thence southerly following the westerly boundary of said Lot 4171 to the south-west corner thereof and continuing southerly to and along the easterly boundary of Lot 4187 to the south-east corner thereof—all the lots herein above mentioned, unless specified to the contrary, lie in the Kamloops Land District aforesaid; thence due south to intersect again the divide between the waters flowing westerly into Hayes and Hedley Creeks from those flowing easterly into Trout and Shingle Creeks; thence in a south-easterly direction following said divide to the point thereon which lies due west of the north-west corner of Lot 3083, Osoyoos Land District; thence in a general southerly direction following the easterly boundary of the watershed of said Hedley Creek to the point on same which lies due north of the north-east corner of Lot 267 (S.), Similkameen Land District; thence due south to said north-east corner; thence southerly following the easterly boundaries of said Lot 267 (S.) and of Lot 376 (S.) to the south-east corner of said Lot 376 (S.); thence due south to the point due east of Lot 231 (S.); thence due west to said south-east corner; thence westerly following the southerly boundaries of said Lot 231 (S.) and of Lot 1970 produced to the centre line of the Similkameen River; thence in a southerly direction along said centre line to the point on same which lies due east of the north-easterly corner of Indian Reserve No. 10A, "Ashnola"; thence due west to said north-easterly corner; thence westerly following the northerly boundary of said Indian reserve to the north-west corner thereof; thence due west to meet the divide between the waters flowing southerly into the Ashnola River from those flowing northerly into said Similkameen River; thence in a general south-westerly direction along said divide to intersect the International Boundary aforesaid; thence west along said International Boundary to the point of commencement

*Vital Statistics Registration District of
Salmon Arm.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:

Commencing at the south-west corner of Township 19, Range 10, west of the 6th meridian of the Dominion system of townships, being a point within the confines of the Railway Belt; thence east along the south boundary of said Township 19 to the south-east corner of Section 4 thereof; thence north along the east boundaries of said Section 4 and of Sections 9 and 16 of said township to the north-east corner of said Section 16; thence east along the north boundaries of Sections 15, 14, and 13 of said Township 19, Range 10, to the north-east corner of said Section 13; thence easterly following the northerly boundaries of Sections 18, 17, 16, and 15 of Township 19, Range 9, to the north-east corner of said Section 15; thence southerly following the westerly boundary of Section 14 of said township to the south-west corner thereof; thence easterly following the southerly boundary of said Section 14 to the south-east corner thereof; thence northerly following the easterly boundary of said Section 14 to the southerly boundary of Lot 526, Kamloops Land District; thence easterly following said southerly boundary of Lot 526 to the south-east corner thereof, being a point on the westerly shore of the Shuswap River; thence in a north-easterly direction following said shore-line to the northerly boundary of Section 13 of said township; thence easterly following the northerly boundaries of said Section 13 of said Township 19, Range 9, and of Section 18 of Township 19, Range 8, to the north-east corner of said Section 18; thence east along the north boundaries of Sections 17, 16, 15, 14, and 13 of said Township 19, Range 8, to the north-east corner of said Section 13; thence north along the east boundary of said Township 19, Range 8, to the north-east corner thereof; thence east along the north boundary of Township 19, Range 7, to the south-east corner of Section 4 of Township 20, Range 7; thence north along the east boundaries of said Section 4 and of Sections 9, 16, 21, 28, and 33 to the north-east corner of said Section 33; thence east along the north boundary of said Township 20, Range 7, to the north-east corner thereof; thence north along the west boundary of Township 21, Range 6, to the north-west corner thereof; thence east along the north boundary of said Township 21 to the north-east corner thereof; thence north along the west boundary of Township 22, Range 5, to the north-west corner thereof; thence east along the north boundary of said Township 22, Range 5, to the north-east corner thereof; thence south along the west boundary of Township 22, Range 4, to the north-west corner of Section 18 of said township; thence east along the north boundaries of said Section 18 and of Sections 17, 16, 15, 14, and 13 of said Township 22, Range 4, and those of Sections 18, 17, and 16 of Township 22, Range 3, to the north-west corner of Section 15 of said Township 22, Range 3, west of the 6th meridian aforesaid; thence north along the west boundaries of Sections 22, 27, and 34 of said township to the north-west corner of said Section 34; thence west along the south boundary of Township 23, Range 3, to the south-west corner of Section 3 thereof; thence north along the west boundaries of said Section 3 and of Sections 10, 15, 22, 27, and 34 of said Township 23, Range 3, to the north-west corner of said Section 34; thence west along the south boundary of Township 24, Range 3, to the south-west corner thereof; thence north along the west boundary of said Township 24 to the north-west corner thereof; thence west along the south boundary of Township 25, Range 4, to the south-west corner of Section 3 of said township; thence north along the east boundaries of Sections 4, 9, 16, 21, 28, and 33 of said Township 25 and of Sections 4, 9, 16, 21, 28, and 33 of Township 26, Range 4, to the north-east corner of said Section 33, Township 26, Range 4, west of the 6th meridian aforesaid, being a point on the northerly boundary of the Railway Belt aforesaid; thence in a westerly direction following said boundary of

the Railway Belt to meet the westerly boundary of the watershed of the Columbia River; thence in a north-westerly direction following said boundary of said watershed to the northerly boundary of the watershed of the Seymour River; thence in a westerly direction following said northerly boundary of said watershed to intersect the divide separating the waters flowing easterly into said Seymour River, into Humamilt Lake and Shuswap Lake from those flowing westerly into the Adams River and into Adams Lake and Scotch Creek; thence in a southerly direction along said divide produced to the north-west corner of Section 20, Township 25, Range 8, west of the 6th meridian, being a point on the northerly boundary of the Railway Belt aforesaid; thence westerly following said northerly boundary of the Railway Belt to the north-west corner of Section 19, Township 25, Range 10, west of the 6th meridian aforesaid; thence south along the west boundaries of said Township 25 and of Townships 24 and 23, Range 10, to the theoretical south-west corner of said Township 23, being a point in Shuswap Lake; thence east along the theoretical north boundary of Township 22, Range 11, to the theoretical north-west corner of Township 22, Range 10; thence south along the west boundaries of said Township 22 and of Townships 21 and 20 and continuing southerly along the westerly boundary of Township 19 of said Range 10 to the point of commencement.

*Vital Statistics Registration District of
Summerland.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at that point on the height of land separating the waters flowing westerly into Hayes and Hedley Creeks from those flowing easterly into Trout and Shingle Creeks which lies due west of the north-west corner of Lot 3083, Osoyoos Land District; thence in a north-westerly direction along said height of land to the point thereon which lies due south of the south-east corner of Lot 4187, Kamloops Land District; thence due north to said south-east corner; thence northerly following the easterly boundary of said Lot 4187 and continuing northerly to and along the westerly boundary of Lot 4171 to the north-west corner thereof; thence due north to the point due east of the south-east corner of Lot 4744; thence due west to said south-east corner; thence northerly following the easterly boundary of said Lot 4744 to the north-east corner thereof; thence due north to intersect the divide separating the waters flowing easterly into the tributaries of said Trout Creek from those flowing westerly into Siwash Creek; thence in a north-westerly direction along said divide to the point thereon which lies due south of the south-west corner of Lot 4530, Osoyoos Land District; thence due north to said south-west corner; thence northerly following the westerly boundary of said Lot 4530 to the north-west corner thereof—all the lots herein above mentioned, unless specified to the contrary, lie in the Kamloops Land District aforesaid; thence due north to intersect again the divide between Trout and Siwash Creeks aforesaid; thence in a northerly direction along said divide to the north-easterly boundary of the watershed of said Trout Creek; thence in a south-easterly direction along said boundary of said watershed to the point on same which lies due north of the more southerly north-west corner of Lot 4485, Osoyoos District; thence due south to said north-west corner; thence southerly following the westerly boundary of said Lot 4485 to the south-west corner thereof; thence easterly following the southerly boundary of said Lot 4485 to the south-east corner thereof; thence due south to the point due west of the north-west corner of Lot 3918; thence due east to said north-west corner; thence easterly following the northerly boundaries of said Lot 3918 and of Lots 3921 and 3924 to the north-east corner of said Lot 3924; thence southerly following the easterly boundary of said Lot 3924 to the point thereon which lies due west of the south-west corner of Lot 4482; thence due east to said south-west corner; thence easterly following the southerly boundaries of said Lot 4482

and of Lot 4481 to the south-east corner of said Lot 4481 and continuing easterly to and along the southerly boundary of Lot 2533 to the south-east corner thereof, being a point on the westerly shore of Okanagan Lake aforesaid; thence due east across said lake to the easterly shore thereof; thence in a north-westerly direction along said shore-line to the point thereon which lies due west of the north-west corner of Lot 2727 (S.), Similkameen Land District; thence due east to said north-west corner; thence easterly following the northerly boundary of said Lot 2727 (S.) to the north-east corner thereof; thence southerly following the easterly boundary of said lot to the point thereon which lies due west of the north-west corner of Lot 2734 (S.); thence due east to said north-west corner; thence easterly following the northerly boundaries of said Lot 2734 (S.) and of 2733 (S.) to the north-east corner of said Lot 2733 (S.); thence due east to meet the easterly boundary of Lot 2711; thence southerly following said easterly boundary to the point thereon which lies due east of the north-east corner of Lot 198 (S.); thence due west to said north-east corner; thence westerly following the northerly boundaries of said Lot 198 (S.) and of Lots 3314 and 211 to the north-west corner of said Lot 211, being a point on the easterly shore of said Okanagan Lake; thence southerly, westerly, and northerly following the shore-line of said lake to the centre line of said Trout Creek; thence in a general westerly direction following said centre line of Trout Creek to meet the more southerly boundary of Lot 2886; thence westerly, northerly, and westerly following the respective external boundaries of said Lot 2886 and that of Lot 2887 to the re-entrant angle of said Lot 2887; thence southerly following the easterly boundaries of said Lot 2887 and of Lots 3755 and 3317 to the south-east corner of said Lot 3317; thence westerly following the southerly boundary of said Lot 3317 to the south-west corner thereof; thence southerly following the easterly boundaries of Lots 3712 and 3713 and continuing southerly to the north-east corner of Lot 3086; thence westerly following the northerly boundary of said Lot 3086 to the south-east corner of Lot 3082; thence northerly following the easterly boundary of said Lot 3082 to the north-east corner thereof; thence westerly following the northerly boundaries of said Lot 3082 and of Lots 3081 and 3083 to the north-west corner of said Lot 3083; thence due west to the point of commencement. All the lots herein above mentioned lie in the Osoyoos Land District aforesaid, save those distinguished with the suffix "S.," which said lots are in the Similkameen Land District aforesaid.

*Vital Statistics Registration District of
Vernon.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at that point on the divide separating the waters flowing northerly into Harris, Nicklen, Duteau, and Coldstream Creeks from those flowing southerly into Mission, Kelowna, and Vernon Creeks which is intersected by the easterly boundary of the watershed of said Mission Creek; thence in a westerly direction following said divide to the point thereon which lies due north of the north-east corner of Section 8, Township 21, Osoyoos Land District; thence due south to said north-east corner; thence westerly following the northerly boundary of said Section 8 to the north-west corner thereof; thence northerly following the easterly boundary of Section 18 of said Township 21 to the north-east corner of the South Half of said Section 18; thence westerly following the northerly boundary of said South Half of said section to the north-west corner thereof; thence southerly following the westerly boundaries of said Section 18 and of Section 7 of said Township 21 to the south-west corner of said Section 7; thence westerly following the northerly boundaries of Sections 1 and 2, Township 20, of Indian Reserve No. 7, "Duck Lake," and of Sections 3 and 4 in said Township 20 to the north-west corner of said Section 4, being a point on the easterly shore of Okanagan Lake; thence westerly in a right line to the south-east corner of Lot 2549 and continuing

westerly along the southerly boundary of said Lot 2549 to the south-west corner thereof; thence northerly following the westerly boundaries of said Lot 2549 and of Lot 4499 to the north-west corner of said Lot 4499; thence easterly following the northerly boundary of said Lot 4499 to the south-west corner of Lot 3546; thence northerly following the westerly boundary of said Lot 3546 to the south-east corner of Lot 3829; thence westerly following the southerly boundary of said Lot 3829 to the south-west corner thereof; thence northerly following the westerly boundary of said Lot 3829 to the north-west corner thereof; thence westerly to and along the northerly boundary of Lot 4235 to the north-west corner thereof; thence due west to meet the height of land separating the waters flowing southerly into Terrace (Big Horn) Creek from those flowing northerly into Shorts Creek; thence in a north-westerly direction along said height of land to meet the divide separating the waters flowing westerly into the Nicola River, Sucker Creek, and the Salmon River from those flowing easterly into Okanagan Lake aforesaid; thence in a northerly direction along said divide to the point thereon which lies due south of the south-east corner of Section 6, Township 17, Range 12, west of the 6th meridian, being a point on the southerly boundary of the Railway Belt; thence in a north-easterly direction along said boundary of the Railway Belt to meet the divide between the waters flowing westerly into the Shuswap River and those flowing easterly into Upper Arrow Lake; thence in a southerly direction following said divide to intersect the northerly boundary of the watershed of the Kettle River; thence in a south-westerly direction following said boundary of said watershed to the point thereon which lies due north of the north-east corner of Lot 307; thence due south to said north-east corner; thence westerly following the northerly boundary of said Lot 307 to the north-west corner thereof; thence due west to meet the height of land separating the waters flowing northerly into the Shuswap River and into Coldstream Creek from those flowing southerly into said Kettle River; thence in a south-westerly direction along said height of land to the point of commencement. All the lots herein above mentioned lie in the Osoyoos Land District aforesaid.

DIVISION No. 5.

*Vital Statistics Registration District of
Beaton.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at the south-east corner of Section 25, Township 24, Range 25, west of the 5th meridian of the Dominion system of townships; thence west along the south boundaries of said Section 25 and of Sections 26 and 27 to the south-west corner of said Section 27; thence north along the west boundaries of said Section 27 and of Section 34 of said Township 24, and of Sections 3, 10, 15, 22, 27, and 34 of Township 25, Range 25, to the north-west corner of said Section 34; thence west along the south boundaries of Township 26 in Ranges 25 and 26 to the south-west corner of said Township 26, Range 26; thence south along the east boundary of Township 25, Range 27, to the south-east corner of Section 25 of said township; thence west along the south boundaries of said Section 25 and of Sections 26 and 27 to the south-west corner of said Section 27; thence south along the west boundaries of Sections 22, 15, 10, and 3 of said Township 25 and of Sections 34, 27, and 22 of Township 24, Range 27, to the south-west corner of said Section 22; thence west along the north boundaries of Sections 16, 17, and 18 of said Township 24, Range 27, to the north-west corner of said Section 18; thence south along the east boundary of Township 24, Range 28, to the south-east corner of said township; thence west along the north boundary of Township 23, Range 28, to the north-west corner of Section 34 of said township; thence south along the west boundaries of said Section 34 and of Sections 27, 22, 15, 10, and 3 of said Township 23 to the south-west corner of said

Section 3; thence west along the north boundary of Township 22, Range 28, to the north-west corner thereof; thence south along the west boundary of said township to the north-west corner of Section 18 thereof; thence east along the north boundaries of said Section 18 and of Sections 17, 16, 15, 14, and 13 of said township to the north-east corner of said Section 13; thence south along the east boundary of said township to the south-east corner thereof; thence west along the south boundary of said Township 22, Range 28, to the south-west corner thereof; thence south along the east boundary of Township 21, Range 29, to the north-east corner of Section 13 of said township; thence west along the north boundaries of said Section 13 and of Sections 14, 15, 16, 17, and 18 of said Township 21, Range 29, to the north-west corner of said Section 18; thence northerly following the easterly boundary of Township 21, Range 1, west of the 6th meridian, to the north-east corner of Section 13 thereof; thence westerly following the northerly boundaries of said Section 13 and of Sections 14 and 15 and continuing west along the north boundaries of Sections 16, 17, and 18 of said township, and of Sections 13, 14, 15, 16, 17, and 18 of Township 21, Range 2, to the north-west corner of said Section 18, Township 21, Range 2; thence south along the east boundaries of Townships 21 and 20 in Range 3, west of the 6th meridian, to the south-east corner of said Township 20, Range 3, being a point on the southerly boundary of the Railway Belt; thence in an easterly direction following said boundary of the Railway Belt to the south-east corner of Section 17, Township 20, Range 1, west of the 6th meridian; thence in a south-easterly direction to and along the northerly boundary of the watershed of Pingston Creek produced to the north-west corner of Lot 860, Kootenay Land District; thence southerly following the westerly boundary of said Lot 860 to the south-west corner thereof; thence easterly following the southerly boundary of said Lot 860 to the south-east corner thereof, being a point on the westerly shore of Upper Arrow Lake; thence in a north-easterly direction in a right line to the north-west corner of Lpt 11756, being a point on the easterly shore of said Upper Arrow Lake; thence easterly following the northerly boundary of said Lot 11756 and the southerly boundary of Lot 11758 to the south-east corner of said Lot 11758; thence in an easterly direction to and along the northerly boundary of the watershed of Halfway Creek to meet the height of land separating the waters flowing easterly into Trout Lake from those flowing westerly into said Upper Arrow Lake; thence in a north-easterly direction along said height of land to the point thereon which lies due south of the south-east corner of Lot 5694; thence due north to said south-east corner; thence northerly following the easterly boundary of said Lot 5694 to the north-east corner thereof; thence in a north-easterly direction to and along the divide separating the waters flowing easterly into said Trout Lake, into Ferguson Creek, and into the Westfall River from those flowing westerly into said Upper Arrow Lake and into the Incomappleux River produced to the south-east corner of Section 20, Township 23, Range 25, west of the 5th meridian, being a point on the southerly limit of the Railway Belt aforesaid; thence north along the east boundary of said Section 20 to the north-east corner thereof; thence east along the south boundaries of Sections 28, 27, 26, and 25 to the south-east corner of said Section 25 of said Township 23; thence north along the east boundaries of said Township 23 and of Township 24, Range 25, to the point of commencement. All the lots herein above mentioned lie in the Kootenay Land District aforesaid.

*Vital Statistics Registration District of
Cranbrook.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at that point on the easterly boundary of the watershed of Kootenay Lake which is intersected by the divide between St. Mary River and Skookumchuck Creek; thence in an easterly

direction along said divide to intersect the more southerly of the northerly boundaries of Block F of Lot 4592, Kootenay Land District; thence easterly following said boundary of Block F to the re-entrant angle of said Block F; thence due east to the easterly boundary of said Lot 4592; thence in a south-easterly direction to and along the easterly boundary of the watershed of Mark Creek to the point thereon which lies due north of the north-east corner of Lot 11589; thence due south to said north-east corner; thence southerly following the easterly boundaries of said Lot 11589 and of Lots 11597 and 11596 to the south-east corner of said Lot 11596; thence easterly following the northerly boundaries of Lots 11312 and 11309 to the north-east corner of said Lot 11309; thence southerly following the easterly boundaries of said Lot 11309 and of Lot 11310 to the south-east corner of said Lot 11310; thence easterly following the northerly boundary of Lot 11615 to the north-east corner thereof; thence southerly following the easterly boundary of said Lot 11615 to the south-east corner thereof; thence westerly following the southerly boundary of said Lot 11615 to the north-east corner of Lot 7224; thence southerly following the easterly boundaries of said Lot 7224 and of Lots 10367, 10368, and 4045 to the south-east corner of said Lot 4045; thence westerly following the southerly boundary of said Lot 4045 to the south-west corner thereof, being a point on the easterly shore of St. Mary River aforesaid; thence westerly in a right line across said river to the north-west corner of Lot 12529; thence southerly following the westerly boundaries of said Lot 12529 and of Lot 10281 to the south-west corner of said Lot 10281; thence westerly following the northerly boundary of Lot 10282 to the north-west corner thereof; thence due west to meet the northerly boundary of the watershed of Perry Creek; thence in a south-westerly direction along said boundary of said watershed to meet the easterly boundary of the watershed of the Goat River; thence in a south-easterly direction following said boundary of said watershed to meet the divide separating the waters flowing southerly into Irishman Creek and Lamb Creek from those flowing northerly; thence in a north-easterly direction along said divide to the point thereon which lies due west of the south-west corner of Lot 12140; thence due east to said south-west corner; thence easterly following the southerly boundaries of said Lot 12140 and of Lots 12138, 2798, and 297 to the south-east corner of said Lot 297; thence due east to intersect the westerly boundary of the watershed of Gold Creek; thence in a north-easterly direction following said boundary of said watershed to the point on same which lies due west of the south-west corner of Sub-lot 26 of Lot 4591; thence due east to said south-west corner; thence northerly following the westerly boundaries of said Sub-lot 26 and of Sub-lot 4 of said Lot 4591 to the north-west corner of said Sub-lot 4; thence easterly following the northerly boundary of said Sub-lot 4 to the north-east corner thereof; thence due north to meet the divide between the headwaters of Joseph and Gold Creeks; thence in a north-easterly direction along said divide produced to intersect the easterly boundary of said Lot 4591 at the point thereon which lies due west of the south-west corner of Lot 12243; thence southerly following said easterly boundary of Lot 4591 to the point thereon which lies due west of the north-west corner of Lot 12240; thence due east to said north-west corner; thence easterly following the northerly boundaries of said Lot 12240 and of Lot 12239 to the north-west corner of Lot 11778; thence southerly following the westerly boundaries of said Lot 11778 and of Lot 11779 to the south-west corner of said Lot 11779; thence due south to meet the divide between the waters flowing westerly into Gold Creek and those flowing easterly into the Kootenay River; thence in a south-easterly direction along said divide to meet the southerly boundary of the watershed of Plumbob Creek; thence in a north-easterly direction following said boundary of said watershed produced to the south-west corner of Lot 330; thence northerly following the westerly boundary of said Lot 330 to the north-west corner thereof;

thence easterly following the northerly boundary of said Lot 330 to the point thereon which lies due south of the south-west corner of Lot 120; thence due north across the Kootenay River to said south-west corner; thence northerly following the westerly boundary of said Lot 120 to the north-west corner thereof; thence easterly following the northerly boundaries of said Lot 120 and of Lot 5812 to the north-east corner of said Lot 5812; thence southerly following the easterly boundary of said Lot 5812 to the north-west corner of Lot 119; thence easterly following the northerly boundary of said Lot 119 to the south-east corner of Lot 316; thence northerly following the easterly boundary of said Lot 316 to the point thereon which lies due west of the south-west corner of Lot 6407; thence east to said south-west corner; thence northerly following the westerly boundary of said Lot 6407 to the north-west corner thereof; thence easterly following the southerly boundary of Lot 6402 to the south-east corner thereof; thence northerly following the westerly boundaries of Lots 6357 and 6359 to the north-west corner of said Lot 6359; thence easterly following the southerly boundary of Lot 3062 to the south-east corner thereof; thence northerly following the easterly boundaries of said Lot 3062 and of Lot 3063 to the north-east corner of said Lot 3063; thence easterly following the northerly boundary of Sub-lot 20 of Lot 4590 to the north-east corner of said Sub-lot 20; thence due east to meet the divide between Caithness and McDermid Creeks; thence in an easterly direction along said divide and continuing thence in a north-westerly direction to and along the height of land between said McDermid Creek and Lizard Creek, to intersect the divide separating the waters flowing easterly into the Elk River from those flowing westerly into the Bull River; thence in a northerly direction along said divide to meet the height of land separating the waters flowing northerly into the White River and into said Kootenay River from those flowing southerly into said Bull River and into the Lussier River (Sheep Creek); thence in a general westerly direction along said height of land to intersect the easterly boundary of Lot 4596; thence southerly following said easterly boundary to the point thereon which lies due east of the most northerly north-east corner of Sub-lot 169 of said Lot 4596; thence due west to said north-east corner; thence westerly following the northerly boundary of said Sub-lot 169 to the north-west corner thereof; thence southerly following the westerly boundary of said Sub-lot 169 to the most northerly south-west corner thereof; thence due south to the point due east of the south-east corner of Sub-lot 59 of said Lot 4596; thence due west to said south-east corner; thence westerly following the southerly boundary of said Sub-lot 59 to the easterly boundary of Lot 114; thence northerly following said easterly boundary of Lot 114 to the north-east corner thereof; thence westerly following the northerly boundary of said Lot 114 to the north-west corner thereof; thence due west to the centre line of said Kootenay River; thence in a southerly direction along said centre line to meet the westerly production of the centre line of Findlay Creek; thence in a north-westerly direction along said centre line of Findlay Creek to the point thereon which lies due north of the north-east corner of Sub-lot 53 of said Lot 4596; thence due south to said north-east corner; thence southerly following the easterly boundary of said Sub-lot 53 to the south-east corner thereof; thence due south to the point due east of the south-east corner of Sub-lot 159 of said Lot 4596; thence due west to said south-east corner; thence westerly following the southerly boundary of said Sub-lot 159 to the south-west corner thereof; thence due west to intersect the divide separating the waters flowing northerly into said Findlay Creek from those flowing southerly into Skookumchuck Creek aforesaid; thence in a westerly direction along said divide produced to meet the easterly boundary of the watershed of Kootenay Lake aforesaid; thence in a southerly direction along said boundary of said watershed to the point of commencement. All the lots herein above mentioned lie in the Kootenay Land District aforesaid.

*Vital Statistics Registration District of
Creston.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at that point on the 49th parallel of north latitude which is intersected by the height of land separating the waters flowing westerly into the Salm River from those flowing easterly into Kootenay Lake and the Kootenay River; thence in a northerly direction along said height of land to the point thereon which lies due west of the most westerly north-west corner of Sub-lot 6 of Lot 2381, Kootenay Land District; thence due east to said north-west corner; thence easterly, northerly, and easterly following the respective northerly and westerly boundaries of said Sub-lot 6 to the north-east corner thereof, being a point on the westerly boundary of Lot 886; thence southerly following said westerly boundary of Lot 886 to the south-west corner thereof; thence easterly following the southerly boundary of said Lot 886 to the south-east corner thereof, being a point on the westerly shore of Kootenay Lake aforesaid; thence easterly in a right line across said Kootenay Lake to the north-west corner of Lot 2636A; thence easterly following the northerly boundaries of said Lot 2636A and of Lot 2635 to the more westerly north-east corner of said Lot 2635; thence due east to meet the easterly boundary of the watershed of said Kootenay Lake; thence northerly following said boundary of said watershed to meet the northerly boundary of the watershed of the Goat River; thence in an easterly direction following said boundary of said watershed to intersect the westerly boundary of the watershed of the Moyie River; thence in a southerly direction following said boundary of said watershed to the north-east corner of Lot 3903; thence southerly following the easterly boundaries of said Lot 3903 and of Lot 12603 to the south-east corner of said Lot 12603; thence westerly following the southerly boundary of said Lot 12603 to the south-west corner thereof; thence in a general westerly direction to and along the height of land separating the waters flowing southerly into said Moyie River from those flowing northerly to the most easterly north-east corner of Lot 812; thence southerly following the easterly boundary of said Lot 812 to the south-east corner thereof, being a point on the 49th parallel aforesaid; thence west along said parallel to the point of commencement. All the lots herein above mentioned lie in the Kootenay District aforesaid.

*Vital Statistics Registration District of
Fernie.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at the south-east corner of the Province, being a point on the 49th parallel of north latitude; thence in a north-westerly direction along the Interprovincial Boundary between British Columbia and Alberta to the point thereon which lies due east of the north-east corner of Lot 6869, Kootenay Land District; thence due west to said north-east corner; thence westerly following the northerly boundaries of said Lot 6869 and of Lot 6989 to the north-west corner of said Lot 6989; thence due west to intersect the easterly boundary of Lot 4589; thence southerly following said easterly boundary of Lot 4589 to meet the divide separating the waters flowing northerly into Michel and Leach Creeks from those flowing southerly into the Flathead River and Morrissey Creek; thence in a westerly direction following said divide to meet the height of land separating the waters flowing easterly into said Leach and Michel Creeks from those flowing westerly into Coal Creek and the Elk River; thence in a northerly direction along said height of land to the point thereon which lies due east of the south-east corner of Lot 363; thence due west to said south-east corner; thence westerly following the southerly boundary of said Lot 363 to the south-west corner thereof; thence due west to intersect the divide separating the waters flowing easterly into said Elk River from those flowing westerly

into the Bull River; thence in a general south-westerly direction along said divide to pass south-easterly along the height of land between Lizard and McDermid Creeks, and continuing thence westerly to and along the divide between said McDermid Creek and Caithness Creek to the point thereon which lies due east of the north-east corner of Sub-lot 20 of Lot 4590; thence west to said north-east corner; thence westerly following the northerly boundary of said Sub-lot 20 to the north-west corner thereof; thence southerly following the easterly boundaries of Lots 3063 and 3062 to the south-east corner of said Lot 3062; thence westerly following the southerly boundary of said Lot 3062 to the westerly boundary of Lot 6359; thence southerly following the westerly boundaries of said Lot 6359 and of Lot 6357 to the south-west corner of said Lot 6357; thence westerly following the southerly boundary of Lot 6402 to the south-west corner thereof; thence southerly following the westerly boundary of Lot 6407 to the south-west corner thereof; thence due west to the easterly boundary of Lot 316; thence southerly following said easterly boundary of Lot 316 to the south-east corner thereof; thence westerly following the northerly boundary of Lot 119 to the north-west corner thereof; thence northerly following the easterly boundary of Lot 5812 to the north-east corner thereof; thence westerly following the northerly boundaries of said Lot 5812 and of Lot 120 to the north-west corner of said Lot 120; thence southerly following the westerly boundary of said Lot 120 to the south-west corner thereof, being a point on the northerly shore of the Kootenay River; thence due south to the southerly shore of said river, being a point on the northerly boundary of Lot 330; thence westerly following said northerly boundary of Lot 330 to the north-west corner thereof; thence southerly following the westerly boundary of said Lot 330 to the south-west corner thereof; thence in a south-westerly direction to and along the southerly boundary of the watershed of Plumbob Creek to meet the divide between the waters flowing easterly into said Kootenay River from those flowing westerly into Gold Creek; thence in a north-westerly direction following said divide to the point thereon which lies due south of the south-west corner of Lot 11779; thence due north to said south-west corner; thence northerly following the westerly boundaries of said Lot 11779 and of Lot 11778 to the north-west corner of said Lot 11778; thence westerly following the northerly boundaries of Lots 12239 and 12240 to the north-west corner of said Lot 12240; thence due west to intersect the easterly boundary of Lot 4591; thence northerly following said easterly boundary of Lot 4591 to the point thereon which lies due west of the south-west corner of Lot 12243; thence in a south-westerly direction to and along the divide between the headwaters of Joseph and Gold Creeks to the point on same which lies due north of the north-east corner of Sub-lot 4 of said Lot 4591; thence due south to said north-east corner; thence westerly following the northerly boundary of said Sub-lot 4 to the north-west corner thereof; thence southerly following the westerly boundaries of said Sub-lot 4 and of Sub-lot 26 of said Lot 4591 to the south-west corner of said Sub-lot 26; thence due west to intersect the westerly boundary of the watershed of Gold Creek; thence in a south-easterly direction following said boundary of said watershed to the 49th parallel aforesaid; thence east along said parallel to the point of commencement. All the lots herein above mentioned lie in the Kootenay Land District aforesaid.

*Vital Statistics Registration District of
Golden.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at the south-east corner of Section 13, Township 24, Range 24, west of the 5th meridian, being a point on the southerly boundary of the Railway Belt; thence in a south-easterly direction to and along the easterly boundary of the watershed of the Duncan River to meet the divide separating the waters flowing northerly into Vowell and Bugaboo Creeks from those flowing southerly;

thence in a north-easterly direction along said divide and passing thence easterly to and along the southerly boundary of the watershed of said Bugaboo Creek to the south-west corner of Lot 9023, Kootenay Land District; thence easterly following the southerly boundaries of said Lot 9023 and of Lots 9024, 9026, and 10488 to the south-east corner of said Lot 10488; thence northerly following the easterly boundary of said Lot 10488 to the north-east corner thereof; thence easterly following the southerly boundary of Lot 10490 to the south-east corner thereof; thence northerly following the easterly boundary of said Lot 10490 to the southerly boundary of Lot 10523; thence easterly following the southerly boundaries of said Lot 10523 and of Lot 10524 and the northerly boundaries of Lots 10740 and 11451 to the westerly boundary of Lot 11450; thence southerly following said westerly boundary of Lot 11450 to the south-west corner thereof; thence easterly following the southerly boundaries of said Lot 11450 and of Lots 11386 and 11104 to the south-east corner of said Lot 11104; thence northerly following the easterly boundary of said Lot 11104 to the north-east corner thereof; thence easterly following the northerly boundaries of Lots 350 and 11448 to the north-east corner of said Lot 11448; thence due east to the easterly boundary of the watershed of the Columbia River; thence in a north-westerly direction along said boundary of said watershed produced to the south-east corner of Section 20, Township 23, Range 17, west of the 5th meridian, being a point on the southerly boundary of the Railway Belt; thence westerly following the southerly boundaries of said Section 20 and of Section 19 of said Township 23 to the south-west corner of said Section 19; thence north along the west boundaries of said Township 23 and of Township 24, Range 17, to the north-west corner of Section 18 of said Township 24; thence east along the south boundaries of Sections 19, 20, and 21 to the south-east corner of said Section 21; thence north along the west boundaries of Sections 22, 27, and 34 to the north-west corner of said Section 34; thence east along the north boundaries of said Section 34 and of Sections 35 and 36 to the north-east corner of said Section 36 of said Township 24, Range 17; thence north along the east boundaries of Townships 25 and 26, Range 17, to the north-east corner of said Township 26; thence west along the north boundary of said Township 26 to the south-east corner of Township 27, Range 17; thence north along the east boundary of said Township 27 to the Interprovincial Boundary between Alberta and British Columbia; thence in a north-westerly direction following said boundary-line to meet the southerly boundary of the watershed of Baker Creek; thence in a south-westerly direction along said boundary of said watershed produced to the centre line of Canoe River; thence in a southerly direction following said centre line of said Canoe River produced to the southerly shore of the Columbia River; thence in a south-easterly direction to and along the height of land separating the waters flowing easterly into said Columbia River from those flowing westerly into said river produced to the north-west corner of Section 24, Township 31, Range 28, west of the 5th meridian, being a point on the northerly boundary of the Railway Belt; thence in a south-westerly direction following said boundary of the Railway Belt to the north-west corner of Section 19, Township 30, Range 28; thence south along the west boundaries of said Township 30 and of Township 29, Range 28, to the south-west corner of said Township 29, Range 28; thence east along the north boundary of Township 28, Range 28, to the north-west corner of Section 34 thereof; thence south along the west boundaries of said Section 34 and of Sections 27, 22, 15, 10, and 3 to the south-west corner of said Section 3; thence east along the south boundary of said Township 28, Range 28, to the south-east corner thereof; thence south along the west boundary of Township 27, Range 27, to the south-west corner thereof; thence east along the south boundary of said Township 27, Range 27, and the north boundaries of Township 26 in Ranges 27, 26, and 25 to the north-west corner of Section 34 of said

Township 26, Range 25; thence south along the west boundaries of said Section 34 and of Sections 27, 22, 15, 10, and 3 of said Township 26, Range 25, and of Sections 34, 27, 22, 15, 10, and 3 of Township 25, Range 25, and of Sections 34 and 27 of Township 24, Range 25, to the south-west corner of said Section 27, Township 24, Range 25; thence east along the south boundaries of said Section 27 and of Sections 26 and 25 of said Township 24, Range 25, and of Sections 30, 29, 28, 27, 26, and 25 of Township 24, Range 24, to the south-east corner of said Section 25, Township 24, Range 24; thence south along the east boundaries of Sections 24 and 13 of said township to the point of commencement. All the lots herein above mentioned lie in the Kootenay Land District aforesaid.

Vital Statistics Registration District of Kaslo.

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at that point on the easterly boundary of the watershed of Kootenay Lake where it is met by the southerly boundary of the watershed of Crawford Creek; thence westerly along said boundary of the watershed of Crawford Creek produced to the north-east corner of Sub-lot 79 of Lot 4595, Kootenay Land District; thence westerly following the northerly boundaries of said Sub-lot 79 and of Sub-lot 28 to the north-west corner of said Sub-lot 28, being a point on the easterly shore of Crawford Bay; thence due west to the centre line of said Crawford Bay; thence in a southerly direction following said centre line of Crawford Bay and continuing north-westerly to and along the centre line of said Kootenay Lake, to pass in a westerly direction to and along the centre line of the West Arm of said Kootenay Lake to the point thereon which lies due south of the south-west corner of Lot 192; thence due north to said south-west corner; thence northerly following the westerly boundary of said Lot 192 to the north-west corner thereof; thence easterly following the northerly boundary of said Lot 192 to the north-east corner thereof; thence northerly following the westerly boundary of Lot 184 to the north-west corner thereof; thence westerly following the southerly boundary of Lot 4961 to the south-west corner thereof; thence northerly following the westerly boundary of said Lot 4961 to the north-west corner thereof; thence in a northerly direction to and along the divide between Laird and Queens Creeks to meet the southerly boundary of the watershed of Coffee Creek; thence in a north-westerly direction following said boundary of said watershed and continuing north-westerly to and along the divide between the headwaters of Kokanee and Keen Creeks to meet the easterly boundary of the watershed of Slocan Lake; thence in a northerly direction along said boundary of said watershed and continuing northerly to and along the divide between Stenson and Seaton Creeks to the point on said divide which lies due east of the south-east corner of Lot 456; thence due west to said south-east corner; thence northerly following the easterly boundary of said Lot 456 to the north-east corner thereof; thence due north to the point due east of the south-east corner of Lot 1583; thence due east to intersect the height of land separating the waters flowing easterly into said Kootenay Lake and the Lardeau River from those flowing westerly into Wilson Creek; thence in a northerly direction along said height of land to meet the divide between Cascade and Poplar Creeks; thence in a north-easterly direction along said divide to the westerly boundary of Lot 835; thence northerly following said westerly boundary of Lot 835 to the north-west corner thereof; thence easterly following the northerly boundary of said Lot 835 to the north-east corner thereof, being a point on the westerly shore of said Lardeau River; thence due east to the centre line of said river; thence in a southerly direction along said centre line to the point thereon which lies due west of the north-west corner of Lot 7528; thence due east to said north-west corner; thence easterly follow-

ing the northerly boundary of said Lot 7528 to the north-east corner thereof; thence in a north-easterly direction to and along the divide separating the waters flowing southerly into Duncan Lake from those flowing northerly into Lake Creek to meet the westerly boundary of the watershed of Duncan River; thence in a north-westerly direction following said boundary of said watershed and that of the Westfall River to meet the divide separating the waters flowing easterly into said Westfall and Duncan Rivers from those flowing westerly into the Incomappleux River; thence in a north-easterly direction along said divide produced to the south-east corner of Section 20, Township 23, Range 25, west of the 5th meridian, being a point on the southerly limit of the Railway Belt; thence north along the east boundary of said Section 20 to the north-east corner thereof; thence east along the south boundaries of Sections 28, 27, 26, and 25 to the south-east corner of said Section 25; thence north along the east boundaries of said Township 23, Range 25, and of Township 24, Range 25, to the south-east corner of Section 25 of said Township 24, Range 25; thence east along the south boundaries of Sections 30, 29, 28, 27, 26, and 25 of Township 24, Range 24, to the south-east corner of said Section 25; thence south along the east boundaries of Sections 24 and 13 to the south-east corner of said Section 13, Township 24, Range 24, being a point on the southerly limit of the Railway Belt aforesaid; thence in a south-easterly direction to and along the easterly boundary of the watershed of said Duncan River, Duncan Lake, and Kootenay Lake to the point of commencement. All the lots herein above mentioned lie in the Kootenay Land District aforesaid.

Vital Statistics Registration District of Kimberley.

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at that point on the easterly boundary of the watershed of Kootenay Lake which is intersected by the divide between St. Mary River and Skookumchuck Creek; thence in an easterly direction along said divide to intersect the more southerly of the northerly boundaries of Block F of Lot 4592, Kootenay Land District; thence easterly following said boundary of Block F to the re-entrant angle of said Block F; thence due east to the easterly boundary of said Lot 4592; thence in a south-easterly direction to and along the easterly boundary of the watershed of Mark Creek to the point thereon which lies due north of the north-east corner of Lot 11589; thence due south to said north-east corner; thence southerly following the easterly boundaries of said Lot 11589 and of Lots 11597 and 11596 to the south-east corner of said Lot 11596; thence easterly following the northerly boundaries of Lots 11312 and 11309 to the north-east corner of said Lot 11309; thence southerly following the easterly boundaries of said Lot 11309 and of Lot 11310 to the south-east corner of said Lot 11310; thence easterly following the northerly boundary of Lot 11615 to the north-east corner thereof; thence southerly following the easterly boundary of said Lot 11615 to the south-east corner thereof; thence westerly following the southerly boundary of said Lot 11615 to the north-east corner of Lot 7224; thence southerly following the easterly boundaries of said Lot 7224 and of Lots 10367, 10368, and 4045 to the south-east corner of said Lot 4045; thence westerly following the southerly boundary of said Lot 4045 to the south-west corner thereof, being a point on the easterly shore of St. Mary River aforesaid; thence westerly in a right line across said river to the north-west corner of Lot 12529; thence southerly following the westerly boundaries of said Lot 12529 and of Lot 10281 to the south-west corner of said Lot 10281; thence westerly following the northerly boundary of Lot 10282 to the north-west corner thereof; thence due west to meet the northerly boundary of the watershed of Perry Creek; thence in a south-westerly direction along said boundary of said watershed to meet the divide between St. Mary and Goat Rivers aforesaid; thence in a north-west-

erly direction along said divide to the easterly boundary of the watershed of said Kootenay Lake; thence in a northerly direction along said divide to the point of commencement. All the lots herein above mentioned lie in the Kootenay Land District aforesaid.

Vital Statistics Registration District of Nakusp.

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at that point on the centre line of Lower Arrow Lake which lies due east of the south-east corner of Lot 7159, Kootenay Land District; thence due west to said south-east corner; thence westerly following the southerly boundary of said Lot 7159 to the south-west corner thereof; thence due west to intersect the height of land separating the waters flowing easterly into said Lower Arrow Lake and into Innoaklin Creek from those flowing westerly into Burrell Creek and the Granby River; thence in a northerly direction along said height of land to the point thereon which lies due south of the south-east corner of Lot 4332, Osoyoos Land District; thence due north to the point due west of the south-west corner of Lot 2151 of said Osoyoos District; thence due east to said south-west corner; thence easterly following the southerly boundary of said lot to the south-east corner thereof; thence northerly following the easterly boundary of said Lot 2151 to the north-east corner thereof; thence due north to intersect the divide separating the waters flowing easterly into Eureka, Barnes, and Fife Creeks and into Upper Arrow Lake from those flowing westerly into the Kettle and Shuswap Rivers; thence in a general northerly direction along said divide to meet the southerly boundary of the Railway Belt; thence east along said boundary of the Railway Belt to the south-east corner of Section 17, Township 20, Range 1, west of the 6th meridian; thence in a south-easterly direction to and along the northerly boundary of the watershed of Pingston Creek produced to the north-west corner of Lot 860; thence southerly following the westerly boundary of said Lot 860 to the south-west corner thereof; thence easterly following the southerly boundary of said Lot 860 to the south-east corner thereof, being a point on the westerly shore of Upper Arrow Lake aforesaid; thence in a north-easterly direction in a right line to the north-west corner of Lot 11756, being a point on the easterly shore of said Upper Arrow Lake; thence easterly following the northerly boundary of said Lot 11756 and the southerly boundary of Lot 11758 to the south-east corner of said Lot 11758; thence in an easterly direction to and along the northerly boundary of the watershed of Halfway Creek to meet the height of land separating the waters flowing easterly into Trout Lake and the Lardeau River from those flowing westerly into said Upper Arrow Lake; thence in a south-easterly direction along said height of land to intersect the southerly boundary of the watershed of Kuskanax Creek; thence in a south-westerly direction along said boundary of said watershed to meet the divide separating the waters flowing easterly into Fitzstubb's and Bonanza Creeks from those flowing westerly into said Upper Arrow Lake; thence in a southerly direction along said divide to the point thereon which lies due north of the north-east corner of Lot 11338; thence due south to said north-east corner; thence westerly following the northerly boundaries of said Lot 11338 and of Lot 11417 to the north-west corner of said Lot 11417; thence southerly following the westerly boundary of said Lot 11417 to the south-west corner thereof; thence easterly following the southerly boundary of said Lot 11417 to the north-west corner of Lot 11339; thence southerly following the westerly boundary of said Lot 11339 to the south-west corner thereof; thence due south to meet the divide separating the waters flowing easterly into Slocan Lake and Slocan River from those flowing westerly into Upper and Lower Arrow Lakes; thence in a southerly direction along said divide to the point thereon which lies due north of the north-west corner of Lot 7161; thence

due south to said north-west corner; thence westerly to and along the northerly boundary of Lot 7160 to the north-west corner thereof; thence southerly following the westerly boundary of said Lot 7160 and the easterly boundary of Lot 5817 to intersect the divide separating the waters flowing northerly into Koch Creek from those flowing southerly into the Columbia River; thence in a south-westerly direction to and along the southerly boundary of the watershed of Two-bit Creek produced to the south-east corner of Sub-lot 28 of said Lot 5817; thence westerly following the southerly boundary of said Sub-lot 28 to the south-west corner thereof; thence due west to the centre line of said Lower Arrow Lake; thence in a southerly direction along said centre line to the point of commencement. All the lots herein above mentioned, unless specified to the contrary, lie in the Kootenay Land District aforesaid.

*Vital Statistics Registration District of
Natal.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at that point on the Interprovincial Boundary between Alberta and British Columbia which lies due east of the north-east corner of Lot 6869, Kootenay Land District; thence due west to said north-east corner; thence westerly following the northerly boundaries of said Lot 6869 and of Lot 6989 to the north-west corner of said Lot 6989; thence due west to intersect the easterly boundary of Lot 4589; thence southerly following said easterly boundary of Lot 4589 to meet the divide separating the waters flowing northerly into Michel and Leach Creeks from those flowing southerly into the Flathead River and Morrissey Creek; thence in a westerly direction following said divide to meet the height of land separating the waters flowing easterly into said Leach and Michel Creeks from those flowing westerly into Coal Creek and the Elk River; thence in a northerly direction along said height of land to the point thereon which lies due east of the south-east corner of Lot 363; thence due west to said south-east corner; thence westerly following the southerly boundary of said Lot 363 to the south-west corner thereof; thence due west to intersect the westerly boundary of the watershed of the Elk River; thence in a northerly direction following said boundary of said watershed to intersect the Interprovincial Boundary aforesaid; thence easterly and southerly following said Interprovincial Boundary to the point of commencement. All the lots herein above mentioned lie in the Kootenay Land District aforesaid.

*Vital Statistics Registration District of
Nelson.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at that point on the 49th parallel of north latitude which is intersected by the height of land separating the waters flowing westerly into the Salmo River from those flowing easterly into Kootenay Lake and the Kootenay River; thence in a northerly direction along said height of land to the point thereon which lies due west of the most westerly north-west corner of Sub-lot 6 of Lot 2381, Kootenay Land District; thence due east to said north-west corner; thence easterly, northerly, and easterly following the respective northerly and westerly boundaries of said Sub-lot 6 to the north-east corner thereof, being a point on the westerly boundary of Lot 886; thence southerly following said westerly boundary of Lot 886 to the south-west corner thereof; thence easterly following the southerly boundary of said Lot 886 to the south-east corner thereof, being a point on the westerly shore of Kootenay Lake aforesaid; thence easterly in a right line across said Kootenay Lake to the north-west corner of Lot 2636A; thence easterly following the northerly boundaries of said Lot 2636A and of Lot 2635 to the more westerly north-east corner of said Lot 2635; thence due east to meet the easterly boundary of the water-

shed of said Kootenay Lake; thence northerly following said boundary of said watershed to meet the southerly boundary of the watershed of Crawford Creek; thence westerly along said boundary of said watershed produced to the north-east corner of Sub-lot 79 of Lot 4595; thence westerly following the northerly boundaries of said Sub-lot 79 and of Sub-lot 28 to the north-west corner of said Sub-lot 28, being a point on the easterly shore of Crawford Bay; thence due west to the centre line of said Crawford Bay; thence in a southerly direction following said centre line of Crawford Bay and continuing north-westerly to and along the centre line of said Kootenay Lake, to pass in a westerly direction to and along the centre line of the West Arm of said Kootenay Lake to the point thereon which lies due south of the south-west corner of Lot 192; thence due north to said south-west corner; thence northerly following the westerly boundary of said Lot 192 to the north-west corner thereof; thence easterly following the northerly boundary of said Lot 192 to the north-east corner thereof; thence northerly following the westerly boundary of Lot 184 to the north-west corner thereof; thence westerly following the southerly boundary of Lot 4961 to the south-west corner thereof; thence northerly following the westerly boundary of said Lot 4961 to the north-west corner thereof; thence in a northerly direction to and along the divide between Laird and Queens Creeks to meet the southerly boundary of the watershed of Coffee Creek; thence in a north-westerly direction following said boundary of said watershed and continuing north-westerly to and along the divide between the headwaters of Kokanee and Keen Creeks to meet the easterly boundary of the watershed of the Slocan River; thence in a south-westerly direction following said boundary of said watershed to the point thereon which lies due east of the north-east corner of Lot 9349; thence due west to said north-east corner; thence westerly following the northerly boundary of said Lot 9349 to the north-west corner thereof; thence due west to the centre line of said Slocan River; thence northerly along said centre line of said river to the point thereon which lies due east of the south-east corner of Lot 6897; thence due west to said south-east corner; thence westerly following the southerly boundary of said Lot 6897 to the south-west corner thereof; thence southerly following the easterly boundary of Lot 10804 to the south-east corner thereof; thence westerly following the southerly boundaries of said Lot 10804 and of Lot 10805 to the south-west corner of said Lot 10805; thence northerly following the westerly boundary of said Lot 10805 to the south-east corner of Lot 10806; thence westerly following the southerly boundaries of said Lot 10806 and of Lots 12320, 12321, and 12322 to the south-west corner of said Lot 12322; thence southerly following the easterly boundary of Lot 4599 to intersect the divide between the waters flowing northerly into the Little Slocan River and into Koch Creek from those flowing southerly into the Columbia River and into Lower Arrow Lake; thence in a westerly direction along said divide to meet the easterly production of the southerly boundary of the watershed of Two-bit Creek; thence in a south-westerly direction to and along said boundary of said watershed produced to the south-east corner of Sub-lot 28 of Lot 5817; thence westerly following the southerly boundary of said Sub-lot 28 to the south-west corner thereof; thence due west to the centre line of said Lower Arrow Lake; thence in a general south-easterly direction following said centre line of Lower Arrow Lake and that of the aforesaid Columbia River to intersect the 49th parallel aforesaid; thence east along said parallel to the point of commencement. All the lots herein above mentioned lie in the Kootenay Land District aforesaid.

Vital Statistics Registration District of

New Denver.

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at that point on the height of land separating the waters flowing easterly into Slocan

Lake from those flowing westerly into Lower Arrow Lake where it is intersected by the divide between Beatrice and Nemo Creeks; thence in an easterly direction along said divide to the point thereon which lies due west of the more northerly north-west corner of Lot 8223, Kootenay Land District; thence due east to said north-west corner; thence easterly following the northerly boundary of said Lot 8223 to the north-east corner thereof, being a point on the westerly shore of said Slocan Lake; thence easterly in a right line to the north-west corner of Lot 13148, being a point on the easterly shore of said lake, and continuing easterly along the northerly boundaries of said Lot 13148 and of Lot 13147 and the southerly boundary of Lot 12454 to the south-east corner of said Lot 12454; thence in a south-easterly direction to and along the divide between Silverton and Enterprise Creeks to meet the easterly boundary of the watershed of said Slocan Lake; thence in a northerly direction along said boundary of said watershed and continuing northerly to and along the divide between Stenson and Seaton Creeks to the point on said divide which lies due east of the south-east corner of Lot 456; thence due west to said south-east corner; thence northerly following the easterly boundary of said Lot 456 to the north-east corner thereof; thence due north to the point due east of the south-east corner of Lot 1583; thence due east to intersect the height of land separating the waters flowing easterly into Kootenay Lake and the Lardeau River from those flowing westerly into Wilson Creek; thence in a northerly direction along said height of land to meet the divide separating the waters flowing northerly into Poplar Creek from those flowing southerly into said Wilson Creek; thence in a westerly direction along said divide to intersect the southerly boundary of the watershed of Kuskanax Creek; thence in a south-westerly direction along said boundary of said watershed to meet the divide separating the waters flowing easterly into Fitzstubs and Bonanza Creeks from those flowing westerly into Upper Arrow Lake; thence in a southerly direction along said divide to the point thereon which lies due north of the north-east corner of Lot 11338; thence due south to said north-east corner; thence westerly following the northerly boundaries of said Lot 11338 and of Lot 11417 to the north-west corner of said Lot 11417; thence southerly following the westerly boundary of said Lot 11417 to the south-west; thence easterly following the southerly boundary of said Lot 11417 to the north-west corner of Lot 11339; thence southerly following the westerly boundary of said Lot 11339 to the south-west corner thereof; thence due south to meet the divide separating the waters flowing easterly into Slocan Lake from those flowing westerly into Lower Arrow Lake; thence in a southerly direction along said divide to the point of commencement. All the lots herein above mentioned lie in the Kootenay Land District aforesaid.

*Vital Statistics Registration District of
Revelstoke.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at the north-west corner of Section 34, Township 25, Range 25, west of the 5th meridian of the Dominion system of townships; thence west along the south boundaries of Township 26 in Ranges 25 and 26 to the south-west corner of said Township 26, Range 26; thence south along the east boundary of Township 25, Range 27, to the south-east corner of Section 25 of said township; thence west along the south boundaries of said Section 25 and of Sections 26 and 27 to the south-west corner of said Section 27; thence south along the west boundaries of Sections 22, 15, 10, and 3 of said Township 25 and of Sections 34, 27, and 22 of Township 24, Range 27, to the south-west corner of said Section 22; thence west along the north boundaries of Sections 16, 17, and 18 of said Township 24, Range 27, to the north-west corner of said Section 18; thence south along the east boundary of Township 24, Range 28, to the

south-east corner of said township; thence west along the north boundary of Township 23, Range 28, to the north-west corner of Section 34 of said township; thence south along the west boundaries of said Section 34 and of Sections 27, 22, 15, 10, and 3 of said Township 23 to the south-west corner of said Section 3; thence west along the north boundary of Township 22, Range 28, to the north-west corner thereof; thence south along the west boundary of said township to the north-west corner of Section 18 thereof; thence east along the north boundaries of said Section 18 and of Sections 17, 16, 15, 14, and 13 of said township to the north-east corner of said Section 13; thence south along the east boundary of said township to the south-east corner thereof; thence west along the south boundary of said Township 22, Range 28, to the south-west corner thereof; thence south along the east boundary of Township 21, Range 29, to the north-east corner of Section 13 of said township; thence west along the north boundaries of said Section 13 and of Sections 14, 15, 16, 17, and 18 of said Township 21, Range 29, to the north-west corner of said Section 18; thence northerly following the easterly boundary of Township 21, Range 1, west of the 6th meridian, to the north-east corner of Section 13 thereof; thence westerly following the northerly boundaries of said Section 13 and of Sections 14 and 15 and continuing west along the north boundaries of Sections 16, 17, and 18 of said township and of Sections 13, 14, 15, 16, 17, and 18 of Township 21, Range 2, to the north-west corner of said Section 18, Township 21, Range 2; thence north along the west boundaries of said Township 21 and of Township 22, Range 2, to the north-west corner of Section 18 of said Township 22; thence west along the north boundaries of Sections 13, 14, and 15 of Township 22, Range 3, to the north-west corner of said Section 15; thence north along the west boundaries of Sections 22, 27, and 34 of said Township 22, Range 3, to the north-west corner of said Section 34; thence west along the south boundary of Township 23, Range 3, to the south-west corner of Section 3 of said Township 23; thence north along the west boundaries of said Section 3 and of Sections 10, 15, 22, 27, and 34 of said Township 23, Range 3, to the north-west corner of said Section 34; thence west along the south boundary of Township 24, Range 3, to the south-west corner thereof; thence north along the west boundary of said Township 24 to the north-west corner thereof; thence west along the south boundary of Township 25, Range 4, to the south-west corner of Section 3 of said Township 25; thence north along the east boundaries of Sections 4, 9, 16, 21, 28, and 33 of said Township 25 and of Sections 4, 9, 16, 21, 28, and 33 of Township 26, Range 4, to the north-east corner of said Section 33 of Township 26, Range 4, west of the 6th meridian aforesaid, being a point on the northerly boundary of the Railway Belt aforesaid; thence in a westerly direction following said boundary of the Railway Belt to meet the westerly boundary of the watershed of the Columbia River; thence in a north-westerly direction following said boundary of said watershed to meet the westerly production of the southerly boundary of the watershed of Foster Creek, a tributary of the Canoe River; thence in an easterly direction to and along said boundary of said watershed produced to the centre line of said Canoe River; thence in a southerly direction following said centre line of said Canoe River produced to the southerly shore of said Columbia River; thence in a south-easterly direction to and along the height of land separating the waters flowing easterly into said Columbia River from those flowing westerly into said river produced to the north-west corner of Section 24, Township 31, Range 28, west of the 5th meridian, being a point on the northerly boundary of the Railway Belt aforesaid; thence in a south-westerly direction following said boundary of the Railway Belt to the north-west corner of Section 19, Township 30, Range 28; thence south along the west boundaries of said Township 30 and of Township 29, Range 28, to the south-west corner of said Township 29, Range 28; thence east along the

north boundary of Township 28, Range 28, to the north-west corner of Section 34 thereof; thence south along the west boundaries of said Section 34 and of Sections 27, 22, 15, 10, and 3 to the south-west corner of said Section 3; thence east along the south boundary of said Township 28, Range 28, to the south-east corner thereof; thence south along the west boundary of Township 27, Range 27, to the south-west corner thereof; thence east along the south boundary of said Township 27, Range 27, and the north boundaries of Township 26 in Ranges 27, 26, and 25 to the north-west corner of Section 34 of said Township 26, Range 25; thence south along the west boundaries of said Section 34 and of Sections 27, 22, 15, 10, and 3 of said Township 26, Range 25, to the north-west corner of Section 34, Township 25, Range 25, west of the 5th meridian, being the point of commencement.

*Vital Statistics Registration District of
Rossland.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at that point on the 49th parallel of north latitude which lies due south of the south-east corner of Lot 180 (S.), Similkameen Land District; thence due north to said south-east corner; thence northerly following the easterly boundary of said Lot 180 (S.) to the north-east corner thereof; thence due east to meet the divide separating the waters flowing westerly into Bitter Creek and Christina Lake from those flowing easterly into Big Sheep Creek and Lower Arrow Lake; thence in a northerly direction along said divide to the point thereon which lies due east of the south-east corner of Lot 12805, Kootenay Land District; thence in an easterly direction to and along the northerly boundary of the watershed of said Big Sheep Creek to intersect the easterly boundary of the watershed of Sumas Creek; thence in a southerly direction following said boundary of the watershed of Sumas Creek to the point thereon which lies due north of the north-west corner of Lot 12814; thence due south to said north-west corner; thence easterly following the northerly boundary of said Lot 12814 to the north-east corner thereof; thence southerly following the westerly boundary of Lot 12815 to the south-west corner thereof; thence easterly following the southerly boundary of said Lot 12815 to the south-east corner thereof; thence northerly following the easterly boundary of said Lot 12815 to the south-west corner of Lot 12817; thence easterly following the southerly boundaries of said Lot 12817 and of Lots 12820, 12821, 12825, 12826, and 13107, all of said Kootenay District, to the south-east corner of said Lot 13107; thence due east to meet the divide separating the waters flowing easterly into the Columbia River from those flowing westerly into Big Sheep Creek aforesaid; thence in a southerly direction along said divide to the northerly boundary of Township 9A, Kootenay District; thence easterly following said northerly boundary of Township 9A to the north-east corner thereof; thence south along the east boundary of said Township 9A to the south-east corner thereof, being a point on the 49th parallel aforesaid; thence west along said parallel to the point of commencement.

*Vital Statistics Registration District of
Slocan.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at that point on the easterly boundary of the watershed of the Slocan River which is met by the divide between the headwaters of Kokanee and Keen Creeks; thence in a south-westerly direction following said boundary of said watershed to the point thereon which lies due east of the north-east corner of Lot 9349, Kootenay Land District; thence due west to said north-east corner; thence westerly following the northerly boundary of said Lot 9349 to the north-west corner thereof; thence due west to the centre line of said Slocan River; thence northerly along said centre

line of said river to the point thereon which lies due east of the south-east corner of Lot 6897; thence due west to said south-east corner; thence westerly following the southerly boundary of said Lot 6897 to the south-west corner thereof; thence southerly following the easterly boundary of Lot 10804 to the south-east corner thereof; thence westerly following the southerly boundaries of said Lot 10804 and of Lot 10805 to the south-west corner of said Lot 10805; thence northerly following the westerly boundary of said Lot 10805 to the south-east corner of Lot 10806; thence westerly following the southerly boundaries of said Lot 10806 and of Lots 12320, 12321, and 12322 to the south-west corner of said Lot 12322; thence southerly following the easterly boundary of Lot 4599 to intersect the divide between the waters flowing northerly into the Little Slocan River and into Koch Creek from those flowing southerly into the Columbia River and into Lower Arrow Lake; thence in a westerly direction along said divide to intersect the easterly boundary of Lot 5817; thence northerly following said easterly boundary of Lot 5817 and the westerly boundary of Lot 7160 to the north-west corner of said Lot 7160; thence easterly following the northerly boundary of said Lot 7160 to the north-east corner thereof and continuing easterly in a right line to the north-west corner of Lot 7161; thence due north to meet the height of land separating the waters flowing westerly into Lower Arrow Lake from those flowing easterly into Slocan Lake; thence in a northerly direction following said height of land to meet the divide between Beatrice and Nemo Creeks; thence in an easterly direction along said divide to the point thereon which lies due west of the more northerly north-west corner of Lot 8223; thence due east to said north-west corner; thence easterly following the northerly boundary of said Lot 8223 to the north-east corner thereof, being a point on the westerly shore of said Slocan Lake; thence easterly in a right line to the north-west corner of Lot 13148, being a point on the easterly shore of said lake, and continuing easterly along the northerly boundaries of said Lot 13148 and of Lot 13147 and the southerly boundary of Lot 12454 to the south-east corner of said Lot 12454; thence in a south-easterly direction to and along the divide between Silverton and Enterprise Creeks to intersect the easterly boundary of the watershed of Slocan Lake and Slocan River aforesaid; thence in a southerly direction following said boundary of said watershed to the point of commencement. All the lots herein above mentioned lie in the Kootenay Land District aforesaid.

*Vital Statistics Registration District of
Trail.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at the south-east corner of Township 9A, Kootenay Land District, being a point on the International Boundary between Canada and the United States of America; thence north along the east boundary of said township to the north-east corner thereof; thence westerly following the northerly boundary of said Township 9A to intersect the divide separating the waters flowing easterly into the Columbia River from those flowing westerly into Big Sheep Creek; thence in a northerly direction along said divide to the point thereon which lies due east of the south-east corner of Lot 13107; thence due west to said south-east corner; thence westerly following the southerly boundaries of said Lot 13107 and of Lots 12826, 12825, 12821, 12820, and 12817 to the south-west corner of said Lot 12817; thence southerly following the easterly boundary of Lot 12815 to the south-east corner thereof; thence westerly following the southerly boundary of said Lot 12815 to the south-west corner thereof; thence northerly following the easterly boundary of Lot 12814 to the north-east corner thereof; thence westerly following the northerly boundary of said Lot 12814 to the north-west corner thereof; thence due north to meet the easterly boundary of the watershed of Sumas Creek; thence northerly following said boundary of said watershed to meet the northerly boundary

of the watershed of Big Sheep Creek; thence in a westerly direction following said boundary of the watershed of Big Sheep Creek produced to the south-east corner of Lot 12805 and continuing westerly along the southerly boundary of said Lot 12805 to the south-west corner thereof; thence due west to intersect the height of land between the waters flowing westerly into Sander Creek, Granby River, and Burrell Creek and those flowing easterly into Dog Creek and into Lower Arrow Lake; thence in a northerly direction along said height of land to the point thereon which lies due west of the south-west corner of Lot 7159; thence due east to said south-west corner; thence easterly following the southerly boundary of said Lot 7159 produced to the centre line of said Lower Arrow Lake; thence in a general south-easterly direction following said centre line of said lake and that of the Columbia River to intersect the International Boundary aforesaid; thence west along said boundary to the point of commencement. All the lots herein above mentioned lie in the Kootenay Land District aforesaid.

Vital Statistics Registration District of Trout Lake.

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at the point of intersection of the northerly boundary of the watershed of Halfway Creek with the height of land separating the waters flowing westerly into Upper Arrow Lake from those flowing easterly into Trout Lake and the Lardeau River; thence in a south-easterly direction along said height of land and continuing south-easterly to and along the southerly boundary of the watershed of Poplar Creek, to pass north-easterly along the divide between said Poplar Creek and Cascade Creek to the westerly boundary of Lot 835, Kootenay Land District; thence northerly following the westerly boundary of said Lot 835 to the north-west corner thereof; thence easterly following the northerly boundary of said Lot 835 to the north-east corner thereof, being a point on the westerly shore of said Lardeau River; thence due east to the centre line of said river; thence in a southerly direction along said centre line to the point thereon which lies due west of the north-west corner of Lot 7528; thence due east to said north-west corner; thence easterly following the northerly boundary of said Lot 7528 to the north-east corner thereof; thence in a north-easterly direction to and along the divide separating the waters flowing southerly into Duncan Lake from those flowing northerly into Lake Creek to meet the westerly boundary of the watershed of Duncan River; thence in a north-westerly direction along said boundary of said watershed to intersect the height of land separating the waters flowing easterly into Ferguson Creek and into said Trout Lake from those flowing westerly into the Incomappleux River and into said Upper Arrow Lake; thence in a southerly direction along said height of land produced to the north-east corner of Lot 5694; thence southerly following the easterly boundary of said Lot 5694 to the south-east corner thereof; thence due south to intersect the divide between Trout and Upper Arrow Lakes aforesaid; thence in a south-westerly direction along said divide to the point of commencement. All the lots herein above mentioned lie in the Kootenay Land District aforesaid.

Vital Statistics Registration District of Wilmer.

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at that point on the height of land separating the waters flowing westerly into Kootenay Lake, Duncan Lake, and the Duncan River from those flowing easterly into Columbia and Windermere Lakes and into the Columbia River, which is intersected by the production westerly of the divide between Findlay and Skookumchuck Creeks; thence in a northerly direction along said height of land to meet the divide separating the waters flowing northerly into Vowell and Bugaboo Creeks from those flowing southerly; thence in a

north-easterly direction along said divide and passing thence easterly to and along the southerly boundary of the watershed of said Bugaboo Creek to the south-west corner of Lot 9023, Kootenay Land District; thence easterly following the southerly boundaries of said Lot 9023 and of Lots 9024, 9026, and 10488 to the south-east corner of said Lot 10488; thence northerly following the easterly boundary of said Lot 10488 to the north-east corner thereof; thence easterly following the southerly boundary of Lot 10490 to the south-east corner thereof; thence northerly following the easterly boundary of said Lot 10490 to the southerly boundary of Lot 10523; thence easterly following the southerly boundaries of said Lot 10523 and of Lot 10524 and the northerly boundaries of Lots 10740 and 11451 to the westerly boundary of Lot 11450; thence southerly following said westerly boundary of Lot 11450 to the south-west corner thereof; thence easterly following the southerly boundaries of said Lot 11450 and of Lots 11386 and 11104 to the south-east corner of said Lot 11104; thence northerly following the easterly boundary of said Lot 11104 to the north-east corner thereof; thence easterly following the northerly boundaries of Lots 350 and 11448 to the north-east corner of said Lot 11448; thence due east to the easterly boundary of the watershed of the Columbia River aforesaid; thence in a north-westerly direction along said boundary of said watershed produced to the south-east corner of Section 20, Township 23, Range 17, west of the 5th meridian, being a point on the southerly boundary of the Railway Belt; thence westerly following the southerly boundaries of said Section 20 and of Section 19 of said Township 23 to the south-west corner of said Section 19; thence north along the west boundaries of said Township 23 and of Township 24, Range 17, to the north-west corner of Section 18 of said Township 24; thence east along the south boundaries of Sections 19, 20, and 21 to the south-east corner of said Section 21; thence north along the west boundaries of Sections 22, 27, and 34 to the north-west corner of said Section 34; thence east along the north boundaries of said Section 34 and of Sections 35 and 36 to the north-east corner of said Section 36 of said Township 24, Range 17; thence north along the east boundaries of Townships 25 and 26, Range 17, to the north-east corner of said Township 26; thence west along the north boundary of said Township 26 to the south-east corner of Township 27, Range 17; thence north along the east boundary of said Township 27 to the Interprovincial Boundary between Alberta and British Columbia; thence in a south-easterly direction along said boundary-line to the point of intersection thereof with the westerly boundary of the watershed of the Elk River; thence southerly following said boundary of said watershed to intersect the height of land separating the waters flowing northerly into the White River and into the Kootenay River from those flowing southerly into the Bull River and into the Lussier River (Sheep Creek); thence in a general westerly direction along said height of land to intersect the easterly boundary of Lot 4596; thence southerly following said easterly boundary to the point thereon which lies due east of the most northerly north-east corner of Sub-lot 169 of said Lot 4596; thence due west to said north-east corner; thence westerly following the northerly boundary of said Sub-lot 169 to the north-west corner thereof; thence southerly following the westerly boundary of said Sub-lot 169 to the most northerly south-west corner thereof; thence due south to the point due east of the south-east corner of Sub-lot 59 of said Lot 4596; thence due west to said south-east corner; thence westerly following the southerly boundary of said Sub-lot 59 to the easterly boundary of Lot 114; thence northerly following said easterly boundary of Lot 114 to the north-east corner thereof; thence westerly following the northerly boundary of said Sub-lot 114 to the north-west corner thereof; thence due west to the centre line of the aforesaid Kootenay River; thence in a southerly direction along said centre line to meet the westerly production of the centre line of Findlay Creek; thence in a north-westerly direction along said centre line of Findlay Creek to the point thereon which lies due north of the north-

east corner of Sub-lot 53 of said Lot 4596; thence due south to said north-east corner; thence southerly following the easterly boundary of said Sub-lot 53 to the south-east corner thereof; thence due south to the point due east of the south-east corner of Sub-lot 159 of said Lot 4596; thence due west to said south-east corner; thence westerly following the southerly boundary of said Sub-lot 159 to the south-west corner thereof; thence due west to intersect the divide separating the waters flowing northerly into said Findlay Creek from those flowing southerly into Skookumchuck Creek aforesaid; thence in a westerly direction along said divide produced to the point of commencement. All the lots herein above mentioned lie in the Kootenay Land District aforesaid.

*Vital Statistics Registration District of
Yahk.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at that point on the 49th parallel of north latitude where it is intersected by the westerly boundary of the watershed of Gold Creek; thence in a north-westerly direction following said boundary of said watershed to the point on same which lies due east of the south-east corner of Lot 297, Kootenay Land District; thence due west to said south-east corner; thence westerly following the southerly boundaries of said Lot 297 and of Lots 2798, 12138, and 12140 to the south-west corner of said Lot 12140; thence due west to meet the divide separating the waters flowing southerly into Lamb Creek and Irishman Creek from those flowing northerly; thence in a south-westerly direction along said divide to meet the westerly boundary of the watershed of the Moyie River; thence in a southerly direction following said boundary of said watershed to the north-east corner of Lot 3903; thence southerly following the easterly boundaries of said Lot 3903 and of Lot 12603 to the south-east corner of said Lot 12603; thence westerly following the southerly boundary of said Lot 12603 to the south-west corner thereof; thence in a general westerly direction to and along the height of land separating the waters flowing southerly into said Moyie River from those flowing northerly to the most easterly north-east corner of Lot 812; thence southerly following the easterly boundary of said Lot 812 to the south-east corner thereof, being a point on the 49th parallel aforesaid; thence east along said parallel to the point of commencement. All the lots herein above mentioned lie in the Kootenay District aforesaid.

DIVISION No. 6.

*Vital Statistics Registration District of
Anyox.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at that point on the 129th meridian of west longitude where it is intersected by the divide between Meadow and Poupard Creeks; thence in a south-westerly direction to and along the height of land separating the waters flowing northerly into the Nass River from those flowing southerly into the Kitsumgallum River, and continuing south-westerly to and along the northerly boundary of the watershed of the Khutzymateen River, to pass north-westerly along the northerly boundary of the watershed of Khutzymateen Inlet produced to the centre line of Steamer Passage; thence in a south-westerly direction along said centre line of Steamer Passage and continuing westerly across Chatham Sound to meet the International Boundary-line between Canada and Alaska at the entrance to Tongass Passage; thence in a north-easterly direction along said boundary-line to the point of intersection of the centre line of Pearse Channel with that of Portland Canal; thence in a south-easterly direction following said centre line of Portland Canal produced to Ramsden Point; thence in a northerly direction to and along the height of land between the waters flowing westerly into said Portland Canal and those flowing

easterly into Observatory Inlet and Hastings Arm to meet the divide separating the waters flowing southerly into said Hastings Arm, into the Kitsault River, and into the aforesaid Nass River from those flowing northerly; thence in an easterly direction along said divide to the point thereon which lies due west of the mouth of Wolverine Creek; thence due east to the mouth of said creek; thence in a north-easterly direction to and along the northerly boundary of the watershed of the Kispiox River to meet the height of land separating the waters flowing easterly into the Skeena River from those flowing westerly into said Nass River; thence in a south-westerly direction along said height of land to the point thereon which lies due north of the north-west corner of Lot 1876, Cassiar Land District; thence due south to said north-west corner; thence southerly following the westerly boundaries of said Lot 1876 and of Lots 1879, 1881, 1968, and 1969, all of said Cassiar District, to the south-west corner of said Lot 1969; thence in a south-westerly direction to and along the aforesaid height of land between the Skeena and Nass Rivers to the point of commencement.

*Vital Statistics Registration District of
Atlin.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at the north-west corner of the Province; thence in a general south-easterly direction following the International Boundary-line between Canada and Alaska to meet the divide between the waters flowing northerly into the Whiting and Inklin Rivers from those flowing southerly into the Stikine River; thence in a north-easterly direction along said divide to the point thereon which lies due south of the south-east corner of Lot 100, Cassiar Land District; thence due north to said south-east corner; thence northerly following the easterly boundary of said Lot 100 to the north-east corner thereof; thence in a north-easterly direction to and along the height of land separating the waters flowing westerly into said Inklin River from those flowing easterly into the Tuya River, and continuing north-easterly to and along the divide between the waters flowing easterly into the Dease River from those flowing westerly into Teslin Lake to the 60th parallel of north latitude; thence west along said parallel to the point of commencement.

*Vital Statistics Registration District of
Barkerville.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at that point on the westerly boundary of the watershed of the Bowron River which lies due west of the north-west corner of Lot 364, Cariboo Land District, said point being situate in the vicinity of the headwaters of West Creek, a tributary of the Bowron River aforesaid; thence due east to said north-west corner; thence easterly following the northerly boundaries of said Lot 364 and of Lot 2045 to the north-east corner of said Lot 2045; thence southerly following the easterly boundary of said Lot 2045 to the north-west corner of Lot 363; thence easterly following the northerly boundaries of said Lot 363 and of Lot 362 to the north-east corner of said Lot 362; thence southerly following the easterly boundary of said Lot 362 to the north-west corner of Lot 9516; thence easterly following the northerly boundary of said Lot 9516 to the north-east corner thereof; thence southerly following the easterly boundary of said Lot 9516 to the south-east corner thereof; thence in a south-easterly direction to and around the headwaters of Indianpoint Creek to a point due south of the south-east corner of Lot 9882; thence due north to said south-east corner, being a point on the northerly shore of Isaac Lake; thence in a north-easterly direction following said northerly shore to the south-west corner of Lot 9883; thence northerly following the westerly boundary of said Lot 9883 to the north-west corner thereof; thence due north to meet the divide separating the waters

flowing northerly into Hagen Creek from those flowing southerly into Wolverine Creek; thence in a north-easterly direction along said divide to meet the westerly boundary of the watershed of the Fraser River; thence in a general south-easterly direction along said divide to meet the easterly boundary of the watershed of the Clearwater River; thence in a general westerly direction to and along the divide separating the waters flowing southerly into said Clearwater River and into Mitchell Lake and Cameron Creek from those flowing northerly into Long Lake and Connection Creek, and continuing westerly to and along the southerly boundary of the watershed of Kimball (Anderson) Creek, a tributary of Swamp River, to the point of junction of the centre line of said Swamp River and Cunningham Creek; thence in a general westerly direction to and along the height of land separating the waters flowing northerly into said Cunningham Creek and into Antler Creek and the Willow River from those flowing southerly into Keithley Creek, Swift River, and Lightning Creek, and continuing north-westerly to and along the divide separating the waters flowing westerly into the Cottonwood River and into Ahbau and Lodi Lakes from those flowing northerly into the Willow River to the point of juncture of the centre line of Valley Creek with the centre line of said Willow River; thence in a general south-easterly direction to and along the northerly boundary of the watershed of said Valley Creek to intersect the westerly boundary of the Bowron River aforesaid at the point of commencement.

*Vital Statistics Registration District of
Bella Coola.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at the point of intersection of the 127th meridian of west longitude with the centre line of Seymour Inlet; thence in a north-easterly direction along said centre line of Seymour Inlet to the mouth of the Seymour River; thence in a north-easterly direction to and along the divide between the waters flowing southerly into Wakeman and Kingcome Rivers and those flowing northerly into the Machmell River, and continuing north-easterly to and along the westerly boundary of the watershed of the Klinaklini River to meet the height of land separating the waters flowing easterly into the Chilanko and Chilcotin Rivers from those flowing westerly into the Dean River; thence in a north-westerly direction along said height of land to meet the divide between the waters flowing northerly into the Euchiniko, Entiako, and Chezko Rivers and into Eutsuk and Whitesail Lakes from those flowing southerly into said Dean River and into the Kimsquit River; thence in a westerly direction along said divide to intersect the 127th meridian of west longitude aforesaid; thence south along said meridian to the point of commencement.

*Vital Statistics Registration District of
Burns Lake.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at the point of intersection of the 125th meridian of west longitude with the 55th parallel of north latitude; thence west along said 55th parallel to its point of intersection with the easterly boundary of Lot 2041, Cassiar Land District; thence northerly following said easterly boundary of Lot 2041 to the north-east corner thereof; thence westerly following the northerly boundaries of said Lot 2041 and of Lot 2040 to the north-west corner of said Lot 2040; thence southerly following the easterly boundary of Lot 2044 to the north-east corner of Lot 2045; thence westerly following the northerly boundary of said Lot 2045 to the north-west corner thereof; thence northerly following the easterly boundary of Lot 2046 to the north-east corner thereof; thence westerly following the northerly boundaries of said Lot

2046 and of Lot 2054 to the north-west corner of said Lot 2054; thence northerly, easterly, and southerly following the respective external boundaries of Lot 2053 to the point of intersection of the westerly boundary of said Lot 2053 with the easterly shore of Middle River; thence north-westerly along said shore-line to the point thereon which lies due east of the south-east corner of Lot 2068; thence due west to said south-east corner; thence westerly following the southerly boundary of said Lot 2068 to the south-west corner thereof—all of the lots herein above mentioned lie in the Cassiar District aforesaid; thence due south to intersect the 55th parallel aforesaid; thence west along said parallel to the 126th meridian of west longitude; thence south along said 126th meridian to its point of intersection with the northerly boundary of Lot 1518, Range 5, Coast District; thence easterly, or as the case may be, following said northerly boundary of said Lot 1518 to the north-east corner thereof; thence southerly following the easterly boundary of said Lot 1518 to the south-east corner thereof, being a point on the northerly shore of Babine Lake; thence due south to the southerly shore of said lake; thence in a general southerly direction to and along the westerly boundary of the watershed of said Babine Lake to the point thereon which lies due east of the north-east corner of Lot 4191; thence west to said north-east corner; thence westerly following the northerly boundary of said Lot 4191 to the north-west corner thereof; thence southerly following the easterly boundaries of Lots 4192, 4193, 4187, 3535, and 3534 to the south-east corner of said Lot 3534; thence westerly following the southerly boundary of said Lot 3534 to the north-east corner of Lot 6622; thence southerly following the easterly boundaries of Lots 6622, 6616, and 6440 to the south-east corner of said Lot 6440; thence westerly following the southerly boundary of said Lot 6440 to the north-west corner of Lot 6437; thence southerly following the westerly boundaries of said Lot 6437 and of Lot 6438 to the south-west corner of said Lot 6438; thence due south to intersect the northerly boundary of Lot 6623; thence westerly following the northerly boundary of said Lot 6623 to the north-west corner thereof; thence southerly following the westerly boundary of said Lot 6623 to the south-west corner thereof; thence in a general southerly direction to and along the divide between Maxan (Maxim) Lake and the Endako River and continuing south-westerly to and along the height of land separating the waters flowing northerly into Buck Creek, Morice River, and Nanika Lake from those flowing southerly into Francois Lake, Nadina River, and Tahtsa Lake, to meet the divide between the waters flowing westerly into Lakelse Lake and into the Kildala, Kemano, and Kitlope Rivers from those flowing easterly into said Morice River, Nanika and Tahtsa Lakes, and into Whitesail and Eutsuk Lakes; thence in a general south-easterly direction along said divide to meet the northerly boundary of the watershed of the Dean and Euchiniko Rivers; thence in a general easterly direction along said boundary of said watershed to intersect the height of land separating the waters flowing easterly into Batnuni Creek and into Tatuk and Finger Lakes from those flowing westerly into the Nechako River; thence in a general north-westerly direction along said height of land to meet the divide between the waters flowing southerly into said Tatuk and Finger Lakes and into the Chilako River from those flowing northerly into the Nechako River; thence in a general westerly direction following said divide and passing around the headwaters of Cutoff Creek to continue northerly along the westerly boundary of the watershed of said Cutoff Creek to the point thereon which lies due south of the south-west corner of Lot 1299, Range 4, Coast District; thence due north to said south-west corner; thence northerly following the westerly boundary of said Lot 1299 to the north-west corner thereof; thence due north to a point due east of the south-east corner of Lot 2696, being Cheslatta Indian Reserve No. 15; thence due west to said south-east corner; thence northerly following the easterly boundary

of said Lot 2696 to the north-east corner thereof; thence in a general northerly direction to and along the easterly boundary of the watershed of Nithi River to the south-east corner of Lot 82; thence northerly following the easterly boundary of said Lot 82 to the north-east corner thereof; thence easterly following the southerly boundaries of Lots 83, 84, and 85 to the south-east corner of said Lot 82; thence northerly following the easterly boundary of said Lot 85 to the north-east corner thereof; thence easterly following the southerly boundaries of Lots 86 and 87 to the south-east corner of said Lot 87; thence northerly following the easterly boundary of said Lot 87 to the north-east corner thereof; thence westerly following the northerly boundaries of said Lots 87 and 86 to the north-west corner of said Lot 86; thence southerly following the westerly boundary of said Lot 86 to the north-east corner of Lot 85 aforesaid; thence westerly following the northerly boundaries of said Lots 85, 84, 83, and 81 to the north-west corner of said Lot 81; thence northerly and westerly following the external easterly and northerly boundaries, respectively, of said Lot 81 and of Lots 77 and 2613 to the north-east corner of said Lot 2613—all the above-mentioned lots lie in Range 4, Coast District, aforesaid; thence due north to intersect the southerly boundary of Lot 4522, Range 5, Coast District; thence easterly following the southerly boundary of said Lot 4522 to the south-east corner thereof; thence northerly following the easterly boundaries of said Lot 4522 and of Lots 2559, 2555, 4086, 3831, 3830, 6337, and 3240 and continuing northerly along the westerly boundary of Lot 6336 to the north-west corner of said Lot 6336; thence due north to intersect the southerly boundary of Lot 3235; thence westerly following said southerly boundary of Lot 3235 to the south-west corner thereof; thence northerly following the westerly boundaries of said Lot 3235 and of Lots 6334 and 6335 to the north-west corner of said Lot 6335; thence in a general north-westerly direction to and along the southerly boundary of the watershed of Ormonde Creek to intersect the 125th meridian of west longitude; thence north along said meridian to the southerly boundary of Lot 5034; thence westerly following said southerly boundary of Lot 5034 to the south-west corner thereof; thence northerly along the westerly boundary of said Lot 5034 to the more southerly south-east corner of Lot 4951; thence westerly following the southerly boundary of said Lot 4951 to the south-west corner thereof; thence northerly and easterly following the westerly and northerly boundaries, respectively, of said Lot 4951 to intersect again the aforesaid 125th meridian; thence north along said meridian to the southerly boundary of Lot 4952, being a point on the northerly shore of Whitefish Lake; thence north-easterly along said shore-line to the south-east corner of Lot 4952; thence northerly following the easterly boundaries of said Lot 4952 and of Lot 4953 to the north-east corner of said Lot 4953; thence westerly following the northerly boundary of said Lot 4953 to intersect again the aforesaid 125th meridian; thence north along said meridian to the southerly boundary of Lot 2842, being a point on the northerly shore of Stuart Lake; thence easterly following said southerly boundary of said Lot 2842 to the south-east corner thereof; thence northerly and westerly following the easterly and northerly boundaries, respectively, of said Lot 2842 to intersect again the 125th meridian aforesaid; thence north along said meridian to the southerly boundary of Lot 3654; thence westerly, northerly, and westerly following the respective external boundaries of said Lot 3654 to intersect again the aforesaid 125th meridian; thence north along said meridian to the southerly boundary of Indian Reserve No. 2, "So-Yan-Do-Star," being a point on the northerly shore of Trembleur Lake; thence easterly following said shore-line to the south-east corner of said Indian reserve; thence northerly and westerly following the easterly and northerly boundaries, respectively, of said Indian reserve to intersect again the aforesaid 125th meridian; thence north along said meridian to the point of commencement. All the above-named lots lie in Range 5, Coast District, aforesaid.

Vital Statistics Registration District of Clinton.

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at that point on the easterly boundary of the watershed of Big Creek where it is intersected by the northerly boundary of the watershed of Relay Creek, a tributary of Tyaughton Creek; thence in a general easterly direction along the divide separating the waters flowing southerly into said Tyaughton Creek and into the Yalakom and Bridge Rivers from those flowing northerly into the Fraser River to meet the easterly boundary of the watershed of said Yalakom River; thence in a general south-easterly direction along said boundary of said watershed to the point thereon which lies due west of the south-west corner of Lot 2989, Lillooet Land District; thence due east to said south-west corner; thence easterly following the southerly boundaries of said Lot 2989 and of Lot 2990 to the south-east corner of said Lot 2990; thence northerly following the easterly boundary of said Lot 2990 to the point thereon which lies due west of the north-west corner of Lot 2977; thence due east to said north-west corner; thence easterly following the northerly boundaries of said Lot 2977 and of Lot 2978 to the north-east corner of said Lot 2978; thence southerly following the easterly boundary of said Lot 2978 to the point thereon which lies due west of the south-west corner of Lot 2980; thence due east to said south-west corner; thence easterly following the southerly boundary of said Lot 2980 to the south-east corner thereof; thence due east across the Fraser River aforesaid to intersect the westerly boundary of Lot 4679; thence northerly and easterly following the westerly and northerly boundaries, respectively, of said Lot 4679 and of Lots 4680 and 4681 to the north-east corner of said Lot 4681; thence due east to the point due north of the north-west corner of Section 4, Township 22, Range 27, west of the 6th meridian, being a point on the westerly boundary of the Railway Belt; thence due south to said north-west corner; thence westerly and southerly following the several external boundary-lines of said Railway Belt to the south-west corner of Township 19, Range 28, west of the 6th meridian; thence easterly following the southerly boundaries of said Township 19, Range 28, and of Township 19, Ranges 27 and 26, to the south-east corner of said Township 19, Range 26; thence north along the east boundaries of said Township 19, Range 26, and of Township 20, Range 26, and the west boundaries of Townships 21 and 22, Range 25, to the north-west corner of Section 7 of said Township 22, Range 25; thence east along the north boundary of said Section 7 to the north-east corner thereof; thence north along the west boundaries of Sections 17, 20, and 29 to the north-west corner of the South-west Quarter of said Section 29; thence east along the north boundaries of the South Half of said Section 29 of that of Section 28 to the north-east corner of the South-east Quarter of said Section 28; thence north along the east boundaries of said Section 28 and of Section 33 to the north-east corner of said Section 33; thence east along the north boundaries of Sections 34, 35, and 36 to the north-east corner of said Section 36, Township 22, Range 25, aforesaid; thence east along the south boundaries of Township 23, Ranges 24 and 23, to the south-east corner of Section 4 of said Township 23, Range 23; thence north along the east boundaries of said Section 4 and of Sections 9, 16, 21, 28, and 33 to the north-east corner of said Section 33; thence east along the north boundaries of Sections 34, 35, and 36 to the north-east corner of said Section 36 of Township 23, Range 23, aforesaid; thence northerly following the easterly boundary of Township 24, Range 23, to the north-east corner thereof, being a point on the northerly boundary of said Railway Belt—all the ranges herein above mentioned lie west of the 6th meridian aforesaid; thence easterly following said northerly boundary of the Railway Belt to the point thereon which lies due south of the south-east corner of Lot 3838; thence due north to said south-east corner; thence northerly following the easterly boundary

of said Lot 3888 to the north-east corner thereof; thence due north to intersect the divide between the waters flowing southerly into the Deadman River and Allan Lake from those flowing northerly into the Bonaparte River and Bonaparte Lake; thence in an easterly direction along said divide to intersect the height of land separating the waters flowing easterly into the North Thompson River from those flowing westerly into said Bonaparte Lake and into Machete and Toba Lakes; thence in a north-westerly direction along said height of land to the point thereon which lies due east of the north-east corner of Lot 5201; thence due west to said north-east corner; thence westerly following the northerly boundary of said Lot 5201 to the north-west corner thereof; thence due west to the point due south of the south-east corner of Lot 4916; thence north to said south-east corner; thence northerly following the easterly boundaries of said Lot 4916 and of Lot 1851 to the north-east corner of said Lot 1851; thence westerly following the northerly boundaries of said Lot 1851 and of Lots 1850 and 1846 to the point due south of the south-east corner of Lot 1849; thence due north to said south-east corner; thence northerly following the easterly boundaries of said Lot 1849 and of Lot 4918 to the more easterly north-east corner of said Lot 4918, being a point on the southerly shore of Lac des Roches; thence northerly and south-easterly following the shore of said lake to the south-west corner of Lot 1861; thence easterly following the southerly boundary of said Lot 1861 to the south-east corner thereof; thence due east to intersect the easterly boundary of the Lillooet Land District as surveyed on the ground; thence northerly following said surveyed boundary-line to the southerly boundary of Lot 1866; thence easterly along said southerly boundary of Lot 1866 to the south-east corner thereof; thence northerly following the easterly boundary of said Lot 1866 to the north-east corner thereof—all the lots herein above mentioned being in the Lillooet Land District aforesaid; thence due east to the point due south of the south-west corner of Lot 3446, Kamloops Land District; thence due north to said south-west corner; thence northerly following the westerly boundaries of said Lot 3446 and of Lots 3444, 3451, and 3452 to the north-west corner of said Lot 3452; thence due west to the point due south of the south-west corner of Lot 3455; thence due north of said south-west corner; thence due west to the point due south of the south-west corner of Lot 3460; thence due north to said south-west corner; thence northerly following the westerly boundary of said Lot 3460 to the north-west corner thereof; thence easterly following the northerly boundaries of said Lot 3460 and of Lots 3459 and 3458 to the north-east corner of said Lot 3458—all the above-named lots lying in the Kamloops Land District aforesaid; thence due east to intersect the easterly boundary of the watershed of Canimred Creek; thence in a north-westerly direction along said boundary of said watershed to the point thereon which lies due east of the south-east corner of Lot 3384 of the Lillooet Land District aforesaid; thence due west to said south-east corner, being a point on the easterly boundary of said Lillooet Land District as surveyed on the ground; thence northerly following said surveyed boundary-line to the point thereon which lies due east of the south-east corner of Lot 6315; thence due west to said south-east corner; thence westerly following the southerly boundaries of said Lot 6315 and of Lots 6314 and 6312 to the south-west corner of said Lot 6312; thence northerly following the westerly boundaries of said Lot 6312 and of Lot 6311 to the north-west corner of said Lot 6311—all the above-named lots lying in the Lillooet District aforesaid; thence due north to meet the 52nd parallel of north latitude as surveyed on the ground; thence easterly following said surveyed parallel to intersect the easterly boundary of the watershed of Martin Creek; thence in a north-westerly direction following said easterly boundary of said watershed to intersect the height of land separating the waters flowing southerly into Canim and Murphy Lakes from those flowing northerly into the Horsefly River and McIntosh Lakes; thence in a general south-westerly direc-

tion following said height of land to the point thereon which lies due north of the north-west corner of Lot 9501, Cariboo Land District; thence due south to said north-west corner; thence southerly following the westerly boundary of said Lot 9501 to the south-west corner thereof; thence due south to intersect said 52nd parallel of north latitude; thence westerly following said surveyed parallel to the north-east corner of Township 13, Lillooet Land District; thence southerly following the easterly boundary of said Township 13 to the south-east corner of Section 12 of said Township 13; thence easterly following the northerly boundaries of Sections 6 and 5 of Township 15 of said Lillooet District to the north-east corner of said Section 5; thence southerly following the easterly boundaries of said Section 5 and of Sections 32, 29, and 20 of Township 28 of said Lillooet District to meet the northerly boundary of Lot 2785; thence easterly following the northerly boundaries of said Lot 2785 and of Lot 2784 to the north-east corner of said Lot 2784; thence southerly following the easterly boundaries of said Lot 2784 and of Lots 2775 and 2772 to the south-east corner of said Lot 2772; thence easterly following the northerly boundary of Lot 5 to the north-east corner thereof; thence southerly following the easterly boundary of said Lot 5 to the south-east corner thereof, being a point on the northerly shore of Lac la Hache; thence south-easterly along said shore-line to the northerly boundary of Lot 161; thence easterly, southerly, and westerly following the northerly, easterly, and southerly boundaries, respectively, of said Lot 161 to intersect the easterly boundary of Lot 2826; thence southerly following said easterly boundary of said Lot 2826 to the south-east corner thereof; thence westerly following the southerly boundaries of said Lot 2826 and of Lots 2798, 2776, 2782, and 2781 to the south-west corner of said Lot 2781; thence due west to the point due north of the north-east corner of Lot 4614; thence due south to said north-east corner; thence southerly following the easterly boundary of said Lot 4614 to the south-east corner thereof; thence due south to the point due east of the south-east corner of Section 28, Township 75, of said Lillooet District; thence due west to said south-east corner; thence westerly following the southerly boundaries of said Section 28 and of Section 29 of said Township 75 to the south-west corner of said Section 29; thence northerly following the westerly boundaries of said Section 29 and of Section 32 of said Township 75 to the north-west corner of said Section 32; thence westerly following the southerly boundaries of Section 6 of Township 43 and of Sections 1 and 2 of Township 45 of said Lillooet District to the south-west corner of said Section 2 of said Township 45; thence due south to the point due east of the south-east corner of Lot 2571; thence due west to said south-east corner; thence westerly following the southerly boundaries of said Lot 2571 and of Lots 2570 and 2569 to the south-west corner of said Lot 2569; thence due south to the point due east of the south-east corner of Lot 2590; thence due west to said south-east corner; thence westerly following the southerly boundary of said Lot 2590 and the northerly boundaries of Lots 111, 17, and 16 to the north-west corner of said Lot 16; thence due west to the centre line of the Fraser River; thence in a south-easterly direction following said centre line of said river to the point thereon which lies due east of the north-east corner of Section 15, Township 85, of said Lillooet District; thence due west to said north-east corner; thence westerly following the northerly boundaries of said Section 15 and of Sections 16 and 17 to the north-west corner of said Section 17; thence southerly following the easterly boundary of Lot 2613 to the south-east corner thereof; thence westerly following the southerly boundaries of said Lot 2613 and of Lots 2610 and 2607 to the south-west corner of said Lot 2607—all the above-named lots lying in the Lillooet District aforesaid; thence due west to meet the divide separating the waters flowing westerly into said Big Creek and into the Tazeko and Lord Rivers from those flowing easterly into the Fraser River; thence in a general south-westerly direction following said divide to the point of commencement.

*Vital Statistics Registration District of
Fort Fraser.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at that point on the 125th meridian of west longitude where it is intersected by the height of land separating the waters flowing southerly into Sutherland River and Babine Lake from those flowing northerly into Whitefish Lake, Stuart Lake, and Stuart River; thence in a general south-easterly direction following said height of land and continuing thence easterly and southerly to and along the northerly boundary of the watershed of the Nechako River to the point thereon due north of the north-east corner of Township 18, Range 5, Coast District; thence due south to said north-east corner; thence southerly following the easterly boundary of said Township 18 to the south-east corner thereof; thence westerly following the southerly boundary of said Township 18 to the north-east corner of Township 14 of said Range 5, Coast District; thence southerly following the easterly boundary of said Township 14 to the south-east corner thereof; thence westerly following the southerly boundary of said township to the north-east corner of Section 33, Township 9, Range 4, Coast District; thence southerly following the easterly boundaries of Sections 33, 28, 21, 16, 9, and 4 of said Township 9 to the south-east corner of said Section 4; thence westerly following the southerly boundary of said Section 4 to the north-west corner of Section 33, Township 10, of said Range 4, Coast District; thence southerly following the westerly boundaries of Sections 33, 28, 21, and 16 of said Township 10 to the northerly boundary of Lot 1327 of said Range 4, Coast District; thence easterly following said northerly boundary of Lot 1327 to the north-east corner thereof; thence southerly following the easterly boundary of said Lot 1327 to the south-east corner thereof; thence easterly following the northerly boundary of Lot 1338 of said Range 4, Coast District, to the north-east corner thereof; thence southerly following the easterly boundary of said Lot 1338 to meet the southerly boundary of Township 10 aforesaid; thence easterly following said southerly boundary of Township 10 to the south-east corner thereof; thence in a general southerly direction to and around the headwaters of Greer Creek to meet the divide separating the waters flowing southerly into Finger and Tatuk Lakes and into the Chilako River from those flowing northerly into said Nechako River; thence in a general westerly direction following said divide and passing around the headwaters of Cutoff Creek to continue northerly along the westerly boundary of the watershed of said Cutoff Creek to the point thereon which lies due south of the south-west corner of Lot 1299, Range 4, Coast District; thence due north to said south-west corner; thence northerly following the westerly boundary of said Lot 1299 to the north-west corner thereof; thence due north to a point due east of the south-east corner of Lot 2696, being Cheslatta Indian Reserve No. 15; thence due west of said south-east corner; thence northerly following the easterly boundary of said Lot 2696 to the north-east corner thereof; thence in a general northerly direction to and along the easterly boundary of the watershed of Nithi River to the south-east corner of Lot 82; thence northerly following the easterly boundary of said Lot 82 to the north-east corner thereof; thence easterly following the southerly boundaries of Lots 83, 84, and 85 to the south-east corner of said Lot 85; thence northerly following the easterly boundary of said Lot 85 to the north-east corner thereof; thence easterly following the southerly boundaries of Lots 86 and 87 to the south-east corner of said Lot 87; thence northerly following the easterly boundary of said Lot 87 to the north-east corner thereof; thence westerly following the northerly boundaries of said Lots 87 and 86 to the north-west corner of said Lot 86; thence southerly following the westerly boundary of said Lot 86 to the north-east corner of Lot 85 aforesaid; thence westerly following the northerly boundaries of said Lots 85, 84, 83, and 81 to the north-west corner of said Lot 81; thence

northerly and westerly following the external easterly and northerly boundaries, respectively, of said Lot 81 and of Lots 77 and 2613 to the north-east corner of said Lot 2613—all the lots above mentioned lie in Range 4, Coast District, aforesaid; thence due north to intersect the southerly boundary of Lot 4522, Range 5, Coast District; thence easterly following the southerly boundary of said Lot 4522 to the south-east corner thereof; thence northerly following the easterly boundaries of said Lot 4522 and of Lots 2559, 2555, 4086, 3831, 3830, 6337, and 3240 and continuing northerly along the westerly boundary of Lot 6336 to the north-west corner of said Lot 6336; thence due north to intersect the southerly boundary of Lot 3235; thence westerly to the south-west corner thereof; thence northerly following the westerly boundaries of said Lot 3235 and of Lots 6334 and 6335 to the north-west corner of said Lot 6335—all the above-named lots being in Range 5, Coast District, aforesaid; thence in a general north-westerly direction to and along the southerly boundary of the watershed of Ormonde Creek to intersect the 125th meridian of west longitude; thence due north along said 125th meridian to the point of commencement.

*Vital Statistics Registration District of
Fort Nelson.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at the point of intersection of the 120th meridian of west longitude with the 60th parallel of north latitude; thence west along said parallel to the 126th meridian; thence south along said meridian to meet the easterly boundary of the watershed of the Kechika (Muddy) River; thence in a south-easterly direction along said boundary of said watershed to the 58th parallel of north latitude; thence east along said parallel to the 125th meridian; thence in a south-easterly direction to and along the easterly boundary of the watershed of the Finlay River to meet the northerly boundary of the Halfway River; thence in an easterly direction to and along the divide separating the waters flowing northerly into the Fort Nelson River from those flowing southerly into said Halfway River and into Blueberry and Beaton Rivers to the 120th meridian aforesaid; thence north along said meridian to the point of commencement.

*Vital Statistics Registration District of
Fort St. John.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at the point of intersection of the 120th meridian of west longitude with the north boundary of Township 82, Range 13, west of the 6th meridian; thence west along the north boundaries of said township and of Township 82 in Ranges 14, 15, 16, 17, and 18 to the north-west corner of said Township 82, Range 18; thence south along the west boundary of said township to the south-west corner thereof; thence west along the south boundary of Township 82, Range 19, to the south-west corner thereof; thence south along the east boundary of Township 81, Range 20, to the south-east corner; thence west along the south boundary of said Township 81 to the south-west corner thereof; thence north along the west boundaries of Townships 81 and 82, Range 20, to the north-west corner of said Township 82, Range 20; thence west along the north boundaries of Township 82 in Ranges 21, 22, and 23 to the south-east corner of Township 83, Range 23; thence north along the east boundaries of said Township 83 and of Township 84, Range 23, to the north-east corner of said Township 84, Range 23; thence west along the north boundary of said Township 84, Range 23, to the north-west corner thereof; thence north along the east boundary of Townships 85 and 86, Range 24, to the north-east corner of said Township 86, Range 24; thence west along the north boundary of said township to the south-east corner of Township 87, Range 24; thence north along the east boundaries of said Township 87 and of Township 88, Range 24, to the north-east corner thereof and

continuing north to meet the easterly boundary of the watershed of Cameron River; thence in a north-westerly direction along said boundary of said watershed to meet the northerly boundary of the watershed of the Halfway River; thence in an easterly direction to and along the divide separating the waters flowing northerly into the Fort Nelson River from those flowing southerly into the Blueberry and Beaton Rivers to intersect the 120th meridian aforesaid; thence south along said meridian to the point of commencement.

*Vital Statistics Registration District of
Giscome.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at that point on the westerly boundary of the watershed of the Bowron River which lies due west of the north-west corner of Lot 364, Cariboo Land District, said point being situate in the vicinity of the headwaters of West Creek, a tributary of the Bowron River aforesaid; thence due east to said north-west corner; thence easterly following the northerly boundaries of said Lot 364 and of Lot 2045 to the north-east corner of said Lot 2045; thence southerly following the easterly boundary of said Lot 2045 to the north-west corner of Lot 363; thence easterly following the northerly boundaries of said Lot 363 and of Lot 362 to the north-east corner of said Lot 362; thence southerly following the easterly boundary of said Lot 362 to the north-west corner of Lot 9516; thence easterly following the northerly boundary of said Lot 9516 to the north-east corner thereof; thence southerly following the easterly boundary of said Lot 9516 to the south-east corner thereof; thence in a south-easterly direction to and around the headwaters of Indianpoint Creek to a point due south of the south-east corner of Lot 9882; thence due north to said south-east corner, being a point on the northerly shore of Isaac Lake; thence in a north-easterly direction following said northerly shore to the south-west corner of Lot 9883; thence northerly following the westerly boundary of said Lot 9883 to the north-west corner thereof; thence due north to meet the divide separating the waters flowing northerly into Haggen Creek from those flowing southerly into Wolverine Creek and continuing northerly to and around the headwaters of said Haggen Creek to pass along the divide between Dome Creek and Slim Creek, tributaries of the Fraser River, to a point due south of the south-west corner of Lot 5482; thence due north to said south-west corner; thence northerly following the westerly boundary of said Lot 5482 to the south-east corner of Lot 5484; thence westerly following the southerly boundary of said Lot 5484 to the south-west corner thereof; thence northerly following the westerly boundary of said Lot 5484 produced to the centre line of the Fraser River; thence north-easterly along said centre line to the point thereon which lies due south of the more easterly south-east corner of Lot 3266; thence due north to said south-east corner; thence northerly following the easterly boundary of said Lot 3266 to the north-east corner thereof; thence due north to meet the westerly boundary of the watershed of Torpy (Clearwater) River, to meet the divide separating the waters flowing easterly into the McGregor and Herrick Rivers from those flowing westerly into said Torpy (Clearwater) River and into Morkill River; thence in a general south-easterly direction along said divide to meet the 120th meridian of west longitude, being a point on the easterly boundary of the Province; thence in a general north-westerly direction to and along the height of land separating the waters flowing easterly into the Smoky, Wapiti, and Murray Rivers from those flowing westerly into the McGregor and Herrick Rivers aforesaid, to meet the divide separating the waters flowing northerly into the Parsnip and Crooked Rivers from those flowing southerly into the said McGregor and Herrick Rivers; thence in a general south-westerly direction following said divide to the point thereon which lies due north of the north-east corner of Lot 775; thence south to said north-east corner;

thence southerly following the easterly boundary of said Lot 775 to the south-east corner thereof, being a point on the northerly shore of the Fraser River; thence due south across said Fraser River to the southerly shore thereof; thence south-westerly along said southerly shore-line to the north-east corner of Lot 760; thence southerly following the easterly boundary of said Lot 760 to the south-east corner thereof; thence due south to meet the northerly boundary of Lot 4446; thence easterly following the northerly boundaries of said Lot 4446 and of Lot 4447 to the north-east corner of said Lot 4447; thence southerly following the easterly boundary of said Lot 4447 to the south-east corner thereof; thence easterly, southerly, and easterly following the external boundaries of Lot 9345 to the more easterly north-east corner thereof; thence southerly following the easterly boundaries of said Lot 9345 and of Lots 9342, 9341, and 9338 to the south-east corner of said Lot 9338; thence westerly along the southerly boundary of Lot 9338 to the point thereon which is due north of the north-west corner of Lot 7947; thence south to said north-west corner; thence southerly following the westerly boundary of said Lot 7947 to the south-west corner thereof, being a point on the westerly shore of Eaglet Lake; thence in a southerly direction following said shore of said lake to the north-east corner of Lot 7935; thence westerly following the northerly boundary of said Lot 7935 to the north-west corner thereof; thence southerly following the westerly boundaries of said Lot 7935 and of Lot 7241 to the south-west corner of said Lot 7241; thence westerly following the northerly boundary of Lot 2176 to the north-west corner thereof; thence southerly following the westerly boundaries of said Lot 2176 and of Lots 2177 and 9205 to the south-west corner of said Lot 9205; thence easterly following the southerly boundaries of said Lot 9205 and of Lots 9204, 9361, and 9361R and the northerly boundaries of Lots 2739 and 2740 to the north-east corner of said Lot 2740; thence southerly following the easterly boundary of said Lot 2740 to the south-east corner thereof; thence easterly following the northerly boundary of Lot 2741 to the north-east corner thereof; thence southerly following the easterly boundaries of said Lot 2741 and of Lot 2751 to the south-east corner of said Lot 2751; thence easterly following the northerly boundaries of Lots 2752 and 2762 to the north-east corner of said Lot 2762; thence southerly following the easterly boundary of said Lot 2762 to the south-east corner thereof; thence easterly following the northerly boundary of Lot 2763 to the north-east corner thereof; thence southerly following the easterly boundary of said Lot 2763 to the south-east corner thereof; thence easterly following the northerly boundaries of Lots 2764 and 3704 to the north-east corner of said Lot 3704; thence southerly and easterly following the external easterly and northerly boundaries, respectively, of said Lot 3704 and of Lots 3702, 2870, and 2866 to the north-east corner of said Lot 2866; thence southerly following the easterly boundaries of said Lot 2866 and of Lot 2865 to the south-east corner of said Lot 2865—all the lots herein above mentioned being situate in the Cariboo Land District aforesaid; thence in a general south-easterly direction to and along the westerly boundary of the watershed of the Bowron River to the point of commencement.

*Vital Statistics Registration District of
Hazelton.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at the point of intersection of the 125th meridian of west longitude with the 55th parallel of north latitude; thence west along said parallel to the easterly boundary of Lot 2041, Cassiar Land District; thence northerly following said easterly boundary of Lot 2041 to the north-east corner thereof; thence westerly following the northerly boundaries of said Lot 2041 and of Lot 2040 to the north-west corner of said Lot 2040; thence southerly following the easterly boundary of Lot 2044 to the north-east corner of Lot 2045;

thence westerly following the northerly boundary of said Lot 2045 to the north-west corner thereof; thence northerly following the easterly boundary of Lot 2046 to the north-east corner thereof; thence westerly following the northerly boundaries of said Lot 2046 and of Lot 2054 to the north-west corner of said Lot 2054; thence northerly, easterly, and southerly following the respective external boundaries of Lot 2053 to the point of intersection of the westerly boundary of said Lot 2053 with the easterly shore of Middle River; thence north-westerly along said shore-line to the point thereon which lies due east of the south-east corner of Lot 2068; thence due west to said south-east corner; thence westerly following the southerly boundary of said Lot 2068 to the south-west corner thereof; thence due south to intersect the 55th parallel aforesaid; thence west along said parallel to the point thereon which lies due south of the south-west corner of Lot 3749A; thence due north to said south-west corner; thence due west to intersect the northerly boundary of the watershed of Fulton River; thence in a westerly direction following said boundary of said watershed and continuing westerly along the divide separating the waters flowing northerly into Haroldprice Creek from those flowing southerly into said Fulton River and into Meadow Creek to the north-east corner of Lot 1065; thence due north to the point due east of the south-east corner of Lot 1472; thence due west to said south-east corner; thence westerly following the southerly boundaries of said Lot 1472 and of Lots 1473, 1474, and 1230 to the south-west corner of said Lot 1230—all the lots herein above mentioned lie in the Cassiar District aforesaid; thence in a south-westerly direction to and around the headwaters of John Brown Creek to meet the northerly boundary of the watershed of Kitsequella Creek; thence in a south-easterly direction following said boundary of said watershed to the point thereon which lies due north of the north-east corner of Lot 3397, Range 5, Coast Land District; thence due south to said north-east corner; thence southerly following the easterly boundary of said Lot 3397 to the south-east corner thereof; thence due south to the point due west of the north-west corner of Lot 3396; thence due east to said north-west corner; thence easterly following the northerly boundaries of said Lot 3396 and of Lots 3395, 3394, and 3393A to the north-east corner of said Lot 3393A; thence southerly following the easterly boundaries of said Lot 3393A and of Lot 3393 to the south-east corner of said Lot 3393; thence due south to meet the northerly boundary of the watershed of the Zymoetz River; thence in a westerly direction following said boundary of said watershed to its intersection with the divide between the waters flowing westerly into the Skeena River from those flowing easterly into the Zymoetz River aforesaid; thence in a southerly direction along said divide to the 128th meridian of west longitude; thence south along said meridian to the westerly boundary of the watershed of the Kitnayakwa River; thence in a south-easterly direction following said boundary of said watershed and passing easterly to and around the headwaters of said Kitnayakwa River to meet the divide separating the waters flowing easterly into the Morice River and into Morice Lake from those flowing westerly into Clore River; thence in a general south-westerly direction along said divide to the 54th parallel of north latitude; thence in a north-westerly direction to and along the divide between the waters flowing easterly into said Clore River and those flowing westerly into the Kitimat River to meet the northerly boundary of the watershed of Williams Creek; thence westerly following said boundary of said watershed to the point thereon which lies due south of the south-east corner of Lot 988; thence due north to said south-east corner; thence westerly following the southerly boundaries of said Lot 988 and of Lot 836 to the south-west corner of said Lot 836, being a point on the easterly shore of the Skeena River; thence due west across said Skeena River to the westerly shore thereof; thence southerly following said westerly shore-line to the south-east corner of Lot 5188; thence westerly follow-

ing the southerly boundaries of said Lot 5188 and of Lot 3994 to the south-west corner of said Lot 3994; thence northerly following the westerly boundary of said Lot 3994 to the north-west corner thereof; thence due west to the point due south of the south-west corner of Lot 6642; thence due north to said south-west corner; thence northerly following the westerly boundary of said Lot 6642 to the north-west corner thereof, and continuing northerly to and along the easterly boundary of Lot 5846 to the north-east corner thereof; thence westerly following the northerly boundaries of said Lot 5846 and of Lot 5845 to the north-west corner of said Lot 5845; thence northerly following the easterly boundary of Lot 4580 to the north-east corner thereof; thence westerly following the northerly boundary of said Lot 4580 to the north-west corner thereof—all the above-mentioned lots lie in Range 5, Coast District, aforesaid; thence due north to intersect the divide separating the waters flowing westerly into Kitsumgallum Lake and into the Nass River from those flowing easterly into the Skeena River aforesaid; thence in a north-easterly direction along said divide to the south-west corner of Lot 1969, Cassiar Land District; thence northerly following the westerly boundaries of said Lot 1969 and of Lots 1968, 1881, 1879, and 1876 to the north-west corner of said Lot 1876; thence due north to meet the height of land separating the waters flowing westerly into said Nass River from those flowing easterly into the aforesaid Skeena River; thence in a general northerly direction along said divide to meet the height of land separating the waters flowing northerly into the Stikine River from those flowing southerly into the aforesaid Skeena River and into the Finlay River; thence in a north-easterly direction along said height of land to meet the divide between the waters flowing northerly into the Liard River from those flowing southerly into said Finlay River; thence easterly along said divide to the 58th parallel of north latitude; thence east along said parallel to the 125th meridian of west longitude aforesaid; thence south along said meridian to the northerly boundary of Lot 2709, Cassiar Land District; thence easterly along said northerly boundary of Lot 2709 to the north-east corner thereof; thence southerly following the easterly boundary of said Lot 2709 to the south-east corner thereof, being a point on the northerly shore of Tchentlo Lake; thence southerly to and along the easterly boundary of Lot 2715 of said Cassiar District to the south-east corner thereof; thence westerly along the southerly boundary of said Lot 2715 to the 125th meridian aforesaid; thence south along said meridian to the point of commencement.

*Vital Statistics Registration District of
Hudson Hope.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at the north-west corner of Section 3, Township 78, Range 21, west of the 6th meridian; thence south along the west boundary of said Section 3 to the north boundary of Township 77, Range 21; thence west along said north boundary of said township to the north-west corner thereof; thence south along the west boundary of said township to the south-west corner thereof; thence westerly following the southerly boundary of Township 77, Range 22, to the south-west corner thereof; thence due south to meet the northerly boundary of Lot 291, Peace River Land District; thence westerly following said northerly boundary of Lot 291 to the north-west corner thereof; thence due west to meet the easterly boundary of the watershed of the Sukunka River; thence in a south-westerly direction along said boundary of said watershed to meet the height of land separating the waters flowing easterly into said Murray, Sukunka, and Pine Rivers from those flowing westerly into the Parsnip River; thence in a north-westerly direction along said height of land to the point thereon which lies due south of the point of intersection of the centre line of the Peace River with that of Clearwater Creek produced to mid-

stream; thence due north to said point of intersection; thence in a north-westerly direction to and along the westerly boundary of the watershed of Brewster (Ottetail) River, and continuing north-westerly to and along the easterly boundary of the watershed of the Finlay River to meet the northerly boundary of the watershed of the Halfway River; thence in an easterly direction following said boundary of said watershed to meet the easterly boundary of the watershed of Cameron River; thence in a south-easterly direction along said easterly boundary of said watershed to the point thereon which lies due north of the north-east corner of Township 88, Range 24, west of the 6th meridian; thence due south to said north-east corner and continuing south along the east boundaries of said Township 88, Range 24, and of Township 87, Range 24, to the north boundary of Township 86, Range 24; thence east along said boundary to the north-east corner of said township; thence south along the east boundaries of Townships 86 and 85, Range 24, to the south-east corner of said Township 85; thence east along the north boundary of Township 84, Range 23, to the north-east corner thereof; thence south along the east boundaries of Townships 84 and 83, Range 23, to the south-east corner of said Township 83, Range 23; thence east along the north boundaries of Township 82 in Ranges 23, 22, and 21 to the north-east corner of said Township 82, Range 21; thence south along the east boundaries of Townships 82, 81, 80, and 79 in said Range 21 to the south-east corner of said Township 79, Range 21; thence east along the north boundary of Township 78, Range 21, to the north-east corner thereof; thence south along the east boundary of said Township 78 to the north-east corner of Section 1 thereof; thence west along the north boundaries of Sections 1, 2, and 3 of said Township 78 to the point of commencement.

*Vital Statistics Registration District of
Masset.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at the north-east corner of Lot 2406A, Queen Charlotte Land District, being a point on the easterly shore of Graham Island; thence westerly following the northerly boundaries of said Lot 2406A and of Lots 2406, 2397, 2398, and 2399 to the north-west corner of said Lot 2399; thence southerly following the westerly boundaries of said Lot 2399 and of Lots 2393, 2388, 2384, 2377, 2372, 2365, 2356, and 2355 to the south-west corner of said Lot 2355; thence westerly following the southerly boundaries of Lots 1388, 1383, and 1384 to the south-west corner of said Lot 1384; thence southerly following the easterly boundaries of Townships 7, 6, and 5 to the south-east corner of said Township 5; thence westerly following the northerly boundaries of Townships 4 and 2 to the north-west corner of Section 34 of said Township 2; thence in a westerly direction to and along the divide separating the waters flowing northerly into Rennell and Cartwright Sounds from those flowing southerly into Dawson Harbour and into the Pacific Ocean to the most northerly extremity of Van Harbour; thence in a south-westerly direction to and along the centre line of said Van Harbour into the Pacific Ocean; thence in a northerly direction along the Pacific Ocean and passing easterly to and along the International Boundary-line between Canada and Alaska in Dixon Entrance to the centre line of Hecate Strait produced northerly; thence in a southerly direction to and along said centre line of Hecate Strait to the point thereon which lies due east of the point of commencement; thence due west to said point of commencement. All the lots and townships herein above mentioned lie in the Queen Charlotte Land District aforesaid.

*Vital Statistics Registration District of
McBride.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at that point on the 120th meridian of west longitude where it is intersected by the height of land separating the waters flowing westerly into the Morkill and Fraser Rivers from those flowing easterly into the Smoky and Snake Indian Rivers, being a point on the easterly boundary of the Province; thence in a general south-easterly direction following said easterly boundary of the Province to the point where it is intersected by the divide between Hughallan and Baker Creeks, tributaries of the Canoe River; thence in a general north-westerly direction to and along the westerly boundary of the watershed of said Fraser River to the point thereon which lies due east of the north-east corner of Lot 7357, Cariboo Land District; thence due west to said north-east corner; thence westerly following the northerly boundaries of said Lot 7357 and of Lots 7355, 7354, 7353, and 7131 and the southerly boundary of Lot 5710 to the south-east corner of said Lot 5710; thence due south to meet the northerly boundary of the watershed of the Canoe River aforesaid; thence in a general south-westerly direction following said boundary of said watershed, and passing thence westerly to and along the height of land separating the waters flowing southerly into Azure River and Hobson Creek from those flowing northerly into the Raush River to meet the divide between said Raush River and the Clearwater River, being a point on the westerly boundary of the watershed of the Fraser River; thence in a general north-westerly direction along said boundary of said watershed and continuing northerly to and around the headwaters of Haggen Creek to pass along the divide between Dome and Slim Creeks, tributaries of said Fraser River, to a point due south of the south-west corner of Lot 5482; thence due north to said south-west corner; thence northerly following the westerly boundary of said Lot 5482 to the south-east corner of Lot 5484; thence westerly following the southerly boundary of said Lot 5484 to the south-west corner thereof; thence northerly following the westerly boundary of said Lot 5484 produced to the centre line of the Fraser River; thence north-easterly along said centre line to the point thereon which lies due south of the more easterly south-east corner of Lot 3266; thence due north to said south-east corner; thence northerly following the easterly boundary of said Lot 3266 to the north-east corner thereof; thence due north to meet the westerly boundary of the watershed of Torpy (Clearwater) River; thence in a north-westerly direction along said boundary of said watershed, and passing easterly to and around the headwaters of said Torpy (Clearwater) River to meet the divide separating the waters flowing easterly into the McGregor and Herriek Rivers from those flowing westerly into said Torpy (Clearwater) River and into Morkill River; thence in a general south-easterly direction along said divide to meet the 120th meridian of longitude aforesaid at the point of commencement. All the lots herein above mentioned lie in the Cariboo Land District aforesaid.

*Vital Statistics Registration District of
Ocean Falls.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at the point of intersection of the 127th meridian of west longitude with the centre line of Seymour Inlet; thence north along said meridian to meet the height of land separating the waters flowing southerly into the Kimsquit and Kitlope Rivers from those flowing northerly into Eutsuk and Whitesail Lakes; thence westerly along said height of land to meet the westerly boundary of the watershed of said Kimsquit River; thence in a southerly direction along said boundary of said watershed to meet the divide between the waters flowing northerly into said Kitlope River and into Kynoch Inlet from those flowing southerly into Dean Channel, Cascade Inlet, and Link Lake; thence in a westerly direction along said divide to the easterly shore of Mathieson Channel; thence in a southerly direction along said shore-line to the mouth of McPherson Creek; thence due south to meet the divide between the waters flowing easterly

into Ellerslie Channel and those flowing easterly into Mathieson Channel aforesaid; thence southerly along said divide to meet the production easterly of the centre line of the creek flowing westerly into the head of Salmon Bay; thence in a westerly direction to and along said centre line of said creek and the centre line of said Salmon Bay and crossing said Mathieson Channel to pass to and along the centre line of Oscar Passage produced to the centre line of Finlayson Channel; thence in a south-westerly direction along said centre line of Finlayson Channel and that of Milbanke Sound into the Pacific Ocean; thence in a south-easterly direction along the Pacific Ocean and Queen Charlotte Strait, passing to the north of Triangle, Lanz, Cox, Hope, Pine, and Storm Islands and to the south of Fox Island to the centre line of Slingsby Channel; thence in an easterly direction along the centre lines of said Slingsby Channel and Seymour Inlet to the point of commencement.

*Vital Statistics Registration District of
Porter Landing.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at the point of intersection of the 60th parallel of north latitude with the height of land separating the waters flowing easterly into Dease River from those flowing westerly into the Jennings, Nahlin, and Tuya Rivers; thence in a general southerly direction along said height of land to meet the divide separating the waters flowing southerly into the Stikine and Finlay Rivers from those flowing northerly into said Dease River and into the Liard River; thence in an easterly direction along said height of land to the 58th parallel of north latitude; thence east along said parallel to meet the easterly boundary of the watershed of the Kechika (Muddy) River; thence in a north-easterly direction following said boundary of said watershed to the 126th meridian of west longitude; thence north along said meridian to the 60th parallel aforesaid; thence west along said parallel to the point of commencement.

*Vital Statistics Registration-District of
Port Essington.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at the point of intersection of the 129th meridian of west longitude with the 54th parallel of north latitude; thence west along said parallel to the easterly shore of Telegraph Passage; thence northerly and easterly along said shore-line and that of the southerly shore of the Skeena River to meet the 129th meridian aforesaid; thence south along said meridian to the point of commencement.

*Vital Statistics Registration District of
Pouce Coupe.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at the point of intersection of the 120th meridian of west longitude with the north boundary of Township 82, Range 13, west of the 6th meridian; thence west along the north boundaries of said township and of Townships 82 in Ranges 14, 15, 16, 17, and 18 to the north-west corner of said Township 82, Range 18; thence south along the west boundary of said township to the south-west corner thereof; thence west along the south boundary of Township 82, Range 19, to the south-west corner thereof; thence south along the east boundary of Township 81, Range 20, to the south-east corner thereof; thence west along the south boundary of said Township 81 to the south-west corner thereof; thence south along the east boundaries of Townships 80 and 79 in Range 21 to the south-east corner of said Township 79, Range 21; thence east along the north boundary of Township 78, Range 21, to the north-east corner thereof; thence south along the east boundary

of said Township 78 to the north-east corner of Section 1 thereof; thence west along the north boundaries of Sections 1, 2, and 3 of said Township 78 to the north-west corner of said Section 3 thereof; thence south along the west boundary of said Section 3 to the north boundary of Township 77, Range 21; thence west along the north boundary of said township to the north-west corner thereof; thence south along the west boundary of said township to the south-west corner thereof; thence westerly following the southerly boundary of Township 77, Range 22, to the south-west corner thereof; thence due south to meet the northerly boundary of Lot 291, Peace River Land District; thence westerly following said northerly boundary of Lot 291 to the north-west corner thereof; thence due west to meet the easterly boundary of the watershed of the Sukunka River; thence in a south-westerly direction along said boundary of said watershed to meet the height of land separating the waters flowing easterly into the Murray and Wapiti Rivers from those flowing westerly into the Parsnip River, Herrick Creek, and McGregor River; thence in a general south-easterly direction along said height of land to the 120th meridian aforesaid; thence north along said meridian to the point of commencement.

*Vital Statistics Registration District of
Prince George.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at that point on the 124th meridian of west longitude as surveyed on the ground which is intersected by the height of land separating the waters flowing northerly into the Nechako River from those flowing southerly into the Chilako River; thence easterly and north-easterly along said divide to the point thereon due south of the south-west corner of Lot 8498, Cariboo Land District; thence due north to said south-west corner; thence northerly following the westerly boundaries of said Lot 8498 and of Lots 9298, 1777, 1723, 1726, and 1779 to the north-west corner of said Lot 1779; thence due north to the southerly boundary of Lot 837; thence westerly following said southerly boundary of Lot 837 to the south-west corner thereof; thence northerly following the westerly boundary of said Lot 837 and the easterly boundaries of Lots 836 and 834 to the north-east corner of said Lot 834; thence easterly to and along the northerly boundaries of Lots 1150, 1149, 1148, and 1147 to meet the westerly boundary of Lot 6905; thence northerly following said westerly boundary of Lot 6905 to the north-west corner thereof; thence easterly following the northerly boundaries of said Lot 6905 and of Lots 6904 and 6903 to the north-east corner of said Lot 6903; thence southerly following the easterly boundary of said Lot 6903 to the north-west corner of Lot 8770; thence easterly following the northerly boundaries of said Lot 8770 and of Lots 8769, 8761, 8760, 8750, 2731, 2728, 8799, 7930, 971, 968, 2151, 963, and 959 to meet the westerly boundary of Lot 2110; thence southerly along said westerly boundary of Lot 2110 to the north-west corner of Lot 2108; thence easterly following the northerly boundaries of said Lot 2108 and of Lots 2109, 2104, 2103, 2102, 4053, 4048, and 4047 to the north-east corner of said Lot 4047; thence northerly following the easterly boundaries of Lots 2433, 2432, 2431, 2430, 2429, 3783, 3784, and 3785 to the north-east corner of said Lot 3785; thence easterly following the southerly boundary of Lot 3799 to the south-east corner thereof; thence northerly following the easterly boundaries of said Lot 3799 and of Lots 3801 and 3805 to the north-east corner of said Lot 3805; thence easterly following the southerly boundary of Lot 681 to the south-east corner thereof; thence northerly following the easterly boundaries of said Lot 681 and of Lots 2032, 1069, and 577 to the north-east corner of said Lot 577; thence easterly following the southerly boundaries of Lots 1771 and 1772 to the south-east corner of said Lot 1772; thence northerly following the easterly boundaries of said Lot 1772 and of Lots 1781, 1784, and 1791 to the north-east cor-

ner of said Lot 1791; thence easterly following the southerly boundaries of Lots 7825, 7826, and 7827 to the south-east corner of said Lot 7827; thence northerly following the easterly boundary of said Lot 7827 to the north-east corner thereof; thence westerly following the northerly boundary of said Lot 7827 to the westerly boundary of Lot 7828; thence northerly following said westerly boundary of Lot 7828 to the north-west corner thereof; thence easterly following the northerly boundary of said Lot 7828 to the north-east corner thereof; thence in a general north-easterly direction to and along the divide separating the waters flowing northerly into the Crooked and Parsnip Rivers from those flowing southerly into the Fraser and McGregor Rivers and into Herrick Creek to the point thereon which lies due north of the north-east corner of Lot 775; thence south to said north-east corner; thence southerly following the easterly boundary of said Lot 775 to the south-east corner thereof, being a point on the northerly shore of the Fraser River; thence due south across said Fraser River to the southerly shore thereof; thence south-westerly along said southerly shore-line to the north-east corner of Lot 760; thence southerly following the easterly boundary of said Lot 760 to the south-east corner thereof; thence due south to meet the northerly boundary of Lot 4446; thence easterly following the northerly boundaries of said Lot 4446 and of Lot 4447 to the north-east corner of said Lot 4447; thence southerly following the easterly boundary of said Lot 4447 to the south-east corner thereof; thence easterly, southerly, and easterly following the external boundaries of Lot 9345 to the more easterly north-east corner thereof; thence southerly following the easterly boundaries of said Lot 9345 and of Lots 9342, 9341, and 9338 to the south-east corner of said Lot 9338; thence westerly along the southerly boundary of said Lot 9338 to the point thereon which is due north of the north-west corner of Lot 7947; thence south to said north-west corner; thence southerly following the westerly boundary of said Lot 7947 to the south-west corner thereof, being a point on the westerly shore of Eaglet Lake; thence in a southerly direction following said shore of said lake to the north-east corner of Lot 7935; thence westerly following the northerly boundary of said Lot 7935 to the north-west corner thereof; thence southerly following the westerly boundaries of said Lot 7935 and of Lot 7241 to the south-west corner of said Lot 7241; thence westerly following the northerly boundary of Lot 2176 to the north-west corner thereof; thence southerly following the westerly boundaries of said Lot 2176 and of Lots 2177 and 9205 to the south-west corner of said Lot 9205; thence easterly following the southerly boundaries of said Lot 9205 and of Lots 9204, 9361, and 9361r and the northerly boundaries of Lots 2739 and 2740 to the north-east corner of said Lot 2740; thence southerly following the easterly boundary of said Lot 2740 to the south-east corner thereof; thence easterly following the northerly boundary of Lot 2741 to the north-east corner thereof; thence southerly following the easterly boundaries of said Lot 2741 and of Lot 2751 to the south-east corner of said Lot 2751; thence easterly following the northerly boundaries of Lots 2752 and 2762 to the north-east corner of said Lot 2762; thence southerly following the easterly boundary of said Lot 2762 to the south-east corner thereof; thence easterly following the northerly boundary of Lot 2763 to the north-east corner thereof; thence southerly following the easterly boundary of said Lot 2763 to the south-east corner thereof; thence easterly following the northerly boundaries of Lots 2764 and 3704 to the north-east corner of said Lot 3704; thence southerly and easterly following the external easterly and northerly boundaries, respectively, of said Lot 3704 and of Lots 3702, 2870, and 2866 to the north-east corner of said Lot 2866; thence southerly following the easterly boundaries of said Lot 2866 and of Lot 2865 to the south-east corner of said Lot 2865; thence in a general south-easterly direction to and along the westerly boundary of the watershed of the Bowron River to the point thereon which lies due west of the north-

west corner of Lot 361, said point being in the vicinity of the headwaters of West Creek, a tributary of said Bowron River; thence in a general north-westerly direction to and along the northerly boundary of the watershed of Valley Creek to the point of juncture of the centre line of said Valley Creek with the centre line of the Willow River; thence in a general north-westerly direction to and along the divide separating the waters flowing northerly into the Willow River from those flowing westerly into the Fraser River and continuing westerly to and along the northerly boundary of the watershed of Hixon Creek to the point thereon which lies due east of the north-east corner of Lot 4574; thence due west to said north-east corner; thence westerly following the northerly boundaries of said Lot 4574 and of Lots 4575, 2917, 2914, 2913, and 895 to the north-west corner of said Lot 895, being a point on the easterly bank of the Fraser River; thence due west for a distance of sixteen and eight-tenths (16.8) miles, more or less, to meet the easterly boundary of Lot 1003 or its production; thence southerly following said easterly boundary or the production of said boundary to the south-east corner of said Lot 1003; thence westerly following the southerly boundary of said Lot 1003 to the south-west corner thereof; thence southerly following the easterly boundaries of Lots 997 and 993 to the south-east corner of said Lot 993; thence westerly following the southerly boundary of said Lot 993 to the south-west corner thereof; thence southerly following the easterly boundaries of Lots 987, 988, 991, 991A, 1310, 1313, 1317, 1321, 1327, 1439, 1445, 1458, 1466, and 1480 to the south-east corner of said Lot 1480, being a point on the northerly shore of the Blackwater River; thence in a westerly direction following said northerly shore-line to a point thereon due north of the north-east corner of Lot 4691; thence south to said north-east corner; thence southerly following the easterly boundary of said Lot 4691 to the south-east corner thereof; thence westerly following the southerly boundaries of said Lot 4691 and of Lots 8472 and 8473 to the south-west corner of said Lot 8473; thence northerly along the westerly boundary of said Lot 8473 to the north-west corner thereof; thence westerly along the southerly boundary of Lot 8474 to the south-west corner thereof; thence northerly along the westerly boundary of said Lot 8474 produced to the centre line of the Blackwater River aforesaid; thence in a westerly direction following said centre line of said river to the point thereon due south of the south-west corner of Lot 6509; thence due north to said south-west corner; thence northerly following the westerly boundary of said Lot 6509 to the north-west corner thereof; thence due north to a point due east of the north-east corner of Lot 5238; thence due west to said north-east corner; thence westerly following the northerly boundaries of said Lot 5238 and of Lot 5237 to the north-west corner of said Lot 5237; thence southerly following the westerly boundary of said Lot 5237 to the south-west corner thereof; thence westerly following the northerly boundary of Lot 5247 to the north-west corner thereof; thence southerly following the westerly boundaries of said Lot 5247 and of Lot 5243 to the south-west corner of said Lot 5243; thence westerly following the northerly boundary of Lot 5248 to the north-west corner thereof; thence southerly following the westerly boundary of said Lot 5248 to the north-east corner of Lot 6543; thence westerly following the northerly boundaries of said Lot 6543 and of Lots 6542, 6541, 6544, 6547, 6548, 9452, 9453, 9458, 9459, 9462, and 9463 to intersect the 124th meridian of west longitude as surveyed on the ground—all the lots herein above mentioned lying in the Cariboo Land District; thence southerly along said surveyed meridian to the point where it intersects the height of land separating the waters flowing southerly into Batnuni Creek from those flowing northerly into Tatuk Lake and Tatuk Creek; thence westerly and north-westerly along said height of land to meet the divide separating the waters flowing easterly into said Tatuk Lake and into Finger Lake from those flowing westerly into Big Bend Creek; thence in a northerly direction

along said divide and passing thence easterly to and along the height of land separating the waters flowing southerly into said Finger Lake and into the Chilako River aforesaid from those flowing northerly into the Nechako River to meet the 124th meridian of west longitude at the point of commencement.

*Vital Statistics Registration District of
Prince Rupert.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at the point of intersection of the 129th meridian of west longitude with the southerly shore of the Skeena River; thence north along said meridian to intersect the divide between Meadow and Poupard Creeks; thence in a south-westerly direction to and along the height of land separating the waters flowing northerly into the Nass River from those flowing southerly into the Kitsumgallum River, and continuing south-westerly to and along the northerly boundary of the watershed of the Khutzymateen River to pass north-westerly along the northerly boundary of the watershed of Khutzymateen Inlet produced to the centre line of Steamer Passage; thence in a south-westerly direction along said centre line of Steamer Passage and continuing westerly across Chatham Sound to meet the International Boundary-line between Canada and Alaska; thence in a westerly direction along said boundary-line into Dixon Entrance; thence in a south-easterly direction to and along the centre lines of Hecate Strait, Milbanke Sound, and Finlayson Channel and passing to the west of Zayas Island to the centre line of Oscar Passage; thence in an easterly direction along said centre line of Oscar Passage and crossing Mathieson Channel to and along the centre line of Salmon Bay and that of the creek flowing westerly into the head of said Salmon Bay produced to meet the divide between the waters flowing easterly into Ellerslie Channel and those flowing westerly into Mathieson Channel; thence in a northerly direction along said divide to the point due south of the mouth of McPherson Creek; thence due north to the mouth of said creek; thence northerly along the easterly shore of said Mathieson Channel to the point where it is intersected by the production westerly of the divide between the waters flowing northerly into Kynoch Inlet and into the Kitlope River from those flowing southerly into said Ellerslie Channel and into Link Lake, Cascade Inlet, and Dean Channel; thence easterly along said divide to meet the westerly boundary of the watershed of the Kimsquit River; thence in a northerly direction along said boundary of said watershed to meet the height of land separating the waters flowing westerly into Gardner Canal, Kildala Arm, and Kitimat Arm from those flowing easterly into Eutsuk, Whitesail, Troitsa, Tahtsa, Nanika, and Morice Lakes; thence in a north-westerly direction along said height of land to intersect the 54th parallel of north latitude; thence west along said parallel to the easterly shore of Telegraph Passage; thence northerly and easterly along said shore-line and that of the southerly shore of said Skeena River to the point of commencement.

*Vital Statistics Registration District of
Queen Charlotte.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at the north-east corner of Lot 2406A, Queen Charlotte Land District, being a point on the easterly shore of Graham Island; thence westerly following the northerly boundaries of said Lot 2406A and of Lots 2406, 2397, 2398, and 2399 to the north-west corner of said Lot 2399; thence southerly following the westerly boundaries of said Lot 2399 and of Lots 2393, 2388, 2384, 2377, 2372, 2365, 2356, and 2355 to the south-west corner of said Lot 2355; thence westerly following the southerly boundaries of Lots 1388, 1383, and 1384 to the south-west cor-

ner of said Lot 1384; thence southerly following the easterly boundaries of Townships 7, 6, and 5 to the south-east corner of said Township 5; thence westerly following the northerly boundaries of Townships 4 and 2 to the north-west corner of Section 34 of said Township 2; thence in a westerly direction to and along the divide separating the waters flowing northerly into Rennell and Cartwright Sounds from those flowing southerly into Dawson Harbour and into the Pacific Ocean to the most northerly extremity of Van Harbour; thence in a south-westerly direction to and along the centre line of said Van Harbour into the Pacific Ocean and continuing south-easterly along the Pacific Ocean and passing easterly into Hecate Strait; thence in a north-westerly direction to and along the centre line of said Hecate Strait to the point thereon which lies due east of the point of commencement; thence due west to said point of commencement. All the lots and townships herein above mentioned lie in the Queen Charlotte Land District aforesaid.

*Vital Statistics Registration District of
Quesnel.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at that point on the 124th meridian of west longitude as surveyed on the ground where it intersects the northerly boundary of Lot 9463, Cariboo Land District; thence southerly along said surveyed meridian to the point where it intersects the height of land separating the waters flowing southerly into Batnuni Creek from those flowing northerly into Tatuk Lake and into the Chilako River; thence in a general north-westerly direction along said height of land to meet the divide separating the waters flowing easterly into said Tatuk Lake and into Batnuni Creek from those flowing westerly into the Nechako River; thence in a general south-easterly direction following this divide and passing in a general south-westerly direction to and along the northerly boundary of the watershed of the Euchiniko River to meet the divide separating the waters flowing southerly into Dean River from those flowing northerly into the Euchiniko River aforesaid; thence in a general south-easterly direction along said divide and continuing south-easterly along the height of land separating the waters flowing southerly into the Chilcotin River from those flowing northerly into the Baezaeko and Nazko Rivers to the point thereon which lies due west of the south-west corner of Lot 4824, Cariboo Land District; thence due east to said south-west corner; thence easterly following the southerly boundaries of said Lot 4824 and of Lots 4826, 4827, 4828, 4833, and 4834 to the south-east corner of said Lot 4834; thence northerly following the easterly boundary of said Lot 4834 to the north-east corner thereof; thence easterly following the southerly boundary of Lot 5267 to the south-east corner thereof; thence northerly following the easterly boundaries of said Lot 5267 and of Lot 5266 to the north-east corner of said Lot 5266; thence in a general easterly direction to and along the divide separating the waters flowing northerly into the said Nazko River and into Narcosli Creek from those flowing southerly into the said Chilcotin River, and passing to the north of Stum (Pelican) Lake and continuing in a general north-easterly direction to and along the divide between Tingley and Mackin Creeks to the south-west corner of Lot 5780; thence easterly following the southerly boundary of said Lot 5780 to the south-east corner thereof; thence easterly following the southerly boundary of said Lot 5780 to the south-east corner thereof; thence due east to intersect again the divide between Tingley and Mackin Creeks aforesaid; thence north-easterly along said divide to the point thereon which lies due west of the south-west corner of Lot 8684; thence due east to said south-west corner; thence easterly following the southerly boundaries of said Lot 8684 and of Lot 7294 to the south-east corner of said Lot 7294; thence northerly following the easterly boundaries of said Lot 7294 and of Lot 9169 to the north-

east corner of said Lot 9169; thence due north to a point due west of the north-west corner of Lot 9889; thence due east to said north-west corner; thence easterly following the northerly boundary of said Lot 9889 to the north-east corner thereof; thence due east to a point due south of the south-west corner of Lot 9170; thence due north to said south-west corner; thence easterly following the southerly boundary of said Lot 9170 to the south-east corner thereof; thence due east to a point due north of the north-east corner of Lot 315; thence due south to said north-east corner; thence southerly following the easterly boundary of said Lot 315 to the south-east corner thereof; thence due south to a point due west of the south-west corner of Lot 9656; thence due east to said south-west corner; thence easterly following the southerly boundaries of said Lot 9656 and of Lots 9655 and 9654 to the south-east corner of said Lot 9654; thence southerly following the westerly boundaries of Lots 8302 and 8298 to the south-west corner of said Lot 8298; thence easterly following the southerly boundary of said Lot 8298 to the south-east corner thereof; thence southerly following the westerly boundaries of Lots 8296 and 6751 to the south-west corner of said Lot 6751; thence easterly following the southerly boundary of said Lot 6751 to the theoretical south-east corner thereof, being a point in Marguerite Lake; thence northerly following the easterly boundaries of said Lot 6751 and of Lots 8296, 8295, 8294, 8289, 8291, 8293, and 8307 to the north-east corner of said Lot 8307; thence westerly, or as the case may be, following the northerly boundary of said Lot 8307 to the 122nd meridian of west longitude; thence north along said meridian to the southerly boundary of Lot 1205; thence easterly following the southerly boundaries of said Lot 1205 and of Lots 1206 and 1207 to the south-east corner of said Lot 1207; thence southerly following the westerly boundary of Lot 1208 to the south-west corner thereof; thence easterly following the southerly boundaries of said Lot 1208 and of Lots 1209, 1210, 1202, and 1203 to the south-east corner of said Lot 1203; thence due east to meet the divide separating the waters flowing northerly into Victoria Creek and Swift River from those flowing southerly into the Quesnel and Swamp Rivers; thence in a north-easterly direction along said divide and continuing northerly and north-westerly to and along the divide separating the waters flowing westerly into the Cottonwood River and into Ahbau and Lodi Lakes from those flowing northerly into the Willow River to the point of juncture of the centre line of Valley Creek with the centre line of said Willow River; thence in a general north-westerly direction to and along the divide separating the waters flowing northerly into the Willow River from those flowing westerly into the Fraser River and continuing westerly to and along the northerly boundary of the watershed of Hixon Creek to the point thereon which lies due east of the north-east corner of Lot 4574; thence due west to said north-east corner; thence westerly following the northerly boundaries of said Lot 4574 and of Lots 4575, 2917, 2914, 2913, and 895 to the north-west corner of said Lot 895, being a point on the easterly bank of the Fraser River; thence due west for a distance of sixteen and eight-tenths (16.8) miles, more or less, to meet the easterly boundary of Lot 1003 or its production; thence southerly following said easterly boundary, or the production of said boundary, to the south-east corner of said Lot 1003; thence westerly following the southerly boundary of said Lot 1003 to the south-west corner thereof; thence southerly following the easterly boundaries of Lots 997 and 993 to the south-east corner of said Lot 993; thence westerly following the southerly boundary of said Lot 993 to the south-west corner thereof; thence southerly following the easterly boundaries of Lots 987, 988, 991, 991A, 1310, 1313, 1317, 1321, 1327, 1439, 1445, 1458, 1466, and 1480 to the south-east corner of said Lot 1480, being a point on the northerly shore of the Blackwater River; thence in a westerly direction following said northerly shore-line to a point thereon due north of the north-east corner of

Lot 4691; thence south to said north-east corner; thence southerly following the easterly boundary of said Lot 4691 to the south-east corner thereof; thence westerly following the southerly boundaries of said Lot 4691 and of Lots 8472 and 8473 to the south-west corner of said Lot 8473; thence northerly along the westerly boundary of said Lot 8473 to the north-west corner thereof; thence westerly along the southerly boundary of Lot 8474 to the south-west corner thereof; thence northerly along the westerly boundary of said Lot 8474 produced to the centre line of the Blackwater River; thence in a westerly direction following said centre line of said river to the point thereon due south of the south-west corner of Lot 6509; thence due north to said south-west corner; thence northerly following the westerly boundary of said Lot 6509 to the north-west corner thereof; thence due north to a point due east of the north-east corner of Lot 5238; thence due west of said north-east corner; thence westerly following the northerly boundaries of said Lot 5238 and of Lot 5237 to the north-west corner of said Lot 5237; thence southerly following the westerly boundary of said Lot 5237 to the south-west corner thereof; thence westerly following the northerly boundary of Lot 5247 to the north-west corner thereof; thence southerly following the westerly boundaries of said Lot 5247 and of Lot 5243 to the south-west corner of said Lot 5243; thence westerly following the northerly boundary of Lot 5248 to the north-west corner thereof; thence southerly following the westerly boundary of said Lot 5248 to the north-east corner of Lot 6543; thence westerly following the northerly boundaries of said Lot 6543 and of Lots 6542, 6541, 6544, 6547, 6548, 9452, 9453, 9458, 9459, 9462, and 9463 to intersect the 124th meridian of west longitude at the point of commencement. All the lots herein above mentioned lie in the Cariboo Land District.

*Vital Statistics Registration District of
Smithers.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at that point on the height of land separating the waters flowing easterly into Fulton and Chapman Lakes and into Fulton River from those flowing westerly into the Bulkley River where said height of land is met by the divide separating the waters flowing northerly into Haroldprice Creek from those flowing southerly into said Fulton River and into Meadow Creek; thence in a westerly direction along said divide to the north-east corner of Lot 1065, Cassiar Land District; thence due north to the point due east of the south-east corner of Lot 1472; thence due west to said south-east corner; thence westerly following the southerly boundaries of said Lot 1472 and of Lots 1473, 1474, and 1230, all of said Cassiar District, to the south-west corner of said Lot 1230; thence in a south-westerly direction to and around the headwaters of John Brown Creek to meet the northerly boundary of the watershed of Kitsequekla Creek; thence in a south-easterly direction following said boundary of said watershed to the point thereon which lies due north of the north-east corner of Lot 3397, Range 5, Coast Land District; thence due south to said north-east corner; thence southerly following the easterly boundary of said Lot 3397 to the south-east corner thereof; thence due south to the point due west of the north-west corner of Lot 3396; thence due east to said north-west corner; thence easterly following the northerly boundaries of said Lot 3396 and of Lots 3395, 3394, and 3393A to the north-east corner of said Lot 3393A; thence southerly following the easterly boundaries of said Lot 3393A and of Lot 3393 to the south-east corner of said Lot 3393; thence due south to meet the northerly boundary of the watershed of the Zymoetz River; thence in a westerly direction following said boundary of said watershed to its intersection with the divide between the waters flowing westerly into the Skeena River from those flowing easterly into the Zymoetz River aforesaid; thence in a southerly direction along said divide to

the 128th meridian of west longitude; thence south along said meridian to the westerly boundary of the watershed of the Kitnayakwa River; thence in a south-easterly direction following said boundary of said watershed and passing easterly to and around the headwaters of said Kitnayakwa River to meet the divide separating the waters flowing easterly into the Morice and Telkwa Rivers from those flowing westerly into said Kitnayakwa and Zymoetz Rivers; thence in a north-easterly direction along said divide to the point thereon which lies due south of the south-east corner of Lot 142; thence due north to said south-east corner; thence northerly following the easterly boundaries of said Lot 142 and of Lot 141 to the more southerly south-west corner of Lot 2611; thence easterly following the southerly boundary of said Lot 2611 to the south-east corner thereof; thence northerly following the easterly boundary of said Lot 2611 to the north-east corner thereof; thence in a north-easterly direction to and around the headwaters of Miller Creek, a tributary of Pine Creek, to meet the easterly boundary of the watershed of said Pine Creek; thence in a south-easterly direction following said boundary of said watershed to the point thereon which lies due west of the south-west corner of Lot 5452; thence due east to said south-west corner; thence easterly following the southerly boundary of said Lot 5452 and the northerly boundaries of Townships 5, 6, and 7 of said Range 5, Coast District, to the north-east corner of Section 33 of said Township 7; thence northerly following the easterly boundaries of Lots 4276 and 4277 to the north-east corner of said Lot 4277—all the lots herein above mentioned, unless specified to the contrary, being in Range 5, Coast District, aforesaid; thence due east to meet the divide separating the waters flowing easterly into said Fulton River and Fulton Lake from those flowing westerly into the Bulkley River; thence in a general north-westerly direction along said divide to the point of commencement.

*Vital Statistics Registration District of
Stewart.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at the point of intersection of the centre line of Pearse Channel and Portland Canal, being a point on the International Boundary-line between Canada and Alaska; thence in a south-easterly direction following said centre line of Portland Canal produced to Ramsden Point; thence in a northerly direction to and along the height of land between the waters flowing westerly into said Portland Canal and those flowing easterly into Observatory Inlet and Hastings Arm to meet the divide separating the waters flowing southerly into said Hastings Arm and into the Kitsault and Nass Rivers from those flowing northerly; thence in an easterly direction along said divide to the point thereon which lies due west of the mouth of Wolverine Creek; thence due east to the mouth of said creek; thence in a north-easterly direction to and along the northerly boundary of the watershed of the Kispiox River to meet the height of land separating the waters flowing easterly into the Skeena River from those flowing westerly into said Nass River; thence in a general northerly direction along said divide to meet the height of land separating the waters flowing northerly into the Stikine and Iskut Rivers from those flowing southerly into the Bell-Irving and Unuk Rivers; thence in a south-westerly direction along said height of land to intersect the International Boundary aforesaid; thence in a south-easterly direction along said International Boundary to the point of commencement.

*Vital Statistics Registration District of
Telegraph Creek.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at that point on the International Boundary-line between Canada and Alaska which is intersected by the divide separating the waters

flowing northerly into the Whiting and Inklin Rivers from those flowing southerly into the Stikine River; thence in a north-easterly direction along said divide to the point thereon which lies due south of the south-east corner of Lot 100, Cassiar Land District; thence due north to said south-east corner; thence northerly following the easterly boundary of said Lot 100 to the north-east corner thereof; thence in a north-easterly direction to and along the height of land separating the waters flowing westerly into said Inklin River from those flowing easterly into the Tuya River to meet the divide separating the waters flowing westerly into said Tuya River from those flowing easterly into the Dease River; thence in a southerly direction along said divide to meet the height of land separating the waters flowing southerly into said Stikine River from those flowing northerly into said Dease River and into the Liard River; thence in an easterly direction along said height of land to meet the divide between the waters flowing westerly into said Stikine River and those flowing easterly into the Finlay River; thence in a southerly direction along said divide to meet the height of land separating the waters flowing southerly into the Skeena, Nass, Bell-Irving, and Unuk Rivers from those flowing northerly into said Stikine River and into the Iskut River; thence in a south-westerly direction along said height of land to meet the International Boundary aforesaid; thence in a north-westerly direction along said International Boundary to the point of commencement.

*Vital Statistics Registration District of
Telkwa.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at the point of intersection of the 126th meridian of west longitude with the 55th parallel of north latitude; thence south along said 126th meridian to its point of intersection with the northerly boundary of Lot 1518, Range 5, Coast District; thence easterly, or as the case may be, following said northerly boundary of Lot 1518 to the north-east corner thereof; thence southerly following the easterly boundary of said Lot 1518 to the south-east corner thereof, being a point on the northerly shore of Babine Lake; thence due south to the southerly shore of said lake; thence in a general southerly direction to and along the westerly boundary of the watershed of said Babine Lake to the point thereon which lies due east of the north-east corner of Lot 4191; thence west to said north-east corner; thence westerly following the northerly boundary of said Lot 4191 to the north-west corner thereof; thence southerly following the easterly boundaries of Lots 4192, 4193, 4187, 3535, and 3534 to the south-east corner of said Lot 3534; thence westerly following the southerly boundary of said Lot 3534 to the north-east corner of Lot 6622; thence southerly following the easterly boundaries of Lots 6622, 6616, and 6440 to the south-east corner of said Lot 6440; thence westerly following the southerly boundary of said Lot 6440 to the north-west corner of Lot 6437; thence southerly following the westerly boundaries of said Lot 6437 and of Lot 6438 to the south-west corner of said Lot 6438; thence due south to intersect the northerly boundary of Lot 6623; thence westerly following the northerly boundary of said Lot 6623 to the north-west corner thereof; thence southerly following the westerly boundary of said Lot 6623 to the south-west corner thereof; thence in a general southerly direction to and along the divide between Maxan (Maxim) Lake and the Endako River and continuing south-westerly to and along the height of land separating the waters flowing northerly into Buck Creek, Morice River, and Nanika Lake from those flowing southerly into Francois Lake, Nadina River, and Tahtsa Lake, to meet the divide between the waters flowing westerly into Lakelse Lake and into the Kemano, Kildala, and Kitimat Rivers from those flowing easterly into said Morice River, Nanika and into Tahtsa Lakes, and into Whitesail and Eutsuk Lakes; thence in a general north-westerly

direction along said divide to intersect the 54th parallel of north latitude; thence in a general north-easterly direction to and along the divide separating the waters flowing easterly into the Morice and Telkwa Rivers from those flowing westerly into the Kitnayakwa and Zymoetz Rivers to the point thereon which lies due south of the south-east corner of Lot 142; thence due north to said south-east corner; thence northerly following the easterly boundaries of said Lot 142 and of Lot 141 to the more southerly south-west corner of Lot 2611; thence easterly following the southerly boundary of said Lot 2611 to the south-east corner thereof; thence northerly following the easterly boundary of said Lot 2611 to the north-east corner thereof; thence in a north-easterly direction to and around the headwaters of Miller Creek, a tributary of Pine Creek, to meet the easterly boundary of the watershed of said Pine Creek; thence in a south-easterly direction following said boundary of said watershed to the point thereon which lies due west of the south-west corner of Lot 5452; thence due east to said south-west corner; thence easterly following the southerly boundary of said Lot 5452 and the northerly boundaries of Townships 5, 6, and 7 of said Range 5, Coast District, to the north-east corner of Section 33 of said Township 7; thence northerly following the easterly boundaries of Lots 4276 and 4277 to the north-east corner of said Lot 4277—all the lots herein above mentioned being in Range 5, Coast District, aforesaid; thence due east to meet the divide separating the waters flowing easterly into Fulton River and Fulton Lake from those flowing westerly into the Bulkley River; thence in a general north-westerly direction along said divide to meet the height of land forming the northerly boundary of the watershed of said Fulton River; thence in a general easterly direction along said height of land to the point thereon which lies due west of the south-west corner of Lot 3749A, Cassiar Land District; thence east to said south-west corner; thence due south to intersect the 55th parallel of north latitude; thence east along said 55th parallel to the point of commencement.

Vital Statistics Registration District of Terrace.

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at that point on the 54th parallel of north latitude which is intersected by the divide between the waters flowing easterly into Clore (South Fork of Zymoetz) River and those flowing westerly into the Kitimat River; thence in a north-westerly direction along said divide to meet the northerly boundary of the watershed of Williams Creek; thence westerly following said boundary of said watershed to the point thereon which lies due south of the south-east corner of Lot 988, Range 5, Coast Land District; thence due north to said south-east corner; thence westerly following the southerly boundaries of said Lot 988 and of Lot 836 to the south-west corner of said Lot 836, being a point on the easterly shore of the Skeena River; thence due west across said Skeena River to the westerly shore thereof; thence southerly following said westerly shore-line to the south-east corner of Lot 5188; thence westerly following the southerly boundaries of said Lot 5188 and of Lot 3994 to the south-west corner of said Lot 3994; thence northerly following the westerly boundary of said Lot 3994 to the north-west corner thereof; thence due west to the point due south of the south-west corner of Lot 6642; thence due north to said south-west corner; thence northerly following the westerly boundary of said Lot 6642 to the north-west corner thereof and continuing northerly to and along the easterly boundary of Lot 5846 to the north-east corner thereof; thence westerly following the northerly boundaries of said Lot 5846 and of Lot 5845 to the north-west corner of said Lot 5845; thence northerly following the easterly boundary of Lot 4580 to the north-east corner thereof; thence westerly following the northerly boundary of said Lot 4580 to the north-west corner thereof; thence due north to intersect the divide separating the waters

flowing westerly into Kitsumgallum Lake and Cedar River from those flowing easterly into the Skeena River aforesaid; thence in a northerly direction along said divide and passing westerly and southerly around the headwaters of said Cedar River to meet the height of land between the waters flowing northerly into Sand Lake and those flowing southerly into Meadow Creek; thence in a south-westerly direction along said height of land to the 129th meridian of west longitude; thence south along said meridian to the 54th parallel of latitude aforesaid; thence east along said parallel to the point of commencement. All the lots herein above mentioned lie in Range 5, Coast District, aforesaid.

Vital Statistics Registration District of Vanderhoof.

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at the point of intersection of the 125th meridian of west longitude with the 58th parallel of north latitude; thence south along said meridian to the northerly boundary of Lot 2709, Cassiar Land District; thence easterly along said northerly boundary of Lot 2709 to the north-east corner thereof; thence southerly following the easterly boundary of said Lot 2709 to the south-east corner thereof, being a point on the northerly shore of Tchentlo Lake; thence southerly to and along the easterly boundary of Lot 2715 of said Cassiar District to the south-east corner thereof; thence westerly along the southerly boundary of said Lot 2715 to the 125th meridian aforesaid; thence south along said meridian to the northerly boundary of Indian Reserve No. 2, "So-Yan-Do-Star"; thence easterly and southerly following the northerly and easterly boundaries, respectively, of said Indian reserve to the south-east corner thereof, being a point on the northerly shore of Trembleur Lake; thence westerly along said shore-line to the 125th meridian aforesaid; thence south along said meridian to the northerly boundary of Lot 3654, Range 5, Coast Land District; thence westerly, southerly, and easterly following the respective external boundaries of said Lot 3654 to intersect again the aforesaid 125th meridian; thence south along said meridian to the northerly boundary of Lot 2842; thence easterly and southerly following the northerly and easterly boundaries, respectively, of said Lot 2842 to the south-east corner thereof, being a point on the northerly shore of Stuart Lake; thence westerly along said shore-line to intersect again the aforesaid 125th meridian; thence south along said meridian to the northerly boundary of Lot 4953; thence easterly following said northerly boundary of Lot 4953 to the north-east corner thereof; thence southerly following the easterly boundaries of said Lot 4953 and of Lot 4952 to the south-east corner of said Lot 4952, being a point on the northerly shore of Whitefish Lake—all the above-named lots lie in Range 5, Coast District, aforesaid; thence in a south-westerly direction following said shore-line of said lake to the point of intersection thereof with the 125th meridian aforesaid; thence south along said meridian to meet the height of land separating the waters flowing southerly into Sunderland River and Babine Lake from those flowing northerly into said Whitefish and Stuart Lakes and into the Stuart River; thence in a general south-easterly direction following said height of land and continuing thence easterly and southerly to and along the northerly boundary of the watershed of the Nechako River to the point thereon due north of the north-east corner of Township 18, Range 5, Coast District; thence due south to said north-east corner; thence southerly following the easterly boundary of said Township 18 to the south-east corner thereof; thence westerly following the southerly boundary of said Township 18 to the north-east corner of Township 14 of said Range 5, Coast District; thence southerly following the easterly boundary of said Township 14 to the south-east corner thereof; thence westerly following the southerly boundary of said township to the north-east corner of Section 33, Township 9, Range 4, Coast District; thence southerly following the easterly boundaries of Sections 33, 28, 21, 16, 9, and 4 of said Township 9 to the south-east cor-

ner of said Section 4; thence westerly following the southerly boundary of said Section 4 to the north-west corner of Section 33, Township 10, of said Range 4, Coast District; thence southerly following the westerly boundaries of Sections 33, 28, 21, and 16 of said Township 10 to the northerly boundary of Lot 1327 of said Range 4, Coast District; thence easterly following said northerly boundary of Lot 1327 to the north-east corner thereof; thence southerly following the easterly boundary of said Lot 1327 to the south-east corner thereof; thence easterly following the northerly boundary of Lot 1338 of said Range 4, Coast District, to the north-east corner thereof; thence southerly following the easterly boundary of said Lot 1338 to meet the southerly boundary of Township 10 aforesaid; thence easterly following said southerly boundary of Township 10 to the south-east corner thereof; thence in a general southerly direction to and around the headwaters of Greer Creek to meet the divide separating the waters flowing southerly into Finger and Tatuk Lakes and into the Chilako River from those flowing northerly into said Nechako River; thence easterly and north-easterly along said divide to the point thereon due south of the south-west corner of Lot 8498, Cariboo Land District; thence due north to said south-west corner; thence northerly following the westerly boundaries of said Lot 8498 and of Lots 9298, 1777, 1723, 1726, and 1779 to the north-west corner of said Lot 1779; thence due north to the southerly boundary of Lot 837; thence westerly following said southerly boundary of Lot 837 to the south-west corner thereof; thence northerly following the westerly boundary of said Lot 837 and the easterly boundaries of Lots 836 and 834 to the north-east corner of said Lot 834; thence easterly to and along the northerly boundaries of Lots 1150, 1149, 1148, and 1147 to meet the westerly boundary of Lot 6905; thence northerly following said westerly boundary of Lot 6905 to the north-west corner thereof; thence easterly following the northerly boundaries of said Lot 6905 and of Lots 6904 and 6903 to the north-east corner of said Lot 6903; thence southerly following the easterly boundary of said Lot 6903 to the north-west corner of Lot 8770; thence easterly following the northerly boundaries of said Lot 8770 and of Lots 8769, 8761, 8760, 8750, 2731, 2728, 8799, 7930, 971, 968, 2151, 963, and 959 to meet the westerly boundary of Lot 2110; thence southerly along said westerly boundary of Lot 2110 to the north-west corner of Lot 2108; thence easterly following the northerly boundaries of said Lot 2108 and of Lots 2109, 2104, 2103, 2102, 4053, 4048, and 4047 to the north-east corner of said Lot 4047; thence northerly following the easterly boundaries of Lot 2433, 2432, 2431, 2430, 2429, 3783, 3784, and 3785 to the north-east corner of said Lot 3785; thence easterly following the southerly boundary of Lot 3799 to the south-east corner thereof; thence northerly following the easterly boundaries of said Lot 3799 and of Lots 3801 and 3805 to the north-east corner of said Lot 3805; thence easterly following the southerly boundary of Lot 681 to the south-east corner thereof; thence northerly following the easterly boundaries of said Lot 681 and of Lots 2032, 1069, and 577 to the north-east corner of said Lot 577; thence easterly following the southerly boundaries of Lots 1771 and 1772 to the south-east corner of said Lot 1772; thence northerly following the easterly boundaries of said Lot 1772 and of Lots 1781, 1784, and 1791 to the north-east corner of said Lot 1791; thence easterly following the southerly boundaries of Lots 7825, 7826, and 7827 to the south-east corner of said Lot 7827; thence northerly following the easterly boundary of said Lot 7827 to the north-east corner thereof; thence westerly following the northerly boundary of said Lot 7827 to the westerly boundary of Lot 7828; thence northerly following said westerly boundary of Lot 7828 to the north-west corner thereof; thence easterly following the northerly boundary of said Lot 7828 to the north-east corner thereof; thence in a general north-easterly direction to and along the divide separating the waters flowing northerly into the Crooked and Parsnip Rivers from those flowing southerly into the Fraser and McGregor Rivers and into Herrick Creek to meet the height of land separating the

waters flowing easterly into the Murray, Sukunka, and Pine Rivers from those flowing westerly into said Parsnip River; thence in a north-westerly direction along said height of land to the point thereon which lies due south of the point of intersection of the centre line of the Peace River with that of Clearwater Creek produced to midstream; thence due north to said point of intersection; thence in a north-westerly direction to and along the westerly boundary of the watershed of said Finlay River to the point of commencement. All the lots herein above mentioned, unless otherwise specified, lie in the Cariboo Land District aforesaid.

*Vital Statistics Registration District of
Williams Lake.*

All that portion of the Province of British Columbia which is contained within the boundaries herein below described, that is to say:—

Commencing at that point on the height of land separating the waters flowing northerly into the Taseko and Lord Rivers and into Chilko Lake and the Southgate River from those flowing southerly into the Lillooet and Toba Rivers, where this height of land is intersected by the divide between the waters flowing westerly into said Toba and Southgate Rivers and into the Homathko River and those flowing easterly into the Lillooet River and Chilko Lake aforesaid; thence in a general north-westerly direction along said divide to the point thereon which lies due south of the south-west corner of Lot 332, Range 2, Coast Land District; thence due north to said south-west corner; thence westerly to and along the respective southerly boundaries of Lots 536 and 1357 to the more southerly south-west corner of said Lot 1357; thence due west to a point due south of the south-east corner of Lot 331; thence due north to said south-east corner; thence northerly following the easterly boundaries of said Lot 331 and of Lot 330 to the north-east corner of said Lot 330; thence due north to a point due east of the south-east corner of Lot 1348; thence due west to said south-east corner; thence westerly following the southerly boundary of said Lot 1348 to the south-west corner thereof; thence due west to the point due south of the south-east corner of Lot 381; thence due north to said south-east corner; thence northerly following the easterly boundary of said Lot 381 to the north-east corner thereof—all the lots herein above mentioned being in Range 2, Coast District, aforesaid; thence in a general north-westerly direction to and along the height of land separating the waters flowing easterly into the Chilanko and Chilcotin Rivers from those flowing westerly into the Dean River, to intersect the divide between the waters flowing southerly into said Chilcotin River and those flowing northerly into the Baezaeko and Nazko Rivers to the point thereon which lies due west of the south-west corner of Lot 4824, Cariboo Land District; thence due east to said south-west corner; thence easterly following the southerly boundaries of said Lot 4824 and of Lots 4826, 4827, 4828, 4833, and 4834 to the south-east corner of said Lot 4834; thence northerly following the easterly boundary of said Lot 4834 to the north-east corner thereof; thence easterly following the southerly boundary of Lot 5267 to the south-east corner thereof; thence northerly following the easterly boundaries of said Lot 5267 and of Lot 5266 to the north-east corner of said Lot 5266; thence in a general easterly direction to and along the divide separating the waters flowing northerly into the said Nazko River and into Narcosli Creek from those flowing southerly into the said Chilcotin River, and passing to the north of Stum (Pelican) Lake and continuing in a general north-easterly direction to and along the divide between Tingley and Mackin Creeks to the south-west corner of Lot 5780; thence easterly following the southerly boundary of said Lot 5780 to the south-east corner thereof; thence due east to intersect again the divide between Tingley and Mackin Creeks aforesaid; thence north-easterly along said divide to the point thereon which lies due west of the south-west corner of Lot 8684; thence due east to said south-west corner; thence easterly following the southerly boundaries of

said Lot 8684 and of Lot 7294 to the south-east corner of said Lot 7294; thence northerly following the easterly boundaries of said Lot 7294 and of Lot 9169 to the north-east corner of said Lot 9169; thence due north to a point due west of the north-west corner of Lot 9889; thence due east to said north-west corner; thence easterly following the northerly boundary of said Lot 9889 to the north-east corner thereof; thence due east to a point due south of the south-west corner of Lot 9170; thence due north to said south-west corner; thence easterly following the southerly boundary of said Lot 9170 to the south-east corner thereof; thence due east to a point due north of the north-east corner of Lot 315; thence due south to said north-east corner; thence southerly following the easterly boundary of said Lot 315 to the south-east corner thereof; thence due south to the point due west of the south-west corner of Lot 9656; thence due east to said south-west corner; thence easterly following the southerly boundaries of said Lot 9656 and of Lots 9655 and 9654 to the south-east corner of said Lot 9654; thence southerly following the westerly boundaries of Lots 8302 and 8298 to the south-west corner of said Lot 8298; thence easterly following the southerly boundary of said Lot 8298 to the south-east corner thereof; thence southerly following the westerly boundaries of Lots 8296 and 6751 to the south-west corner of said Lot 6751; thence easterly following the southerly boundary of said Lot 6751 to the theoretical south-east corner thereof, being a point in Marguerite Lake; thence northerly following the easterly boundaries of said Lot 6751 and of Lots 8296, 8295, 8294, 8289, 8291, 8293, and 8307 to the north-east corner of said Lot 8307; thence westerly, or as the case may be, following the northerly boundary of said Lot 8307 to the 122nd meridian of west longitude; thence north along said meridian to the southerly boundary of Lot 1205; thence easterly following the southerly boundaries of said Lot 1205 and of Lots 1206 and 1207 to the south-east corner of said Lot 1207; thence southerly following the westerly boundary of Lot 1208 to the south-west corner thereof; thence easterly following the southerly boundaries of said Lot 1208 and of Lots 1209, 1210, 1202, and 1203 to the south-east corner of said Lot 1203; thence due east to meet the divide separating the waters flowing northerly into Victoria Creek and Swift River from those flowing southerly into the Quesnel and Swamp Rivers; thence in a north-easterly direction along said divide to the point of junction of the centre lines of Cunningham Creek and Swamp River aforesaid; thence in a general north-easterly direction to and along the height of land separating the waters flowing northerly into Connection Creek and into Long Lake from those flowing southerly into Cameron Creek, Mitchell Lake, and the Clearwater River to the point of intersection of said height of land with the divide separating the waters flowing easterly into said Clearwater River and into Hobson and Clearwater Lakes from those flowing into Quesnel and Horsefly Lakes and into the Horsefly River; thence in a general southerly direction along said divide and continuing south-westerly around the headwaters of said Horsefly River to and along the height of land separating the waters flowing southerly into Deception Creek and into Canim and Murphy Lakes from those flowing northerly into said Horsefly River and McIntosh Lakes to the point thereon which lies due north of the north-west corner of Lot 9501; thence due south to said north-west corner; thence southerly following the westerly boundary of said Lot 9501 to the south-west corner thereof—all the lots herein above mentioned, unless otherwise specified, lying in the Cariboo Land District aforesaid; thence due south to intersect the 52nd parallel of north latitude as surveyed on the ground; thence westerly following said surveyed parallel of latitude to the north-east corner of Township 13, Lillooet Land District; thence southerly following the easterly boundary

of said Township 13 to the south-east corner of Section 12 of said Township 13; thence easterly following the northerly boundaries of Sections 6 and 5 of Township 15 of said Lillooet District to the north-east corner of said Section 5; thence southerly following the easterly boundaries of said Section 5 and of Sections 32, 29, and 20 of Township 28 of said Lillooet District to meet the northerly boundary of Lot 2785; thence easterly following the northerly boundaries of said Lot 2785 and of Lot 2784 to the north-east corner of said Lot 2784; thence southerly following the easterly boundaries of said Lot 2784 and of Lots 2775 and 2772 to the south-east corner of said Lot 2772; thence easterly following the northerly boundary of Lot 5 to the north-east corner thereof; thence southerly following the easterly boundary of said Lot 5 to the south-east corner thereof, being a point on the northerly shore of Lac la Hache; thence south-easterly along said shore-line to the northerly boundary of Lot 161; thence easterly, southerly, and westerly following the northerly, easterly, and southerly boundaries, respectively, of said Lot 161 to intersect the easterly boundary of Lot 2826; thence southerly following said easterly boundary of said Lot 2826 to the south-east corner thereof; thence westerly following the southerly boundaries of said Lot 2826 and of Lots 2798, 2776, 2782, and 2781 to the south-west corner of said Lot 2781; thence due west to the point due north of the north-east corner of Lot 4614; thence due south to said north-east corner; thence southerly following the easterly boundary of said Lot 4614 to the south-east corner thereof; thence due south to the point due east of the south-east corner of Section 28, Township 75, of said Lillooet District; thence due west to said south-east corner; thence westerly following the southerly boundaries of said Section 28 and of Section 29 of said Township 75 to the south-west corner of said Section 29; thence northerly following the westerly boundaries of said Section 29 and of Section 32 of said Township 75 to the north-west corner of said Section 32; thence westerly following the southerly boundaries of Section 6 of Township 43 and of Sections 1 and 2 of Township 45 of said Lillooet District to the south-west corner of said Section 2 of said Township 45; thence due south to the point due east of the south-east corner of Lot 2571; thence due west to said south-east corner; thence westerly following the southerly boundaries of said Lot 2571 and of Lots 2570 and 2569 to the south-west corner of said Lot 2569; thence due south to the point due east of the south-east corner of Lot 2590; thence due west to said south-east corner; thence westerly following the southerly boundary of said Lot 2590 and the northerly boundaries of Lots 111, 17, and 16 to the north-west corner of said Lot 16; thence due west to the centre line of the Fraser River; thence in a south-easterly direction following said centre line of said river to the point thereon which lies due east of the north-east corner of Section 15, Township 85, of said Lillooet District; thence due west to said north-east corner; thence westerly following the northerly boundaries of said Section 15 and of Sections 16 and 17 to the north-west corner of said Section 17; thence southerly following the easterly boundary of Lot 2613 to the south-east corner thereof; thence westerly following the southerly boundaries of said Lot 2613 and of Lots 2610 and 2607 to the south-west corner of said Lot 2607; thence due west to meet the divide separating the waters flowing westerly into Big Creek and into the Taseko and Lord Rivers aforesaid from those flowing easterly into the Fraser River; thence in a general south-westerly direction following said divide to the point of commencement. All the lots herein above mentioned, unless specified to the contrary, lie in the Lillooet Land District aforesaid.
